Dear Mincor Shareholder

**MINCOR RESOURCES NL - SHARE PURCHASE PLAN
OFFER DOCUMENT AND TERMS AND CONDITIONS**

1. Introduction

On behalf of the Directors of Mincor Resources NL (ACN 072 745 692) (**Company**), I am pleased to offer Eligible Shareholders (as defined in paragraph 3 of the enclosed Terms and Conditions) the opportunity to participate in the Mincor Resources NL Share Purchase Plan (**Plan**).

Under the Plan, Eligible Shareholders may apply to purchase up to \$15,000 worth of new fully paid ordinary shares in the Company (**New Shares**) (subject to any discretionary scale back) at an issue price of \$0.60 per New Share (**Issue Price**) without paying brokerage or other transaction costs. The Issue Price represents a discount of 10.7% to the volume weighted average price of fully paid ordinary shares (**Shares**), calculated over the last 5 trading days on which sales of Shares were recorded before the day on which the Plan was announced.

The Plan will allow all Eligible Shareholders to subscribe for New Shares at the same price as the placement of 50 million Shares to professional and sophisticated investors to raise \$30,000,000 (before costs), as announced by the Company on 21 November 2019 (**Placement**).

2. Purpose of the Plan and Use of Funds

As announced on 21 November 2019, the Company is targeting to raise \$5,000,000 under the Plan, which, along with the funds raised pursuant to the Placement (being \$30,000,000 (before costs) as announced on 21 November 2019) will be used to:

- Fund early pre-production capital costs associated with Mincor's Nickel Restart Strategy. Proceeds will allow Mincor to commence early capital works at Cassini and Long-Durkin ahead of the delivery of the DFS in Q1 2020. These include pre-development activities at Cassini (clearing, box-cut and decline) and underground development at Long-Durkin;
- Maintain the current level of momentum with the Company's exploration and resource growth programs. As part of Mincor's strategy to build a pipeline of development projects, Mincor has budgeted approximately \$8 million for nickel exploration in CY2020, split between brownfields resource expansion projects and emerging greenfields opportunities;
- Further strengthen Mincor's balance sheet, increasing its forecasted cash position to approximately \$55 million by 31 December 2019. The Company believes that this strong financial position will assist it in negotiating a competitive project financing package upon completion of the DFS; and
- Fund general corporate and working capital purposes and to meet the costs associated with the Placement and SPP.

3. Summary of the Offer

The following is a summary of the key details in relation to the offer of New Shares under the Plan (**Offer**). Please carefully read the full terms and conditions of the Offer, as you will be bound by them.

(a) Offer to Eligible Shareholders only: You are eligible to apply for New Shares under the Offer if:

- (i) your registered address, as recorded in the Company's register of members, is in Australia or New Zealand; and
- (ii) you were registered as a holder of fully paid ordinary shares in the Company as at 5.00pm WST on 20 November 2019 (being the **Record Date** for the Offer, (**Eligible Shareholder**)).

- (b) **Optional, but not transferable:** Participation in the Plan is optional, but the right of Eligible Shareholders to participate in the Plan is not transferable.
- (c) **Issue Price:** The Issue Price of New Shares under the Offer is \$0.60 per New Share. The Issue Price represents a discount of 10.7% to the volume weighted average price of Shares, calculated over the last 5 trading days on which sales of Shares were recorded before the day on which the Plan was announced.

The Issue Price is the same as the subscription price for the Placement.

- (d) **Maximum/minimum amounts and increments:** If you are an Eligible Shareholder, you may apply to purchase a parcel of New Shares for a minimum price of \$2,000 and up to a maximum price of \$15,000. Eligible Shareholders have the ability to subscribe for six different parcels of New Shares as follows:

	Subscription Amount (\$A)	New Shares to be issued calculated at the Issue Price
Option A	\$2,000 (minimum)	3,333
Option B	\$5,000	8,333
Option C	\$7,000	11,666
Option D	\$10,000	16,666
Option E	\$12,000	20,000
Option F	\$15,000 (maximum)	25,000

If you have two or more registered holdings of shares in the Company, the total value of all your applications must not exceed \$15,000. The Company reserves the right to decline applications from multiple registered holdings if the total exceeds \$15,000, including where those registered holdings are in similar, but not identical names, are held directly or indirectly, or are held alone or with others.

- (e) **Scale back and oversubscriptions:** The Company is targeting to raise \$5,000,000 under the Plan, and in the circumstance that \$5,000,000 is received before the closure of subscriptions, the Directors intend to close the Offer early by announcement of a revised timetable to ASX. However, should total demand exceed this amount, the Directors reserve the right to accept oversubscriptions or to scale back applications in their absolute discretion.
- (f) The Company applied for and was granted on 20 November 2019 a conditional waiver from Listing Rules 7.1 and 10.11 to permit the Company to conduct a further share purchase plan within the same 12 month period without shareholder approval. As a condition of this relief the maximum number of New Shares that can be issued under the Plan (including shares issued by the Company under its previous share purchase plan announced on 24 May 2019 (**Previous Plan**)) is 30% of the number of Shares already on issue as at 23 May 2019, being the record date of the Previous Plan. On this basis, the Company is permitted to issue up to 66,087,120 New Shares. If the Company raises \$5,000,000 under the Plan, approximately 8,333,333 New Shares will be issued.

The allocation of New Shares will be at the absolute discretion of the Directors from time to time – the Company reserves the right to issue fewer New Shares than an Eligible Shareholder applies for under the Plan, or no New Shares, in its absolute discretion or if the Company believes it is not permitted to issue the New Shares as a result of any law or ASX Listing Rule.

When determining any scale back or rejection of applications, the Company may take into account a number of factors, including the size of an applicant's shareholding, the extent to which Eligible Shareholders have sold or purchased additional Shares after the Record Date, whether the applicant has multiple registered holdings and the date an application was made. Eligible Shareholders are, therefore, encouraged to submit their applications early.

Any determination by the Directors in respect of any oversubscriptions or scaling back will be final.

The Company will refund any excess application money to Eligible Shareholders (without interest).

4. Application procedure

The Offer opens at 9.00am WST on 27 November 2019 and closes at 5.00pm WST on 18 December 2019. No late applications will be accepted; however, the Directors reserve the right to extend the closing date at their discretion, or close the Offer early in their sole and absolute discretion.

To apply for New Shares under the Plan, Eligible Shareholders may either:

- (i) return the enclosed Application Form, completed in accordance with the instructions on that form, together with a cheque, bank draft or money order; or
- (ii) pay directly via BPAY® on the internet or by telephone, in accordance with the instructions on the enclosed Application Form (for shareholders with an eligible Australian bank account only).

Application Forms must be received by the Company's share registry, or a BPAY® payment must be received by no later than 5.00pm WST on 18 December 2019.

Full details of how to apply for New Shares under the Plan are set out in the enclosed Terms and Conditions and Application Form.

The Company encourages Shareholders who wish to participate to act promptly in submitting their Application Form.

5. Additional information

You should be aware that the market price of Shares on ASX may rise and fall between the date of the Offer and the date that the New Shares are issued under the Plan. This means that the price you pay per New Share under this Offer may be either higher or lower than the price of Shares at the date of this Offer.

The New Shares are a speculative investment and there can be no certainty that New Shares will trade at or above the Issue Price following completion of the Offer.

The Plan does not take into account the individual investment objectives, financial situation, tax position or particular needs of each Eligible Shareholder. You should consider seeking independent legal, financial and taxation advice before making a decision whether or not to accept the Offer.

Please carefully read the accompanying Terms and Conditions relating to the Offer, as you will be bound by them if you accept the Offer.

If you have any questions in respect of the Plan, the Offer, or the Terms and Conditions, please contact Shannon Coates, Company Secretary on (08) 9476 7200.

Yours sincerely

David Southam
Managing Director

You are eligible to apply for New Shares in the Offer if:

- your registered address, as recorded in the Company's register of members, is in Australia or New Zealand; and
- you were registered as a holder of fully paid ordinary shares in the Company as at 5.00pm WST on 20 November 2019 (being the Record Date for the Offer),

(Eligible Shareholder).

The Offer to each Eligible Shareholder is made on the same Terms and Conditions.

The Offer is non-renounceable, which means you may not transfer your right to subscribe for New Shares under the Offer to anyone else.

4. Foreign offer restrictions

This document may not be released or distributed outside Australia and New Zealand.

This document does not constitute an offer to sell, or a solicitation of an offer to buy, securities in any other country. In particular, any securities described in this document have not been, and will not be, registered under the US Securities Act of 1933 and may not be offered or sold in the United States except in transactions exempt from, or not subject to, registration under the US Securities Act and applicable US state securities laws.

The New Shares being offered under the Plan are not being offered or sold to the public within New Zealand other than to existing shareholders of the Company with registered addresses in New Zealand and to whom the Offer is being made in reliance on the *Securities Act (Overseas Companies) Exemption Notice 2013* (New Zealand).

This document has not been registered, filed with or approved by any New Zealand regulatory authority under the *Securities Act 1978* (New Zealand). This document is not an investment statement or prospectus under New Zealand law and is not required to, and may not, contain all the information that an investment statement or prospectus under New Zealand law is required to contain.

5. Is the Offer optional?

The Offer is entirely optional and is subject to these Terms and Conditions. You do not have to participate if you do not want to.

6. How was the Issue Price determined?

The issue price of New Shares under the Offer is \$0.60 per New Share (**Issue Price**). The Issue Price represents a discount of 10.7% to the volume weighted average price of Shares, calculated over the last 5 trading days on which sales of fully paid ordinary shares in the Company (**Shares**) were recorded before the day on which the Plan was announced. This is the same price as that offered under the recent placement to professional and sophisticated investors announced on 21 November 2019.

7. Important information on price risk to consider

Before deciding whether to accept the Offer, you should refer to the current market price of shares in the Company, which can be obtained from the financial pages of your daily newspaper, your stockbroker, your financial adviser, or ASX by searching the Company's code/ticker; MCR. Please note that the market price of Shares in the Company may rise or fall between the date of this Offer and the date when the New Shares are issued to you under the Plan. This means that the price you pay per New Share under this Offer may be either higher or lower than the price of Shares at the date of this Offer.

The New Shares are a speculative investment and there can be no certainty that New Shares will trade at or above the Issue Price following completion of the Offer.

In determining whether you wish to participate in this Offer and the extent to which you participate, you should seek your own personal legal, financial and/or taxation advice referable to your own circumstances.

8. How much can you invest in the Offer?

Subject to paragraph 9, if you are an Eligible Shareholder under the Plan, you can subscribe for New Shares as follows:

	Subscription Amount (\$A)	New Shares to be allotted calculated at the Issue Price
Option A	\$2,000 (minimum)	3,333
Option B	\$5,000	8,333
Option C	\$7,000	11,666
Option D	\$10,000	16,666
Option E	\$12,000	20,000
Option F	\$15,000 (maximum)	25,000

Please note that the maximum limit of 25,000 New Shares applies to you even if you receive more than one Offer from the Company.

If you are the only registered holder of a holding of Shares, but you receive more than one offer under the Plan (for example, due to multiple registered holdings), you may only apply in aggregate for a maximum of \$15,000 worth of Shares.

If you are registered with one or more persons as the joint shareholders of a holding of Shares, that joint holding is considered to be a single registered holding for the purposes of the Plan and the joint holders are entitled to participate in the Plan in respect of that single holding only. If the same joint holders receive more than one offer under the Plan due to multiple identical holdings, the joint holders may only apply in aggregate for a maximum of \$15,000 worth of Shares.

By applying to purchase Shares under the SPP, you certify you have not exceeded this \$15,000 limit and

- (a) if you are a Custodian – you make the certifications set out in paragraph 12 of the Terms and Conditions; and
- (b) if you are not a Custodian – you make the certifications set out in paragraph 13 of the Terms and Conditions.

No fractions of New Shares will be issued. The number of New Shares to be issued to you will be calculated by dividing the aggregate application money that you pay in applying for New Shares by the Issue Price of \$0.60, then rounding down to the nearest whole number.

9. Scale back and oversubscriptions

The Company is targeting to raise \$5,000,000 under the Plan. In the circumstance that \$5,000,000 is received before the closure of subscriptions, the Directors intend to close the Offer early by announcement of a revised timetable to ASX. However, should total demand exceed this amount, the Directors reserve the right to accept oversubscriptions or to scale back applications in their absolute discretion. Shareholders should note the Company closed the previous share purchase plan (announced 24 May 2019) early due to demand.

Without limiting the above, the Company reserves the right to issue fewer New Shares than an Eligible Shareholder applies for under the Plan, or no New Shares and any determination by the Directors in respect of any scaling back will be final.

The Company applied for and was granted on 20 November 2019 a conditional waiver from Listing Rules 7.1 and 10.11 to permit the Company to conduct a further share purchase plan within the same 12 month period without shareholder approval. As a condition of this relief, the maximum number of New Shares that can be issued under the Plan (including shares issued by the Company under its previous share purchase plan announced on 24 May 2019 (**Previous Plan**)) is 30% of the number of Shares already on issue as at 23 May 2019, being the record date of the Previous Plan. On this basis, the Company is permitted to issue up to 66,087,120 New Shares. If the Company raises \$5,000,000 under the Plan, approximately 8,333,333 New Shares will be issued.

In the event the Company wishes to allot fewer New Shares than an Eligible Shareholder applies for or is not permitted to issue all the New Shares offered as a result of any law or ASX Listing Rule, the allocation of New Shares will be at the absolute discretion of the Directors from time to time.

If a scale back occurs, the Company will refund any excess application money to Eligible Shareholders (without interest).

10. Issue of New Shares

The New Shares will be allotted within 5 business days after the closing date of the Offer.

The Company's share registry, Computershare Investor Services Pty Limited, will send to you a holding statement for the New Shares in due course.

11. What rights will the New Shares carry?

Once the New Shares are issued, they will rank equally with existing Shares and will carry the same voting rights, dividend rights, and entitlements to dividends, rights issues and bonus issues.

12. Custodian certificate

If on the Record Date you are a custodian within the definition of "custodian" in ASIC Instrument 2019/547 (**Custodian**) and hold Shares in the Company on behalf of one or more persons (each a **Participating Beneficiary**), you may apply for up to a maximum of \$15,000 worth of New Shares for each Participating Beneficiary, subject to providing a notice in writing to the Company on application for New Shares pursuant to the Offer certifying the following:

- (a) either or both of the following:
 - (i) that the Custodian holds Shares in the Company on behalf of one or more other persons (**Participating Beneficiaries**) that are not Custodians; and
 - (ii) that another Custodian (**Downstream Custodian**) holds beneficial interests in shares in the Company on behalf of one or more other persons (each a Participating Beneficiary), and the Custodian holds the Shares in the Company to which those beneficial interests relate on behalf of the Downstream Custodian or another Custodian,

on the Record Date and that each Participating Beneficiary has subsequently instructed the following persons:

 - (iii) where paragraph 12(a)(i) applies – the Custodian; and
 - (iv) where paragraph 12(a)(ii) applies – the Downstream Custodian,

to apply for New Shares on their behalf under the Plan;
- (b) the number of Participating Beneficiaries;
- (c) the name and address of each Participating Beneficiary;
- (d) in respect of each Participating Beneficiary:
 - (i) where paragraph 12(a)(i) applies – the number of shares in the Company that the Custodian holds on their behalf and the number or the dollar amount of New Shares they instructed the Custodian to apply for on their behalf; and
 - (ii) where paragraph 12(a)(ii) applies – the number of shares in the Company to which the beneficial interests relate and the number or the dollar amount of New Shares they instructed the Downstream Custodian to apply for on their behalf;
- (e) that there are no Participating Beneficiaries in respect of which the total of the application price for the following exceeds \$30,000:
 - (i) the New Shares applied for by the Custodian on their behalf under the Plan with the instructions referred to in paragraph 12(d); and
 - (ii) any other Shares in the Company issued to the Custodian in the 12 months before the application as a result of an instruction given by them to the Custodian or the Downstream Custodian to apply for shares in the Company on their behalf under an arrangement similar to the Plan;
- (f) that a copy of the accompanying Offer document and these Terms and Conditions were given to each Participating Beneficiary; and
- (g) where clause paragraph 12(a)(ii) applies – the name and address of each Custodian who holds beneficial interests in the shares in the Company held by the Custodian in relation to each Participating Beneficiary.

In providing a certificate under this paragraph 12, the Custodian may rely on information provided to it by the Participating Beneficiary and any Custodian who holds beneficial interests in the shares in the Company held by the Custodian.

For the purpose of ASIC Instrument 2019/547, you are a Custodian if you provide a custodial or depository service in relation to Shares and you:

- (a) hold an Australian financial services licence covering the provision of a custodial or depository service;
- (b) are exempt from the requirement to hold an Australian financial services licence covering the provision of a custodial or depository service;
- (c) hold an Australian financial services licence covering the operation an IDPS or is a responsible entity of an IDPS-like scheme;

- (e) are a registered holder of shares or interests in the class and is noted on the register of members of the body or scheme as holding the shares or interests on account of another person.

If you hold Shares as a trustee or nominee for another person, but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings set out in paragraph 8 apply.

13. Shareholder certificate

Subject to paragraph 12, by submitting an Application Form, together with the appropriate payment in the manner specified in 17(a), or by making a BPAY[®] payment in the manner specified in 17(b), you certify, acknowledge, warrant and represent as true, correct and not misleading to the Company that if you are not a Custodian:

- (a) you are not applying for New Shares with an application price of more than \$15,000 under the Plan (including by instructing a Custodian to acquire New Shares on your behalf under the Plan);
- (b) the total of the application price for the following does not exceed \$30,000 as at the date of issue of the New Shares under the Plan:
 - (i) the New Shares you are applying for;
 - (ii) any Shares or interests in the class issued under a similar arrangement in the 12 months before date of issue of the New Shares under the Plan;
 - (iii) any other New Shares which you have instructed a Custodian to acquire on your behalf under the Plan; and
 - (iv) any other Shares or interests in the class issued to a Custodian under an arrangement similar to the Plan in the 12 months before the date of issue of the New Shares under the Plan as a result of you instructing the Custodian or another Custodian, which resulted in you holding a beneficial interest in the Shares or interests.

14. Costs of participation

15. Can the Company change the Plan?

The Plan may be changed, suspended or terminated by the Company at any time. If the Company changes, suspends or terminates the Plan it will advise ASX.
