Dear James,

REQUEST FOR SUSPENSION

Further to its Trading Halt request on 28 November 2019, Legend Mining Limited [**ASX Code: LEG**] requests that an immediate suspension of trading be put on its securities pending the release of exploration results on the Company's Rockford Project in the Fraser Range, expected to be released to the market on Monday, 9 December 2019.

Legend Mining is seeking the suspension to assist in managing its disclosure obligations in relation to the release of exploration results on the Company's Rockford Project in the Fraser Range, and maintaining an orderly market in the trading of its ordinary shares and to ensure that trading does not take place in an uninformed market.

The Company requests that the suspension end when the anticipated announcement referred to above is released to the market.

Legend Mining Limited is not aware of any reason why a suspension should not be granted, nor of any other information necessary to inform the market about the trading halt.

Prior to the lifting of the suspension and the commencement of trading in its securities, Legend expects to make an announcement concerning exploration results on the Company's Rockford Project in the Fraser Range.

Yours sincerely

Tony Walsh
Company Secretary
