About ASW:

Advanced Share Registry Limited provides registry services to listed and unlisted clients on a national basis. The business has built its registry operations through its reputation and delivery as an efficient, cost effective service provider. The Company has a track record of profits and pays a 6 monthly franked dividend. In April 2010, the company opened its Sydney office and will continue to look towards national expansion.

Advanced Share Registry Limited (**ASX: ASW**, The Company) advises that the pre-tax operating profit for the half year ending 31 December 2019 is estimated to be approximately \$1,370,000 (2018: \$1,256,013).

The Company has experienced some increased activity around corporate actions during the period that has maintained the Company's estimated December result at similar levels to previous years despite some increased operational costs. The Company anticipates operations will continue at normal levels during the remainder of the year.

The Company intends to pay a fully franked interim dividend out of profits for the half year to December 2019, the amount of which will be advised once the final profit for the period has been determined. The dividend is intended to be paid in February 2020.
