- Expand geographical sales presence to capitalise on opportunities and fast track customer adoption and transaction volumes.
- Administration and working capital requirements of the Company.

I thank you for your ongoing support of the Company and invite you to participate in our Share Purchase Plan.

SUMMARY OF SHARE PURCHASE PLAN

On 16 December 2019, Yojee Limited (ASX: YOJ) ACN 143 416 531 (**Yojee or the Company**) announced a \$3.5 million placement of new shares (**Placement**). The Placement was supported by a variety of sophisticated and professional investors. The Placement was completed on 23 December 2019 and the Shares were issued at a price of \$0.05 per Share on that date. **Yojee is now pleased to provide all existing eligible Shareholders the opportunity to purchase up to \$30,000 of new shares in the Company (Shares) via a Share Purchase Plan (SPP), at the same price that participants in the Placement paid, i.e. \$0.05 per Share.**

To be eligible to participate in the SPP, you were required to have been registered as a holder of Yojee Shares, with a registered address in Australia and New Zealand, as at 4.00pm Western Standard Time (**WST**) on **Friday 13 December 2019 (Record Date)**. The Company will raise \$2 million via the SPP as it is fully underwritten and these funds raised will be applied towards general working capital for the Company. The funds raised via the SPP, together with the funds raised from the Placement will be used to further build out of Asia Pacific and international marketplaces, increase leadership in the Company's industry leading smart technologies such as artificial intelligence and logistics network interconnectivity as well as expand geographical sales presence to capitalise on opportunities and fast track customer adoption & transaction volumes as well as for administration and working capital purposes.

The offer of Shares under the SPP (**Offer**) opens on **Monday 13 January 2020 (Opening Date)** and **closes at 5.00pm WST on Wednesday, 29 January 2020 (Closing Date)**. No late applications will be accepted, however the directors of the Company (**Directors**) reserve the right to extend the Closing Date at their sole and absolute discretion. The purchase price for each Share under the Offer will be \$0.05 per Share. The new shares to be issued under the SPP will rank equally with existing YOJ fully paid ordinary shares on issue.

The SPP is fully underwritten up to \$2.0 million by Euroz Securities Limited (**Euroz**). Euroz has appointed Tiga Trading Pty Ltd (**Tiga**), a wholly owned subsidiary of Thorney Investment Group Australia Pty Ltd as sub-underwriter to the SPP. A cash underwriting fee of 4% of the underwritten amount (being \$80,000) is payable to Euroz (or its nominee(s)) by Yojee and a further underwriting fee of 10 million unlisted options to acquire Shares in the capital of the Company (**Options**), each exercisable at \$0.075 with an expiry date of 18 months from their issue date (**Option Fee**) will be issued to Euroz (or its nominee). As part of the sub-underwriting arrangements, Euroz will pay 50% of its cash underwriting fee (being \$40,000) and direct the issue of all of the Options, to Tiga, or its nominee(s), as payment for Tiga's sub-underwriting services. The underwriting agreement contains customary conditions, warranties and undertakings and is subject to termination events which include the S&P ASX 200 Index is at any time after the date of the underwriting agreement (being 10 January 2020), 10% or more below its respective level as at the close of business on the business day prior to the date of the agreement (9 January 2020), market conditions and other customary termination events for an agreement of this nature.

In addition, if the amount of shortfall Shares under the SPP is less than 20,000,000, Euroz will subscribe (or procure the subscription) for such further Shares (**Potential Placement**), so that Euroz or its nominee (likely Tiga or its nominee(s)) will be issued a total of 20,000,000 Shares (being \$1.0m at \$0.05 per Share) comprising any shortfall Shares under the SPP plus any Shares issued pursuant to the Potential Placement. Accordingly, should there be no shortfall Shares under the SPP (i.e. \$2.0 million is subscribed for investors other than Tiga), then the Company would issue a further 20,000,000 Shares to Euroz or its nominee (likely Tiga or its nominee(s)) pursuant to the Potential Placement and raise an additional \$1.0 million. Shareholder approval will not be sought for the issue of any shortfall Shares, Options or Shares pursuant to the Potential Placement, as these will be issued under the Company's existing ASX Listing Rule 7.1 and / or 7.1A capacity. Shareholder approval is also not required for the issue of the Shares under the SPP as they will be issued pursuant to ASX Listing Rule 7.2 exception 5. If you are eligible to subscribe for Shares under the Offer and you wish to participate, you may subscribe for Shares as follows:

Offer	Subscription Amount (\$A)	Number of new Shares
Offer A	\$30,000 (maximum)	600,000

Offer D	\$10,000	200,000
Offer E	\$5,000	100,000
Offer F	\$2,000 (minimum)	40,000

The number of Shares to which you are entitled will be calculated by dividing the subscription amount you have selected by the Issue Price, rounded down.

You may only subscribe for Shares in the tranches stated above. The Company reserves the right to allot fewer Shares than an eligible Shareholder applies for under the Offer, or no Shares, and any determination by the directors of the Company in respect of any scaling back will be final. If a scale back occurs, the Company will refund any excess application money to eligible Shareholders (without interest).

In the event the Company wishes to allot fewer Shares than an eligible Shareholder applies for, the allocation of Shares to applicant Shareholders will be at the absolute discretion of the Company's directors from time to time.

TERMS AND CONDITIONS

The following are the terms and conditions of the Offer under the Share Purchase Plan (**Terms and Conditions**). By accepting the offer to subscribe for Shares under the Share Purchase Plan (**SPP or Plan**), you will have agreed to be bound by these Terms and Conditions and the Company's constitution.

1. ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 issued by the Australian Securities and Investments Commission

The Offer has been structured to comply with the ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (as may be amended from time to time) to enable the Company to issue Shares without a prospectus.

2. Opening and closing date of the Offer

The Offer opens on **Monday 13 January 2020 (Opening Date)**.

The Offer closes at 5.00pm WST on **Wednesday 29 January 2020 (Closing Date)**.

No late applications will be accepted; however the Directors reserve the right to extend the Closing Date at their sole and absolute discretion by making an announcement to the ASX.

3. Who is eligible to participate in the offer?

You are eligible to apply for Shares in the Offer if:

- your registered address, as recorded in the Company's register of members, is in Australia or New Zealand; and
- you were registered as a holder of Shares as at 4.00pm WST on **Friday, 13 December 2019. (Eligible Shareholder)**.

The Offer to each Eligible Shareholder is made on the same terms and conditions as all other Eligible Shareholders.

The Offer is non-renounceable (i.e. you may not transfer your right to subscribe for Shares under the Offer to anyone else).

The SPP is fully underwritten up to \$2 million by Euroz.

4. Is the Offer voluntary?

The Offer is entirely voluntary and is subject to these Terms and Conditions. You do not have to participate if you don't want to.

5. How was the issue price determined?

The issue price for each Share under the Offer is set at \$0.05 per Share (**Issue Price**). This is the same price paid per Share as participants in the placement of Shares announced by the Company on 16 December 2019 and completed on 23 December 2019. The Issue Price of \$0.05 per Share represents a ~13.9% discount to the 5-day volume weighted average market price of the Company's Shares as traded on the ASX immediately prior to the announcement of the Placement and SPP.

6. Important information on price risk to consider

Before deciding whether to accept the Offer, you should refer to the current market price of Shares, which can be obtained from the financial pages of your daily newspaper, your stockbroker, your financial adviser, or the ASX. Yojee's ASX ticker code is YOJ. Please note that the market price of Shares may rise or fall between the date of this Offer and the date when the Shares are issued to you under the Offer. This means that the price you pay per Share under this Offer may be greater than or less than the price of Shares at the time the Shares are issued to you pursuant to this Offer.

In determining whether you wish to participate in this Offer and the extent to which you participate, you should seek your own personal financial and/or taxation advice referable to your own circumstances.

7. How much can you invest in the Offer?

Subject to paragraph 9, if you are an Eligible Shareholder under the Plan, you can subscribe for Shares as follows:

Offer	Subscription Amount (\$A)	Number of new Shares
Offer A	\$30,000 (maximum)	600,000
Offer B	\$20,000	400,000
Offer C	\$15,000	300,000
Offer D	\$10,000	200,000
Offer E	\$5,000	100,000
Offer F	\$2,000 (minimum)	40,000

The number of Shares to which you are entitled will be calculated by dividing the subscription amount you have selected by the Issue Price, rounded down.

Please note that the maximum limit of \$30,000 of Shares applies to you even if you receive more than one Offer from the Company. For example, if you are both a sole and a joint Shareholder of the Company as at the Record Date, you can only apply for Shares under the Offer once, either in your capacity as sole Shareholder or joint Shareholder, not both.

No fractions of Shares will be issued.

8. Maximum number of new Shares to be issued?

- (a) **ASX Listing Rules limitation:** In accordance with ASX Listing Rule 7.2 Exception 5, the total number of new Shares under the Offer must not exceed 30% of the number of Shares currently on issue (the maximum number of Shares that can be issued under the Plan is 275,802,969 Shares).
- (b) **Discretionary limitation:** It is presently intended that a maximum of 40,000,000 Shares will be issued pursuant to the Offer, which would raise a maximum of \$2 million. Applications will be accepted on a 'first in, first accepted' basis and will not be able to be withdrawn once made. The Company's board of directors (**Board**) presently intends that the Offer will close after the maximum amount of \$2 million has been raised, however it reserves the right to accept oversubscriptions.
- (c) **Board discretion:** The Board reserves its right to reject or scale back any applications in whole or in part. The Board reserves absolute discretion regarding the final amount raised under the Offer (subject to the maximum permitted under the ASX Listing Rules). If there is a rejection or scale back, your application monies may be greater than the value of new Shares issued to you under the Plan, in which case the excess application monies will be refunded to you, without interest.
- (d) **Shortfall:** Yojee intends to issue any Shares not taken up by Eligible Shareholders under the SPP (**Shortfall Shares**) to the Underwriter and/or sub-underwriters in accordance with the terms of the underwriting agreement dated on or about 10 January 2020 and at the same time as Shares are issued to Eligible Shareholders who participate in the SPP.

9. Custodian Certification

If on 13 December 2019 you were an Eligible Shareholder and held Shares as a custodian (as defined in ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547) (**Custodian**) or in any more specific ASIC relief granted to the Company in relation to the Plan), you may apply for up to a maximum of \$30,000 worth of Shares for each beneficiary for whom you act as Custodian provided you complete and submit, together with an Application Form, a certificate (**Custodian Certificate**) with the following information:

- (a) that you held Shares on behalf of:
 - (i) one or more other persons that are not Custodians; and/or
 - (ii) another Custodian (**Downstream Custodian**) that holds beneficial interests in Shares on behalf of one of more other persons who are resident in Australia or New Zealand, to which those beneficial interests relate,(each a **Participating Beneficiary**) at the Record Date who have subsequently instructed you, and/or the Downstream Custodian, to apply for Shares on their behalf under the Plan;

- (b) the number of Participating Beneficiaries and their names and addresses;
- (c) the number of Shares that you hold on behalf of each Participating Beneficiary;
- (d) the dollar amount of Shares that each Participate Beneficiary has instructed you, either directly or indirectly through a Downstream Custodian, to apply for on their behalf;
- (e) that the application price for Shares applied under the Offer for each Participating Beneficiary for whom you act in addition to the application price for any other Shares issued to you as custodian (as a result of instruction given to you as Custodian or a Downstream Custodian) for that Participating Beneficiary under any arrangement similar to the Plan in the prior 12 months does not exceed \$30,000;
- (f) that a copy of this Offer document was given to each Participating Beneficiary; and
- (g) where you hold Shares on behalf of a Participating Beneficiary indirectly, through one or more Downstream Custodians, the name and address of each Downstream Custodian.

In providing a certificate under this paragraph 9, the Custodian may rely on information provided to it by the Participating Beneficiary and any Custodian who holds beneficial interests in the Shares held by the Custodian.

For the purpose of ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 you are a 'Custodian' if you provide a custodial or depository service in relation to shares of a body or interests in a registered scheme and who:

- (a) holds an Australian financial services licence covering the provision of a custodial or depository service;
- (b) is exempt from the requirement to hold an Australian financial services licence for the provision of a custodial or depository service;
- (c) is a trustee of a:
 - (i) self-managed superannuation fund; or
 - (ii) superannuation master trust;
- (d) holds an Australian financial services licence covering the operation an IDPS or is a responsible entity of an IDPS-like scheme; or
- (e) is a registered holder of shares or interests in the class and is noted on the register of members of the body or scheme (as the case may be) as holding the shares or interests on account of another person.

If you hold Shares as a trustee or nominee for another person, but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings (set out in paragraph 9) apply.

Custodians should request a Custodian Certificate when making an application on behalf of Participating Beneficiaries. To request a Custodian Certificate and if you would like further information on how to apply, you should contact Company's Share registry, Computershare Investor Services Pty Limited during business hours.

The Company reserves the right to reject any application for Shares to the extent it considers that the application (whether alone or in conjunction with other applications) does not comply with these requirements. The Company reserves the right to reject applications in accordance with these Terms and Conditions.

10. Shareholder Certification

Subject to paragraph 9, an Eligible Shareholder must, on application for Shares pursuant to the Offer, certify to the Company that the total of the application price for the following does not exceed \$30,000:

- (a) the Shares the subject of the application under the Plan;
- (b) any other Shares issued to the Eligible Shareholder under the Plan or any similar arrangement in the 12 months before the application under the Plan; and
- (c) any other Shares which the Eligible Shareholder has instructed a Custodian to acquire on their behalf under the Plan; and
- (d) any other Shares issued to a Custodian in the 12 months before the application under the Plan as a result of an instruction given by the Eligible Shareholder to the Custodian to apply for Shares on their behalf under an arrangement similar to the Plan.

11. Underwriting / Additional Issue

In the event that the Offer under the SPP is not fully subscribed and subject to the terms of the underwriting agreement, the Board reserves its right to issue new Shares in excess of the maximum \$30,000.00 worth of new Shares specified in clause 7 (**Additional Issue**), to any person (whether or not such person is an Eligible Shareholder) so long as the Additional Issue:

- (a) satisfies section 708 of the Corporations Act 2001 (Cth);
- (b) complies with the ASX Listing Rules; and
- (c) any approval of Shareholders to the Additional Issue which is required under the Listing Rules or the Corporations Act is obtained.

12. Costs of Participation

The only cost to you associated with the Offer is the Issue Price of the number of Shares you wish to subscribe for. **Under the Offer you do not have to pay for brokerage, commission or other transaction costs** which would normally apply when you acquire Shares on market.

Yojee may pay brokerage and other commissions in respect of any subscriptions procured in respect of any Additional Issue, as determined by the Board in its discretion.

13. Allotment of Shares and Variation on Number of Shares Issued

The Company expects the Shares to be allotted within seven (7) business days after the Closing Date.

The Company's Share registry, Computershare Investor Services Pty Limited, will send to you a Transaction Confirmation Statement in due course.

Without limiting the above, the Company reserves the right to allot fewer Shares than an Eligible Shareholder applies for under the Offer, or no Shares, in the Company's discretion or if the Company believes the allotment of those Shares would contravene any law or the ASX Listing Rules. No interest will be paid on any money returned.

In the event the Company wishes to allot fewer Shares than an Eligible Shareholder applies for or is not permitted to issue all the Shares offered as a result of any law or ASX Listing Rule, the allocation of Shares to applicant Shareholders will be at the absolute discretion of the Directors from time to time.

14. What Rights Will the Shares Carry?

Once the Shares are issued, they will rank equally with existing Shares in the Company and will carry the same voting rights, dividend rights, and entitlements to dividends, rights and bonus issues.

15. Can the Company Change the Plan?

The Plan may be changed, suspended or terminated by the Company at any time. If the Company changes, suspends or terminates the Plan it will advise ASX. The accidental omission to give notice of changes to or suspension or termination of the Plan or the non-receipt of any such notice will not invalidate the change, suspension or termination.

16. Directors' Participation

The directors of the Company, as Eligible Shareholders, may participate in the Offer (without having to obtain Shareholder approval), on the same terms as all other Shareholders in the Company.
