SRG Global executes \$90.0m Multi-disciplinary Asset Services Contract with Alcoa

Highlights:

- SRG Global has now executed a new \$90.0 million multi-disciplinary asset services contract with Alcoa of Australia Limited ('Alcoa')
- The scope of services includes heavy mechanical and electrical maintenance, specialist rope access and scaffold services at Alcoa's alumina refinery in Kwinana, Western Australia
- Site mobilisation is well advanced with contract services to commence in February 2020.

SRG Global Limited ('SRG Global' or 'the Company') (ASX: SRG) announced in December 2019 that the Company had been awarded preferred tenderer status for a new \$90.0 million multi-disciplinary asset services contract with Alcoa. SRG Global is pleased to advise that the contract has now been executed.

The services will be provided at Alcoa's Kwinana Alumina Refinery in Western Australia with a contract duration of five years. Site mobilisation is well advanced with contract services to commence in February 2020.

SRG Global Managing Director, David Macgeorge said, "We are very pleased to have now executed this contract. This is a very significant contract award for SRG Global in our Asset Services division and showcases our ability to deliver multi-disciplinary integrated solutions for tier one customers. We look forward to building a long-term partnership with Alcoa to deliver value-engineered maintenance and access services that drives value for their operations."
