Dear Sir/Madam

Quarterly Report for the Period Ended 31 December 2019

Nex Metals Explorations Ltd (Nex or the Company) provides the following update on recent Company activities.

The Company worked with Metalicity Limited (ASX: MCT) during the quarter on their drilling and exploration campaign at the Leipold, McTavish, Champion and Cosmopolitan projects under the farm-in agreement dated 6 May 2019 (see ASX announcement of the same date). The Company refers shareholders to ASX announcements of Metalicity Ltd dated 2 October 2019 and additional results subsequent to the end of the quarter dated 21 January 2020.

Conversion of Convertible Note

The Company announced on 12 November 2019 that the Convertible Noteholder has elected to convert the outstanding Note of $1,500,000 with accrued interest of $272,506.85 to 1 November 2019. The terms are subject to Nex Shareholder approval and an Independent Experts Report as to the fair and reasonableness of the transaction for Shareholders. Once the independent experts report is completed a general meeting will be called. The Note was priced at a 15-day VWAP with 20% discount for an issue price of $0.01338/share. Additional shares to be issued will total 132,474,353. With the conversion the existing debt will be eliminated from the Balance Sheet of the Company.

MUI Properties Berhad is a subsidiary of Malayan United Industries Berhad (MUI), a Malaysia-based conglomerate formed in 1960 and listed on Bursa Malaysia Securities Berhad. MUI's businesses include retail, hotel, property, food and financial services.

Corporate

The Company has funds due from outstanding receivables at the end of the Quarter of $620,692.

The Company received additional funding subsequent to the end of the Quarter to meet ongoing expenditure for the next quarter.

The Annual General Meeting was held during the quarter with all resolutions being passed.

With respect to the applications for forfeiture lodged by MCA Nominees Pty Ltd over the Yundamindera tenements these are an ongoing matter. As previously advise the Company sees no merit in the claim and will defend in the usual course.

Responsibility Statement

The information in this report that relates to Exploration Results, Mineral Resources or Ore Reserves is based on information compiled by Rob L'Heureux, who is a Member of the Association of Professional Engineers, Geologists and Geophysicists of Alberta (Canada). Mr. L'Heureux M.Sc., P.Geol., who is a full-time employee of APEX Geoscience Australia Pty Ltd., has sufficient experience which is relevant to the style of mineralisation and type of deposit under consideration and to the activity undertaken to qualify as a Competent Person as defined in the 2012 Edition of the 'Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves'. Mr. L'Heureux consents to the inclusion in this report of the matters based on their information in the form and context in which it appears.

Forward Looking Statements

This announcement may contain certain "forward-looking statements" which may not have been based solely on historical facts, but rather may be based on the Company's current expectations about future events and results. Where the Company expresses or implies an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have reasonable basis. However, forward looking statements are subjected to risks, uncertainties, assumptions and other factors, which could cause actual results to differ materially from future results expressed, projected or implied by such forward looking statements. Such risks include, but are not limited to Resource risk, metals price volatility, currency fluctuations, increased production costs and variances in ore grade or recovery rates from those assumed in mining plans, as well as political and operational risks in the Countries and States in which we operate or sell product to, and governmental regulation and judicial outcomes. For a more detailed discussion of such risks and other factors, see the Company's annual reports, as well as the Company's other filings. Readers should not place undue reliance on forward looking information. The Company does not undertake any obligation to release publicly any revisions to any "forward-looking statements" to reflect events or circumstances after the date of this announcement, or to reflect the occurrence of unanticipated events, except as may be required under applicable securities laws.

Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, AASB 6: Exploration for and Evaluation of Mineral Resources and AASB 107: Statement of Cash Flows apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
