Dear Ms Wutete

CropLogic Limited ('CLI'): Suspension Update

CropLogic Limited (**CLI** or **Company**) wishes to provide an update in respect to the continued suspension over the Company's securities.

The Company notes that it has provided responses to the ASX queries dated 21 January 2020 and these have been released on the market announcements platform. CLI's securities will remain voluntarily suspended pending the Company releasing the Appendix 4C for the quarter ended 31 December 2019 (Quarterly Report) and providing an update on the Company's current funding position (Financial Update).

The Company expects the voluntary suspension to remain in place until the earlier of Monday, 10 February 2020, or the Quarterly Report and Financial Update being lodged.

The Company is not aware of any reason why the voluntary suspension should not be granted.
