#### About QuickFee Limited

QuickFee Australia was founded in March 2009 and developed a unique payment gateway for Australian accounting and law firms allowing them to accept monthly payment plans where clients of professional services firms obtain finance online from QuickFee to facilitate payments to the firm in full.

Following the success of QuickFee Australia, QuickFee was established in the US in 2016 as a separate operating entity to pursue opportunities in the much larger market in the USA where no direct competitor exists.

In July 2019, QuickFee Australia and QuickFee US became wholly owned by QuickFee Limited and completed an IPO on the ASX.
