11 February 2020

IMPORTANT NOTICE

No reliance:

This presentation is a document that has been prepared by Ora Banda Mining Limited ("Company", "OBM" or "Ora Banda") for the purpose of providing a company and technical overview to interested investors. None of the Company, nor any of its related bodies corporate, their respective directors, partners, employees or advisers or any other person ("Relevant Parties") makes any representations or warranty to, or takes responsibility for, the accuracy, reliability or completeness of the information contained in this document, to the recipient of this document ("Recipient"), and nothing contained in it is, or may be relied upon as, a promise or representation, whether as to the past or future. Recipients of the document must make their own independent investigations, consideration and evaluation. By accepting this document, the Recipient agrees that if it proceeds further with its investigations, consideration or evaluation of investing in the Company, it will make and rely solely upon its own investigations and inquiries, and not upon this document.

Limited disclosure:

The information in this presentation does not purport to be complete, nor does it contain all the information that would be required in a disclosure statement or prospectus prepared in accordance with the Corporations Act 2001 (Cth). It should be read in conjunction with the Company's other periodic and continuous disclosure announcements lodged with the Australian Securities Exchange, which are available at www.asx.com.au.

Seek your own advice:

This presentation is not a recommendation to acquire Company shares and has been prepared without taking into account the individual objectives, financial situation or needs of interested individuals. Before making an investment decision prospective investors should consider the appropriateness of the information having regard to their own objectives, financial situation and needs and seek appropriate financial, legal, taxation and other appropriate advice. Except to the extent prohibited by law, the Relevant Parties disclaim all liability that may otherwise arise due to any of this information being inaccurate or incomplete. By obtaining this document, the Recipient releases the Relevant Parties from liability to the Recipient for any loss or damage that it may suffer or incur arising directly or indirectly out of or in connection with any use of or reliance on any of this information, whether such liability arises in contract, tort (including negligence) or otherwise.

No offer to acquire Company shares:

This presentation is not, and should not be considered, an invitation to acquire Company shares or any other financial products, and neither this document nor any of its contents will form the basis of any contract or commitment. In particular, this document does not constitute any part of any offer to sell, or the solicitation of an offer to buy, any securities in the United States or to, or for the account or benefit of any 'US person' as defined in Regulation S under the U.S. Securities Act of 1933 ("Securities Act"). The Company's shares have not been, and will not be, registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States, and may not be offered or sold in the United States or to any US person without being so registered or pursuant to an exemption from registration.

Forward-looking statements:

This Announcement contains forward-looking statements which may be identified by words such as "believes", "estimates", "expects", "intends", "may", "will", "would", "could", or "should" and other similar words that involve risks and uncertainties. These statements are based on an assessment of present economic and operating conditions, and on a number of assumptions regarding future events and actions that, as at the date of this Announcement, are expected to take place.

Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties, assumptions and other important factors, many of which are beyond the control of the Company, the Directors and management of the Company. These and other factors could cause actual results to differ materially from those expressed in any forward-looking statements.

The Company has no intention to update or revise forward-looking statements, or to publish prospective financial information in the future, regardless of whether new information, future events or any other factors affect the information contained in this Announcement, except where required by law.

The Company cannot and does not give assurances that the results, performance or achievements expressed or implied in the forward-looking statements contained in this Announcement will actually occur and investors are cautioned not to place undue reliance on these forward-looking statements.

Competent Person Statements

The information in this announcement that relates to exploration results, and the Sand King and Missouri Mineral Resources is based on information compiled under the supervision of Mr Andrew Czerw, an employee of Ora Banda Mining Limited, who is Member of the Australian Institute of Mining and Metallurgy. Mr Czerw has sufficient experience which is relevant to the style of mineralisation and type of deposit under consideration and to the activity which he is undertaking to qualify as a Competent Person as defined in the 2012 Edition of the 'Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves'. Mr Czerw consents to the inclusion in the report of the matters based on his information in the form and context in which it appears.

The information in this announcement that relates to Mineral Resources is based on information compiled under the supervision of Mr Andrew Czerw, an employee of Ora Banda Mining Limited, who is Member of the Australian Institute of Mining and Metallurgy. Mr Czerw has sufficient experience which is relevant to the style of mineralisation and type of deposit under consideration and to the activity which he is undertaking to qualify as a Competent Person as defined in the 2004 and 2012 Edition of the 'Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves'. The Company confirms that it is not aware of any new information or data that materially affects the information included in the original market announcements dated 15 December 2016 and 3 January 2017 and to ASX release "Prospectus" dated 30 April 2019. The Company confirms that the form and context in which the Competent Person's findings are presented have not been modified from the original announcement and, in the case of estimates of Mineral Resources, all material assumptions and technical parameters underpinning the estimates in the initial announcement continue to apply and have not materially changed. This information was prepared and first disclosed under the JORC Code 2004. It has not been updated since to comply with the JORC Code 2012 on the basis that the information has not materially changed since it was last reported.

Unless otherwise stated, all Mineral Resources and Ore Reserves (with the exception of Missouri and Sand King) are reported in accordance with JORC 2004. The relevant information has not been updated since to comply with the JORC Code 2012 on the basis that the information has not materially changed since it was last reported.

The information in this report that relates to Ore Reserves is based on information compiled by Mr Craig Mann, who is an independent mining engineering consultant and a full-time employee of Entech Pty Ltd, and has sufficient relevant experience to advise Ora Banda Mining Limited on matters relating to mine design, mine scheduling, mining methodology and mining costs. Mr Mann is satisfied that the information provided in this statement has been determined to a PFS level of accuracy, based on the data provided by Ora Banda Mining Limited.

IMPORTANT NOTICE

New Zealand

This document has not been registered, filed with or approved by any New Zealand regulatory authority under the Financial Markets Conduct Act 2013 (New Zealand) (the FMC Act). The New Shares are not being offered or sold in New Zealand (or allotted with a view to being offered for sale in New Zealand) other than to a person who (a) is an investment business within the meaning of clause 37 of Schedule 1 of the FMC Act; (b) meets the investment activity criteria specified in clause 38 of Schedule 1 of the FMC Act; (c) is large within the meaning of clause 39 of Schedule 1 of the FMC Act; (d) is a government agency within the meaning of clause 40 of Schedule 1 of the FMC Act; or (e) is an eligible investor within the meaning of clause 41 of Schedule 1 of the FMC Act.

Hong Kong

WARNING: This document has not been, and will not be, registered as a prospectus under the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32) of Hong Kong, nor has it been authorised by the Securities and Futures Commission in Hong Kong pursuant to the Securities and Futures Ordinance (Cap. 571) of the Laws of Hong Kong (the SFO). No action has been taken in Hong Kong to authorise or register this document or to permit the distribution of this document or any documents issued in connection with it. Accordingly, the New Shares have not been and will not be offered or sold in Hong Kong other than to "professional investors" (as defined in the SFO and any rules made under that ordinance).

No advertisement, invitation or document relating to the New Shares has been or will be issued, or has been or will be in the possession of any person for the purpose of issue, in Hong Kong or elsewhere that is directed at, or the contents of which are likely to be accessed or read by, the public of Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to New Shares that are or are intended to be disposed of only to persons outside Hong Kong or only to professional investors. No person allotted New Shares may sell, or offer to sell, such securities in circumstances that amount to an offer to the public in Hong Kong within six months following the date of issue of such securities.

The contents of this document have not been reviewed by any Hong Kong regulatory authority. You are advised to exercise caution in relation to the offer. If you are in doubt about any contents of this document, you should obtain independent professional advice.

Singapore

This document and any other materials relating to the New Shares have not been, and will not be, lodged or registered as a prospectus in Singapore with the Monetary Authority of Singapore. Accordingly, this document and any other document or materials in connection with the offer or sale, or invitation for subscription or purchase, of New Shares, may not be issued, circulated or distributed, nor may the New Shares be offered or sold, or be made the subject of an invitation for subscription or purchase, whether directly or indirectly, to persons in Singapore except pursuant to and in accordance with exemptions in Subdivision (4) Division 1, Part XIII of the SFA, or as otherwise pursuant to, and in accordance with the conditions of any other applicable provisions of the SFA.

This document has been given to you on the basis that you are (i) an existing holder of the Company's shares, (ii) an "institutional investor" (as defined in the SFA) or (iii) an "accredited investor" (as defined in the SFA). In the event that you are not an investor falling within any of the categories set out above, please return this document immediately. You may not forward or circulate this document to any other person in Singapore.

Any offer is not made to you with a view to the New Shares being subsequently offered for sale to any other party. There are on-sale restrictions in Singapore that may be applicable to investors who acquire New Shares. As such, investors are advised to acquaint themselves with the SFA provisions relating to resale restrictions in Singapore and comply accordingly.

United Kingdom

Neither this document nor any other document relating to the offer has been delivered for approval to the Financial Conduct Authority in the United Kingdom and no prospectus (within the meaning of section 85 of the FSMA) has been published or is intended to be published in respect of the New Shares. This document is issued on a confidential basis to "qualified investors" (within the meaning of section 86(7) of the FSMA) in the United Kingdom, and the New Shares may not be offered or sold in the United Kingdom by means of this document, any accompanying letter or any other document, except in circumstances which do not require the publication of a prospectus pursuant to section 86(1) of the FSMA. This document should not be distributed, published or reproduced, in whole or in part, nor may its contents be disclosed by recipients to any other person in the United Kingdom.

Any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received in connection with the issue or sale of the New Shares has only been communicated or caused to be communicated and will only be communicated or caused to be communicated in the United Kingdom in circumstances in which section 21(1) of the FSMA does not apply to the Company.

In the United Kingdom, this document is being distributed only to, and is directed at, persons (i) who have professional experience in matters relating to investments falling within Article 19(5) (investment professionals) of the Financial Services and Markets Act 2000 (Financial Promotions) Order 2005 (FPO), (ii) who fall within the categories of persons referred to in Article 49(2)(a) to (d) (high net worth companies, unincorporated associations, etc.) of the FPO or (iii) to whom it may otherwise be lawfully communicated (together "relevant persons"). The investments to which this document relates are available only to, and offer or agreement to purchase will be engaged in only with, relevant persons. Any person who is not a relevant person should not act or rely on this document or any of its contents.

Canada

This document constitutes an offering of New Shares only in the Provinces and to those persons to whom they may be lawfully distributed in the Provinces, and only by persons permitted to sell such New Shares. This document is not, and under no circumstances is to be construed as, an advertisement or a public offering of securities in the Provinces. This document may only be distributed in the Provinces to persons that are "accredited investors" within the meaning of NI 45-106 – Prospectus Exemptions, of the Canadian Securities Administrators.

No securities commission or similar authority in the Provinces has reviewed or in any way passed upon this document, the merits of the New Shares or the offering of New Shares and any representation to the contrary is an offence.

No prospectus has been, or will be, filed in the Provinces with respect to the offering of New Shares or the resale of such securities. Any person in the Provinces lawfully participating in the offer will not receive the information, legal rights or protections that would be afforded had a prospectus been filed and receipted by the securities regulator in the applicable Province. Furthermore, any resale of the New Shares in the Provinces must be made in accordance with applicable Canadian securities laws which may require resales to be made in accordance with exemptions from dealer registration and prospectus requirements. These resale restrictions may in some circumstances apply to resales of the New Shares outside Canada and, as a result, Canadian purchasers should seek legal advice prior to any resale of the New Shares.

The Company as well as its directors and officers may be located outside Canada and, as a result, it may not be possible for purchasers to effect service of process within Canada upon the Company or its directors or officers. All or a substantial portion of the assets of the Company and such persons may be located outside Canada and, as a result, it may not be possible to satisfy a judgment against the Company or such persons in Canada or to enforce a judgment obtained in Canadian courts against the Company or such persons outside Canada.

Any financial information contained in this document has been prepared in accordance with Australian Accounting Standards and also comply with International Financial Reporting Standards and interpretations issued by the International Accounting Standards Board.

UNLOCKING VALUE IN A DISTRICT SCALE PROJECT

- The Davyhurst Gold Project is a “District Scale” project
 - 1,336km² of highly prospective greenstone belt covering 200 strike km
- Significant infrastructure in place enables rapid and low cost path to production
- Robust Resource inventory of **23.8Mt @ 2.6 g/t for 2 Moz Au** continues to grow
 - Infill drill out substantially increasing high confidence Indicated Resource base
 - Regional exploration program testing a number of advanced high grade prospects
- Mining Reserve base of **2.8Mt @ 2.3 g/t for 213,000 oz Au** building
- Definitive Feasibility Study imminent (targeting Q3 - CY2020)
 - DFS will underpin project development with “capital light” production restart
- Targeting commencement of production in Q1 - CY2021
 - 5+ year mine life 90-100kozpa

Key Milestones Achieved Post Re-Listing

Capital Cost Estimate Reduced

- Updated capital cost estimate to recommission processing plant
 - Estimated cost of \$8.52m inclusive of contingency

Resource Upgrade at Riverina

- 11,336m RC and diamond drilling program completed at Riverina
 - Riverina resource increased by 36% to **3.8Mt @ 2.3g/t Au for 278koz Au** (64% in measured and indicated category)

Resource Upgrade at Waihi

- 9,959m RC and diamond drilling program completed at Waihi
 - Waihi resource increased by 190% to **2.46Mt @ 2.6g/t Au for 206koz Au** (82% in indicated category)

Reserve Upgrade at Siberia

- Optimisation of Siberia Open Pit Mining Reserves
 - Delivered 42% lift in mining reserves to **2.8Mt @ 2.3g/t for 210koz Au**

High grade mineralisation at Callion

- 7,650m RC and diamond drilling program completed at Callion
 - Significant results included 10M @ 8g/t Au and 4.8m @ 34.4g/t Au

Forward Work Program – The Path to Production in 2020

- Feasibility Study**
- Targeting completion - early 2H 2020

- Exploration**
- Ongoing exploration program
 - Targeted resource and reserve extensions
 - Testing numerous priority greenfield targets

- Project Finance**
- Targeting completion - Q3 2020

- Process Plant**
- Targeting completion – Q4 2020
 - Remedial work program Q3 & Q4
 - Commence recommissioning end Q4

- Production**
- Targeting commencement - Q1 2021

1 RIVERINA – A PRIORITY DEVELOPMENT TARGET

Open pit and high grade underground potential

- Resource **3.8 Mt @ 2.3 g/t for 278 koz¹**
- Planned drilling program on schedule (11,336 m complete)
- Considerable scope to grow resource and reserve base
 - three primary lodes open at depth
 - northern and southern strike extensions open
 - eastern “Durham” lode untested
- Significant intersections include:
 - 6.0m @ 13.4 g/t from 65m including 4.0m @ 19.5 g/t (Murchison)
 - 4.0m @ 11.8g/t from 105m including 2.0m @ 19.6g/t(Murchison)

¹ Refer to ASX announcement dated 2 December 2019 for further information and for further drilling details refer to the Company's website; Project Overview www.orabandamining.com.au.

2 WAIHI – A PRIORITY DEVELOPMENT TARGET

Open pit and high-grade underground potential (3km from plant)

- Resource **2.5 Mt @ 2.6 g/t** for 206 koz¹
- Planned drilling program on schedule (9,959 m complete)
- Considerable scope to grow resource and reserve base

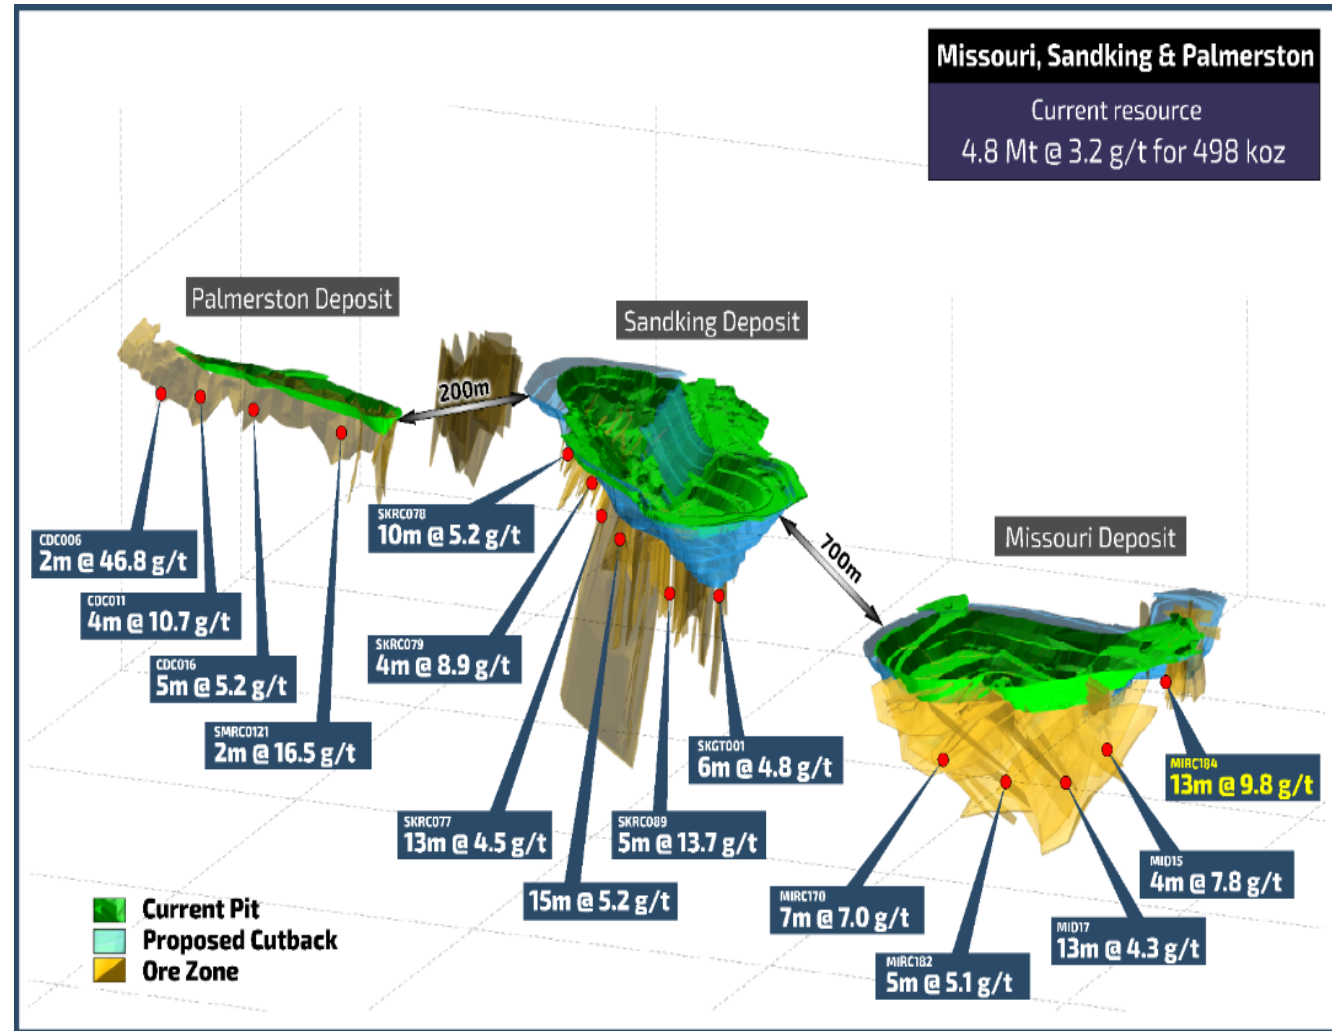

¹ Refer to ASX announcement dated 4 February 2020 and for further drilling details refer to the Company's website; Project Overview www.orabandamining.com.au.

3 SIBERIA – A PRIORITY DEVELOPMENT TARGET

Sand King & Missouri - open pit opportunities

- Resource **4.8 Mt @ 3.2 g/t for 498 koz¹**
- Reserve **2.8 Mt @ 2.3 g/t for 210 koz²**
- Located only 37 km from Davyhurst Plant
- Considerable scope to grow resource and reserve base
 - two primary pits open at depth
 - northern and southern strike extensions open
 - high grades in Palmerston area not followed up
- Strong underground potential remains below pits

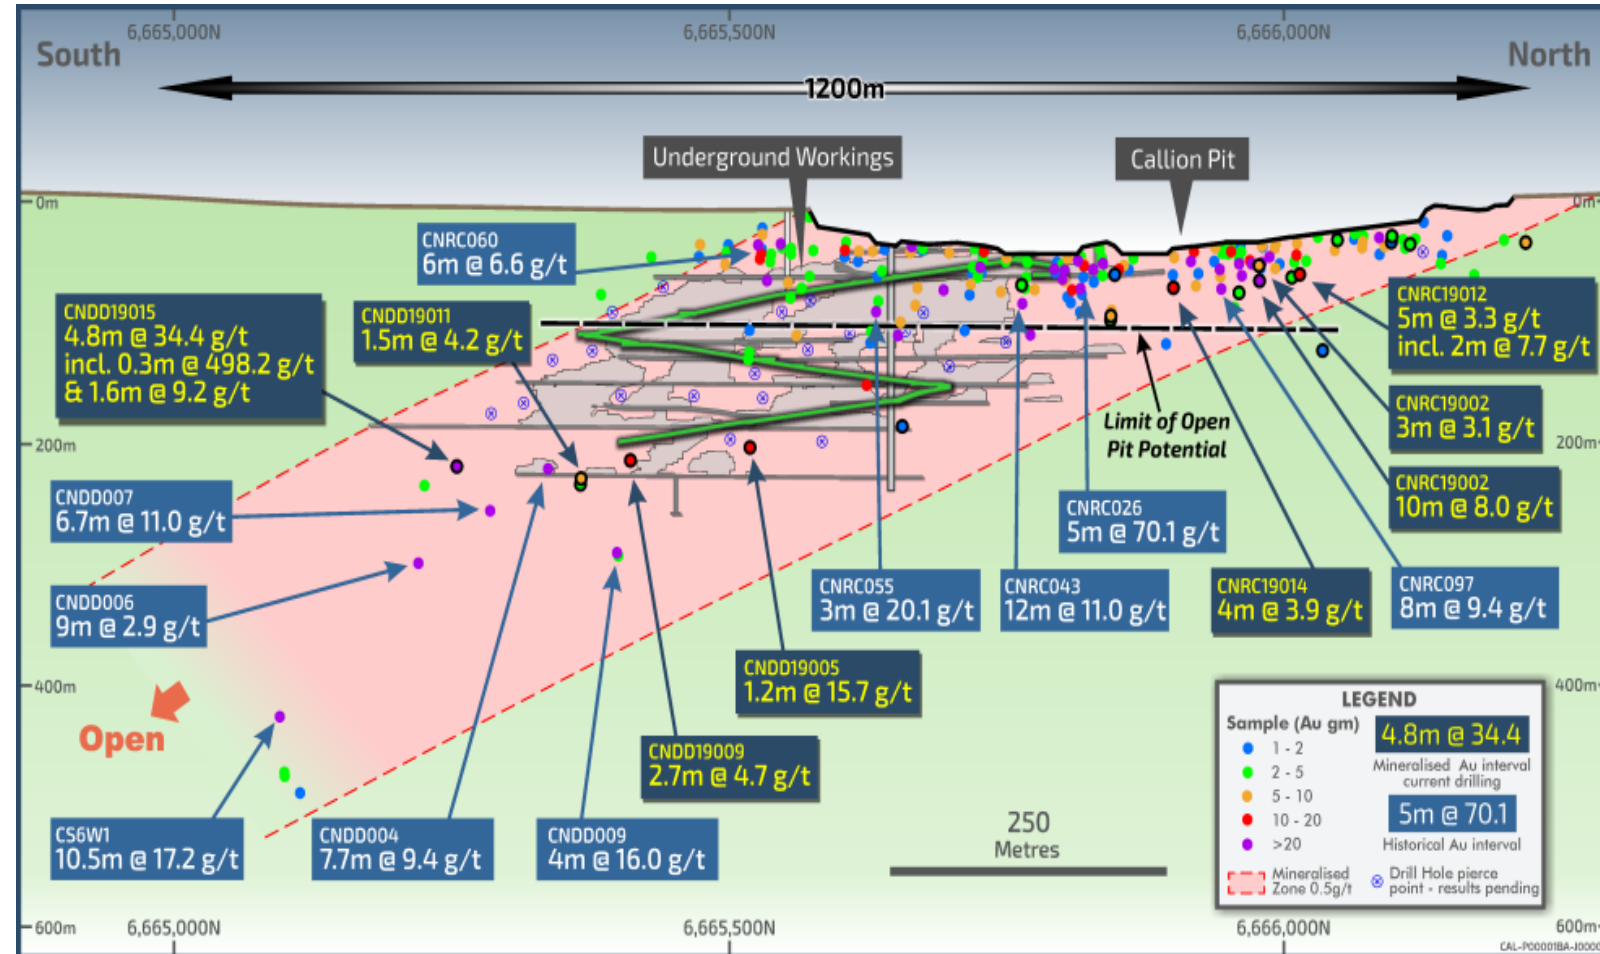

1 Refer to ASX announcements dated 15 December 2016 and 3 January 2017 and ASX release "Prospectus" dated 30 April 2019 for classified Mineral Resources reported in accordance with the JORC Code.

2 Refer to ASX announcement dated 30 October 2019. The above statement may contain rounding adjustments. For further drilling details refer to the Company's website; Project Overview www.orabandamining.com.au.

4 CALLION – A PRIORITY DEVELOPMENT TARGET

Prospective open pit & high-grade underground mining opportunity (14km from Davyhurst plant)

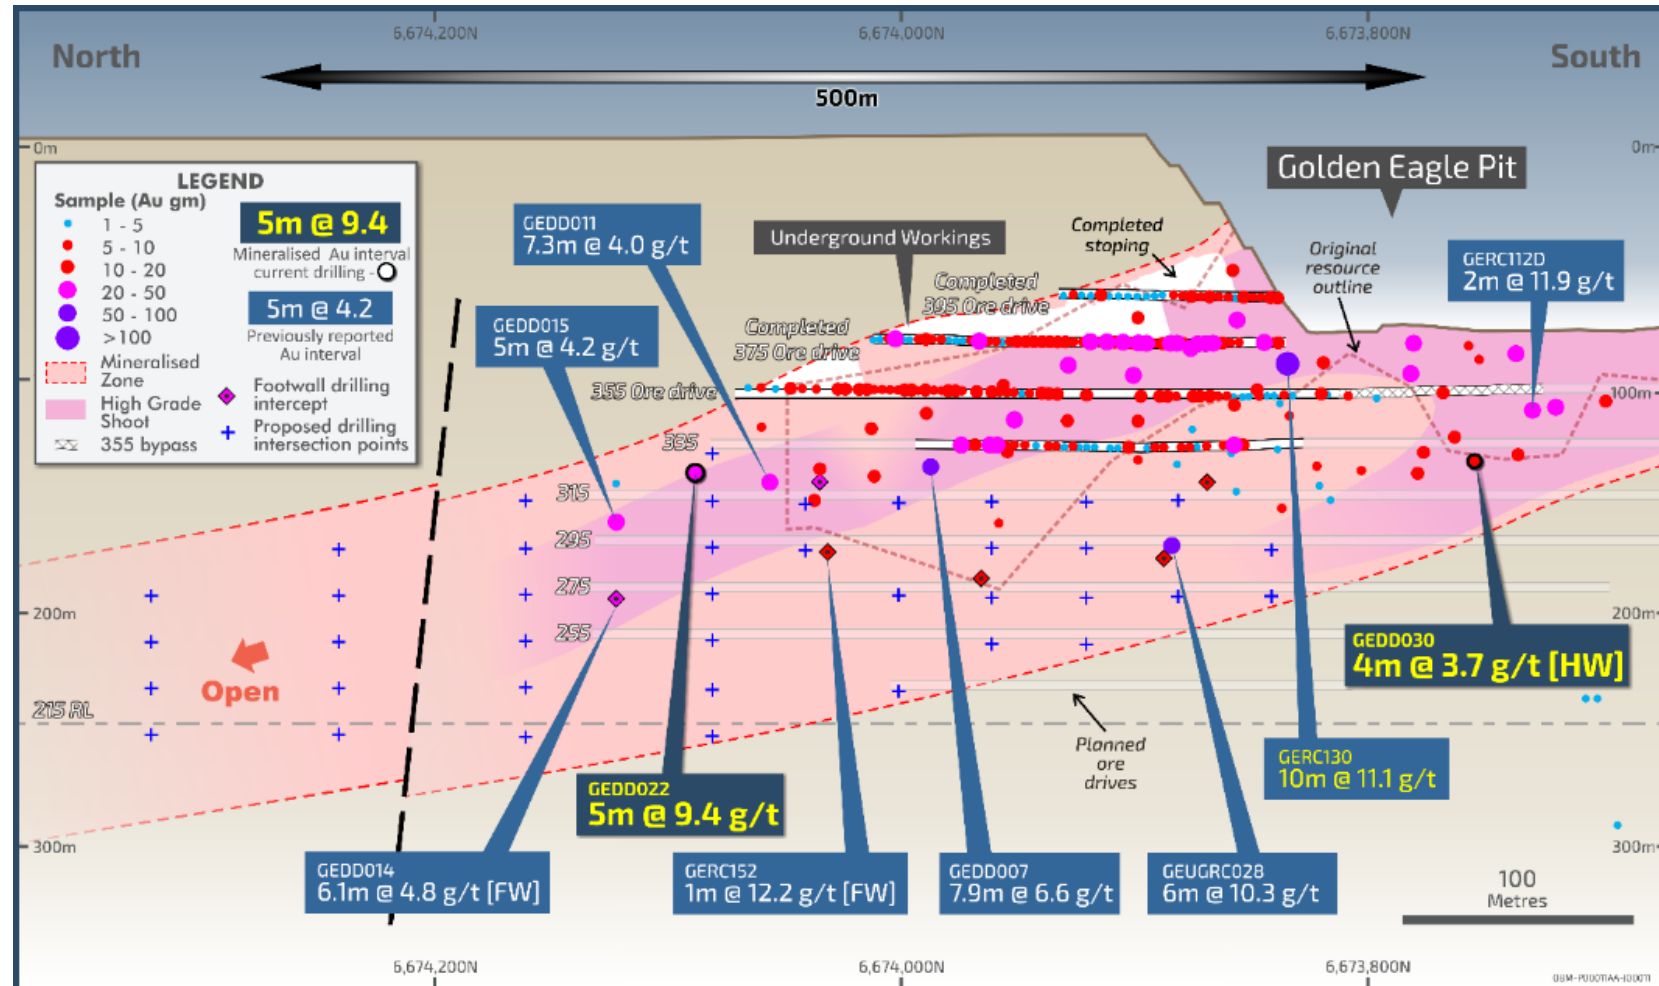

- Resource **2.5 Mt @ 2.6 g/t for 206 koz¹**
- Phase 1 drilling complete
- Focus on upgrading:
 - open pit resource and reserve
 - high grade underground zones
- Significant results include:
 - 10 m @ 8.0 g/t from 76 m
 - 4.8 m @ 34.4 g/t from 232 m
- Surface expression traced in outcrop over 1.2 km strike
- Deepest hole 200 m below bottom of existing workings

¹ Refer to ASX announcements dated 28 January 2020 for further information and for further drilling details refer OBM website at www.orabandamining.com.au

Underground mine developed to 150m vertical depth (2 km from Davyhurst Plant).

- Resource **0.7 Mt @ 2.5 g/t for 54 koz¹**
- Substantial development complete
- High grade underground mine
- Deepest hole Central - 6.0m @ 10.3g/t
- Drilling targeting JORC 2012 Resource and maiden underground Reserve

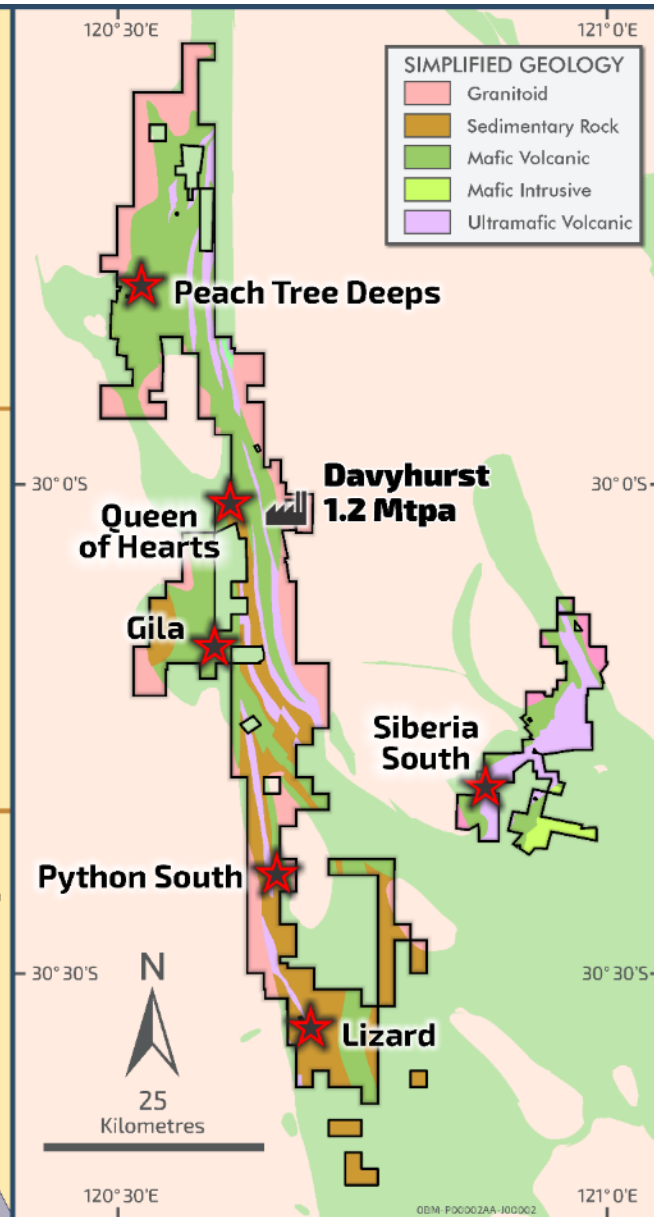

¹ Refer to ASX announcements dated 15 December 2016, 3 January 2017 and 29 May 2018 and for further drilling details refer OBM website at www.orabandamining.com.au

EXPLORATION PIPELINE

HIGHLY PROSPECTIVE EXPLORATION PORTFOLIO

Exploration

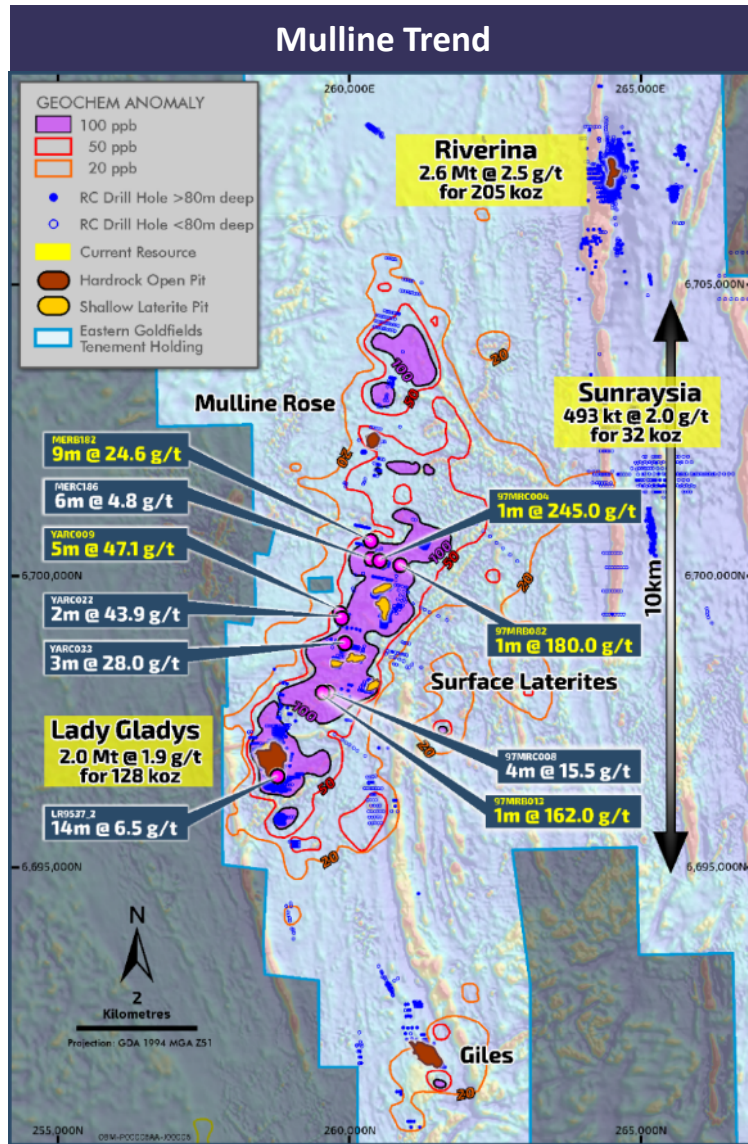

Large landholding covering 1,336km² and many kms of prospective strike

Tenement consolidation occurred in 2007, but no coherent exploration effort undertaken yet

Of the 48,000 holes in the database, fewer than 600 are drilled deeper than 200m

High priority targets include well-defined but poorly-tested prospect-scale gold occurrences

HIGH ORDER TARGETS NOT FOLLOWED UP!

- Well defined but poorly tested advanced prospect scale gold mineralisation
- 10 km long coherent 100ppb geochemical soil anomaly
- Limited exploration drilling has produced compelling results
- Historical Open Pit mines include Lady Gladys, Mulline Rose and numerous surface laterite pits

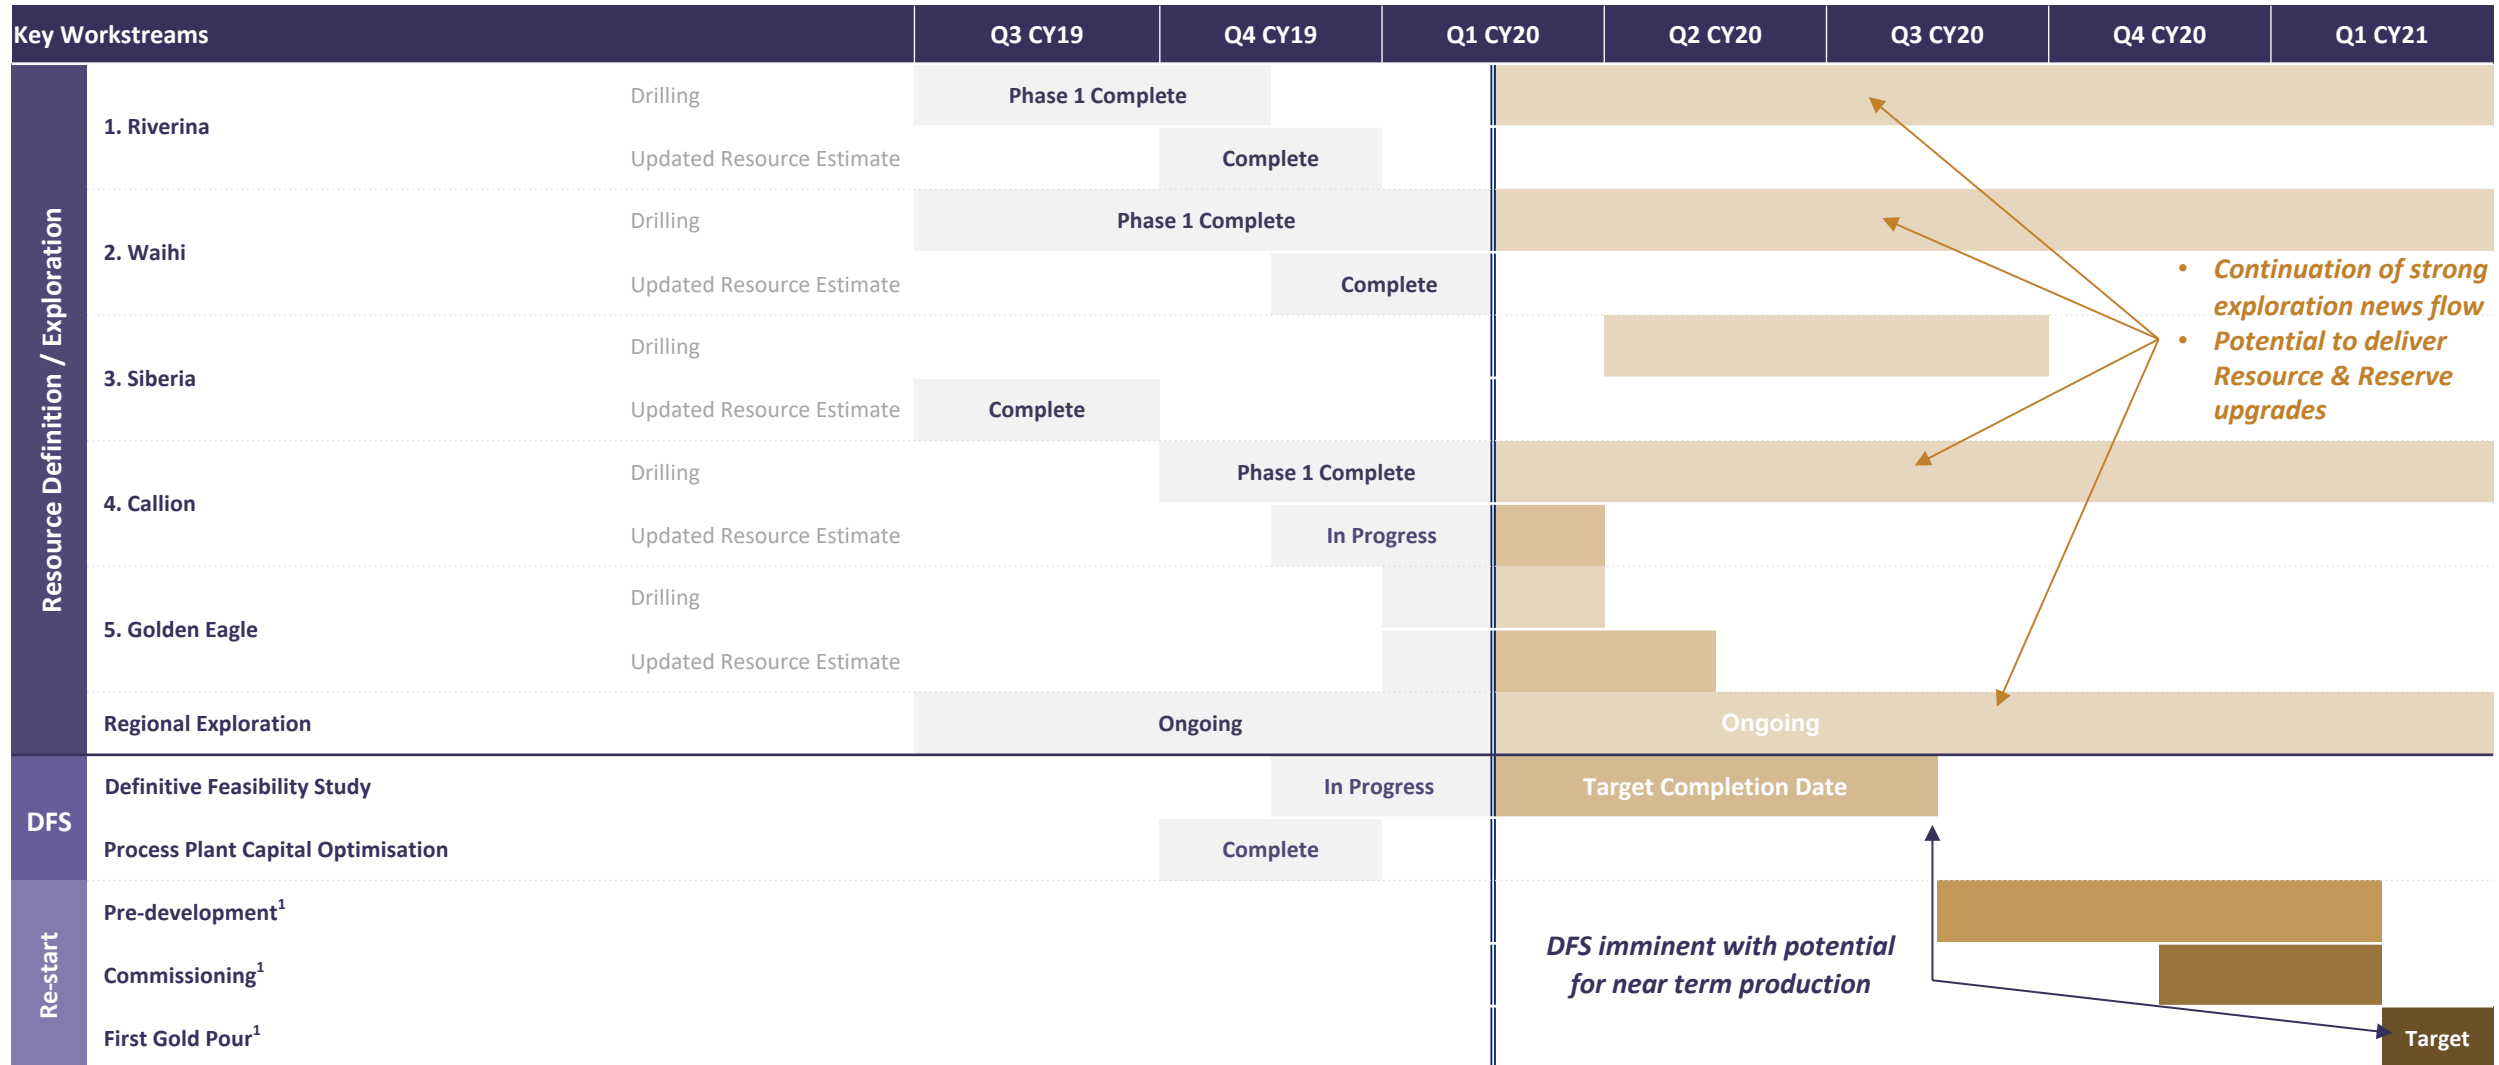

- Well defined but poorly tested mineralised trend
- Some wide space drilling on 400m line spacing
- Historical Open Pit mining includes Iguana and Lizard
- No broad scale exploration undertaken

For further drilling details refer to OBM website at www.orabandmining.com.au

1. Refer to ASX announcements dated 15 December 2016 and 3 January 2017 and ASX release "Prospectus" dated 30 April 2019 for classified Mineral Resources reported in accordance with the JORC Code.
