Extension of Voluntary Suspension

Vulcan Energy Resources Limited (ASX:VUL) ("**Vulcan**" or "**the Company**") requests a further extension of the voluntary suspension of all the quoted securities of the Company effective from the commencement of trading on Wednesday, 19 February 2020, pending an announcement regarding the results of the scoping study at Vulcan's Zero Carbon Lithium™ Project.

The Company requests the voluntary suspension remain in place until the Company makes an announcement to the market, which it expects to make by Thursday, 20 February 2020.

Authorised by the Board,

Mauro Piccini
Company Secretary

Highlights

Large, lithium-rich geothermal brine field, in the Upper Rhine Valley of Germany.

Europe's **largest** JORC-compliant lithium resource.

Aiming to be the world's first **Zero Carbon Lithium™** producer.

Strategically located at the heart of the EU auto & Li-ion battery industry.

Access agreement in place with German geothermal operator at a **producing plant**

Fast-track development of project under way, targeting production of **lithium hydroxide by 2023**.
