*Winchester Energy Limited (Winchester or Company), regrets to advise that founding Chairman Mr Peter Allchurch passed away on Saturday 22 February 2020, following a long battle with cancer.*

*Peter was a vital part of Winchester from the Company's inception and was instrumental in securing funding, establishing key acreage positions and initiating operations.*

*He served as Chairman from 2014 through to late 2017, when he retired from that position to fight his illness.*

*Peter was a geologist who started a number of successful mining and oil and gas companies with operations that spanned the globe. He is considered an icon by many of us.*

*Winchester Energy extends its condolences to his family and friends.*
