

PLACEMENT FINALISED

HIGHLIGHTS

- **Gladiator Resources Limited (Company) finalises \$250,000 placement.**

Gladiator Resources Ltd. (Company) is pleased to announce that it has today received the remaining \$15,000 in funds as part of a \$250,000 placement which was initially announced on 26 February 2020 and will issue a further 18,750,000 fully paid ordinary together with one attaching option per share exercisable at \$0.0015 within 3 years (subject to shareholder approval) utilizing its 15% Capacity under Rule 7.1.

As previously announced on 26 February 2020 Gladiator Resources Ltd (Company) completed a placement to raise \$235,000 utilizing the Company's pre-approved capacity granted on 27 November 2019 necessitating shares be issued within 3 months, that is by 27 February 2020.

Funds received today finalize the placement and as noted above bring total funds raised to \$250,000, which will be used to progress the Company's three gold projects, the High Gate Vanadium Project (subject to shareholder approval) and for general working capital.

An Appendix 3B will be lodged upon the issue of the Shares subject to the placement.
