Omni Bridgeway Limited (**Omni Bridgeway**) confirms the completion of an European recovery mandate and anticipates receiving total income of approximately US\$13 million over a two year period pursuant to the settlement payment terms.

The income will be divided between Fund 6 and Omni Bridgeway upon receipt pursuant to their respective entitlements. The investment was commenced prior to the establishment of Fund 6 and was consequently partially funded by Omni Bridgeway and thereafter funded by Fund 6. The allocation terms for this investment ensure that Omni Bridgeway and Fund 6 receive an equal IRR on their respective funded portions.

In addition to the portion of the income payable directly to Omni Bridgeway, it is also entitled to receive from the income payable to Fund 6, performance fees and an equity distribution in accordance with the Fund 6 distribution waterfall¹.

The amounts to be received by Omni Bridgeway from this investment are subject to the compliance of the parties to the settlement payment terms and to the impact of foreign exchange rates. It is therefore not practicable at this time to provide an estimate of the division of the income between Omni Bridgeway and Fund 6.
