Veris COVID-19 Update

Veris provides an update on the proactive actions we are taking to manage the impact of COVID-19 on our business in these unprecedented economic times.

First and foremost, looking after the health and safety of our staff, clients, and the broader community is the priority of management and the Board. Veris is taking steps to meet these priorities, in addition to necessary business continuity measures to ensure it is well-positioned to navigate the current uncertainty as a result of the COVID-19 pandemic.

Workforce and remuneration cost reductions

- The Board has agreed to reduce directors' fees by 50% until further notice.
- The Executive and Leadership Team have agreed to a 25% reduction in remuneration, and to move to further part-time roles as required to help contain costs.
- The Shared Services and Leadership Team within the regions have agreed to a 20% reduction in remuneration and to move to further part-time roles as required to help contain costs.

Business continuity and contingency planning

- Veris is committed in its response to COVID-19 pandemic and will take additional measures as required to ensure continuity of the business.
- We are in positive discussions with our lenders and continue to closely monitor cash flow and working capital to ensure we have sufficient liquidity and covenant compliance.
- We have established a Business Resilience Team which is meeting frequently to assess the changing business conditions and determine the right actions to address business priorities.
- Beyond the short-term impact of COVID-19 Veris has a solid foundation of work and a strong project pipeline.

Health and Safety measures

- Continued communications to all staff to protect themselves and others by practicing good hygiene, social distancing, self-isolation, and instructing them to seek medical attention and testing as required.
- Implementation of effective working from home arrangements with a stabilised and effective ICT environment.
- Staff rotations and shifts to minimise any potential spread of the virus.
- Provision of additional hand sanitisers and PPE as required, and additional cleaning of all offices and shared surfaces.
