8.8 If Item 8.7 is less than 2 quarters, please provide answers to the following questions:

1. Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?

Answer: No, the Company is cutting costs across the board including reduced staff headcount as well as corporate costs. In addition, all projects are under review and presently on a care and maintenance basis.

2. Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?

Answer: Yes, the Board is talking to its major shareholders as well as third parties who are interested to provide funding through a combination of equity and debt structure.

3. Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer: Yes, the Company expects to be able to continue its operations and meet its business objectives on the basis that it will be able to raise further cash as indicated in (2) above. The Company also notes that it has substantially reduced its corporate overhead costs.
