1. Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?

Answer:

Yes.

With the liquidation of the Growers Scheme, the receipts (including the opening cash balances) and expenditures relating to the Plantation are managed by the liquidator. There will be no cash required by the Liquidator till the Plantation is sold.

2. Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?

Answer:

SPL's working capital is financed from the secured loan facility from 3F Asset Management.

The Growers Scheme is managed by the liquidator and there will be no cash required till the Plantation is sold.

3. Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer:

With the plantation being in the process of being sold, the proportion of sales proceeds accruing to SPL will determine the future direction of the Group.

This will enable SPL to continue its operations, albeit in new directions. Some proposals are currently being evaluated.
