Correction to DX PFS

This is a correction to the announcement 'Dougou Extension (DX) Project Pre-Feasibility Study' ("DX PFS") made on 13 May 2020. It corrects Appendix A Figure 18: DX Project Cash Flow Forecast (real Q4 2019).

Further to the publication of the DX PFS on 13 May 2020, the Company seeks to correct an error contained in a Figure published via the Australian Stock Exchange.

Figure 18: DX Project Cash Flow Forecast (real Q4 2019), showed an incorrect revenue profile based on a fixed selling price, whereas the correct information is a price profile based on a forecast selling price over time. The corrected Figure 18 is shown below and will be corrected in the Dougou Extension (DX) Project Pre-Feasibility document on the Company website. The remainder of the information in the announcement is correctly portrayed.
