ANNOUNCEMENT TO THE TORONTO STOCK EXCHANGE AND AUSTRALIAN STOCK EXCHANGE

22 MAY 2020

HIGHLIGHTS

- **US\$6 million to be raised via institutional share placement**
- **Placement strongly supported by a number of leading Australian and international institutional investors**
- **Placement strengthens RTG's balance sheet as the Company continues to progress the Mabilo project together with other business development opportunities**

The Board of RTG Mining Inc. ("**RTG**", the "**Company**") (TSX Code: **RTG**, ASX Code: **RTG**) is pleased to announce that the Company has received commitments to raise approximately US\$6 million (circa A\$9.2 million) in a private placement to Australian and international institutional and sophisticated investors ("**Private Placement**").

Hartleys Limited, together with INTE Securities LLC and M2-Advisors (the "**US Placement Agent**"), acted as Joint Lead Managers to the Private Placement.

The Private Placement received strong institutional support, demonstrating the considerable interest in RTG's interest in the high grade copper/gold/magnetite Mabilo Project in the Philippines and the Company's other potential opportunities.

The Private Placement will result in the issue of approximately 162 million Chess Depository Instruments ("**Securities**") to be listed on the ASX at an issue price of A\$0.057 per Security, representing only a 1.7% discount to RTG's last closing price on the ASX of A\$0.058.

Net proceeds of the Private Placement will be used:

- to work towards finalizing the Mining Licence permitting on the Mabilo Project whilst the Company awaits the handing down of a decision on the Arbitration in Singapore;
- to continue to support the advancement of the Mabilo Project towards start-up, the first phase being a Direct Shipping Operation;
- to continue to pursue new potential business development opportunities;
- for partial repayment of the Corporate Loan Facility; and

- for working capital and general corporate purposes.

Placement Details

The Private Placement consists of 162 million new Securities to be issued at an issue price of A\$0.057 per Security (“**Issue Price**”) to raise total funds of circa US\$6 million. The Securities will be issued in two tranches as below:

- Tranche 1 – Comprising 60,128,550 Securities at the Issue Price to raise approximately US\$2.2 million, to be issued on or around Friday, 29 May 2020, pursuant to ASX Listing Rule 7.1; and
- Tranche 2 – Comprising 102,422,120 Securities at the Issue Price to raise a further approximately US\$3.8 million, to be issued subject to shareholder approval at a meeting of shareholders expected to be held in July 2020.

The Private Placement will be conducted under exemptions from prospectus and registration requirements of securities laws in relevant countries. The Private Placement is subject to approval of TSX. A Notice of Meeting to approve Tranche 2 will be sent to shareholders in due course.

In accordance with ASX Listing Rule 10.11, 4,112,080 Securities will be issued to related parties subject to shareholder approval at the General Meeting.

Subject to shareholder approval at the General Meeting, the US Placement Agent will be issued 6,806,612 unlisted advisor options equivalent to 5% of the gross proceeds of the Private Placement to US clients, exercisable at A\$0.057 with a five year expiry from date of issue. Each unlisted option is convertible into one CDI.

No agreements or arrangements (binding or otherwise) as to key terms have been reached with respect to any potential opportunity, other than as previously disclosed. At this stage there are no new business opportunities available to the Company that are considered sufficiently progressed to be considered material to RTG.
