**ASX Announcement**  
**(ASX:ERG)**

**Acquisition of JB's Purified Drinking Water**

Eneco Refresh Limited (Eneco) is pleased to announce the acquisition of JB's Purified Drinking Water (JB's) by its wholly-owned subsidiary Refresh Waters Pty Ltd (Refresh). The purchase is paid out of our cash resources. There is no condition that needs to be satisfied on the acquisition.

JB's was started by Mr John Bell in Melbourne in October 1998. It delivers pure water in 15-litre containers to businesses and residences. Its customers are within the same area as that serviced by Refresh in Melbourne.

Mr Bell said, "After running this business for more than 21 years, I was looking to retire. I wanted to have a good company continue the business. I am glad to hand the baton over to Refresh."

Refresh started its first factory in Perth in August 1997. It now has 7 bottled water factories in 5 states/territory - Perth, Sydney, Melbourne, Brisbane, Toowoomba, Kalgoorlie and Darwin. Besides Neverfail owned by Coca-Cola Amatil, Refresh is the only other company in the home and office delivery segment of the bottled water market that has multiple locations.

Refresh will integrate the JB's business into its existing Melbourne factory, which commenced operations in March 2005. The acquisition of JB's is both cash flow and profit accretive and that will contribute to Refresh's revenue and profit. It will also increase customer density in Melbourne thereby reducing distribution cost.

"Eneco is always looking for opportunities to accelerate growth and increase shareholder value. We will continue to search for opportunities like this." Said Eneco Chairman Henry Heng.
