EXPLANATORY MEMORANDUM

1. Introduction

This Explanatory Memorandum has been prepared for the information of Shareholders in connection with the business to be conducted at the Meeting to be held at 945 Wellington Street, West Perth on 30 June 2020 at 10am (WST).

This Explanatory Memorandum should be read in conjunction with, and forms part of, the accompanying Notice. The purpose of this Explanatory Memorandum is to provide information to Shareholders in deciding whether or not to pass the Resolutions set out in the Notice.

A Proxy Form is located at the end of the Explanatory Memorandum.

2. Action to be taken by Shareholders

Shareholders should read the Notice and this Explanatory Memorandum carefully before deciding how to vote on the Resolutions.

2.1 Proxies

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgment of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

- (a) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a member of the Company; and
- (c) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

2.2 Voting Prohibition by Proxy Holders

In accordance with section 250BD of the Corporations Act, a person appointed as a proxy must not vote on the basis of that appointment on Resolution 6 and 7 if:

- (a) the person is either:
 - (i) a member of the Key Management Personnel of the Company; or
 - (ii) a Closely Related Party of such a member, and
- (b) the appointment does not specify the way the proxy is to vote on the Resolution.

However, the prohibition does not apply if:

- (c) the proxy is the Chair of the Meeting; and
- (d) the appointment expressly authorises the Chair of the Meeting to exercise the proxy even if the Resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel of the Company.

3. Resolutions 1 and 2 – Ratification of Tranche 1 Placement Shares

3.1 General

On 29 April 2020 and 6 May 2020, the Company announced it had received commitments for a placement of 84,333,335 Shares each at an issue price of \$0.12, to raise \$10.12 million before costs (**Placement**), with the Company's Chairman, Mr Peter Pawlowitsch agreeing to subscribe for \$500,000 worth of Shares under the Placement subject to Shareholder approval. The Shares are being issued in two tranches

- (a) 53,500,002 Shares were issued on 6 May 2020 (**Tranche 1 Placement Shares**) with 29,594,362 Shares issued within the Company's 15% annual limit permitted under Listing Rule 7.1, without the need for Shareholder approval (**LR 7.1 Tranche 1 Placement Shares**) and 23,905,640 Shares issued within the Company's 10% annual limit permitted under Listing Rule 7.1A, without the need for Shareholder approval (**LR 7.1A Tranche 1 Placement Shares**); and
- (b) 30,833,333 Shares (**Tranche 2 Placement Shares**) are proposed to be issued following Shareholder approval of Resolutions 3 and 4.

The funds raised from the Placement will be used to invest in product and business development activities focused on serving US school districts and their parent communities including

- growing its sales and business development team in the US to create additional leads and increase sales as well as engaging with and educating schools and parents about cyber safety;
- Increased investment in R&D activities to improve customer experience, enhance service offerings as well as the introduction of complementary product offerings such as AI and wellbeing products to differentiate Family Zone in the US market. Whilst this R&D investment will be utilised worldwide, it is expected to be rolled out initially in the US and focused on US market drivers; and
- Increasing customer service support in the US to manage the Company's growing customer base and to support the Family Zone brand.

Listing Rule 7.1 provides that a company must not (subject to specified exceptions), without the approval of shareholders, issue or agree to issue during any 12 month period any equity securities, or other securities with rights to conversion to equity, if the number of those securities exceeds 15% of the number of ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.1A enables eligible entities to issue equity securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting at which shareholders approve the 10% placement facility. The 10% placement facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

Listing Rule 7.2 set out various types of equity issues that are excluded from the operation of Listing Rule 7.1 and 7.1A. The issue of the Tranche 1 Placement Shares does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Tranche 1 Placement Shares and part of the 10% limit in Listing Rule 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A for the balance of the 12 months from the date of the Company's 2019 Annual General Meeting.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made (pursuant to Listing Rule 7.1 or the additional 10% capacity under Listing Rule 7.1A). If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 1 seeks Shareholder ratification of the issue of the LR 7.1 Tranche 1 Placement Shares (which were issued pursuant to the Company's 15% capacity under Listing Rule 7.1) under and for the purposes of Listing Rule 7.4. Resolution 2 seeks Shareholder ratification of the issue of the LR 7.1A Tranche 1 Placement Shares (which were issued pursuant to the Company's additional 10% capacity under Listing Rule 7.1A) under and for the purposes of Listing Rule 7.4.

If Resolution 1 is passed, the issue of the LR 7.1 Tranche 1 Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the date of issue of the Tranche 1 Placement Shares.

If Resolution 1 is not passed, the issue of the LR 7.1 Tranche 1 Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the date of issue of the Tranche 1 Placement Shares.

If Resolution 2 is passed, the issue of the LR 7.1A Tranche 1 Placement Shares will be excluded in calculating the Company's additional 10% placement capacity under Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without Shareholder approval during the balance of the 12 months from the date of the Company's 2019 Annual General Meeting.

If Resolution 2 is not passed, the issue of the LR 7.1A Tranche 1 Placement Shares will be included in calculating the Company's additional 10% placement capacity under Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without Shareholder approval during the balance of the 12 months from the date of the Company's 2019 Annual General Meeting.

3.2 Information required by Listing Rule 7.5

The following information is provided for the purposes of Listing Rule 7.5:

- (a) On 6 May 2020, 53,500,002 Shares were issued pursuant to the first tranche of the Placement, with:
 - (i) 29,594,362 Tranche 1 Placement Shares issued using the Company's capacity under Listing Rule 7.1; and
 - (ii) 23,905,640 Tranche 1 Placement Shares issued using the Company's capacity under Listing Rule 7.1A.
- (b) The Tranche 1 Placement Shares were issued to the following persons:
 - (i) existing clients of the lead manager to the Placement, Bell Potter Securities Limited, comprising various professional, sophisticated and institutional investors including Regal Funds Management Pty Limited (which became a substantial Shareholder), none of whom are a related party of the Company; and
 - (ii) various new and existing investors comprising professional, sophisticated and institutional investors who were introduced by the Company, none of whom are a related party of the Company.

(the Tranche 1 Placement Participants)

When selecting and determining the allocation of the Tranche 1 Placement Shares, the Company and Bell Potter considered the size of the proposed investment, whether they were existing and/or strategic investors and previous support of capital raisings undertaken by the Company.

- (c) The Tranche 1 Placement Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.
- (d) The Tranche 1 Placement Shares were issued at \$0.12 each.
- (e) The issue of the Tranche 1 Placement Shares raised \$6.43 million (before costs). The funds raised from the issue of the Tranche 1 Placement Shares will be used to invest in product and business development activities focused on serving US school districts and their parent communities as outlined further in Section 3.1 above.
- (f) A voting exclusion statement is included in the Notice.

4. Resolution 3 – Approval to issue Tranche 2 Placement Shares

4.1 General

As set out in Section 3.1, the Company received commitments for a two tranche placement to raise \$10.12 million through the issue of 84,333,335 Shares each at an issue price of \$0.12 each. The Tranche 1 Placement Shares were issued on 6 May 2020, with the Tranche 2 Placement Shares to be issued subject to Shareholder approval.

The Tranche 2 Placement Shares (comprising 30,833,333 Shares) will be issued at an issue price of \$0.12 each (being the same issue price as the Tranche 1 Placement Shares) to raise an additional \$3.7 million (before costs) under the Placement.

The Company's Non-executive Chairman, Mr Peter Pawlowitsch has subscribed for 4,166,666 Tranche 2 Placement Shares subject to Shareholder approval under Resolution 4 (Refer to Section 5 below).

The funds raised from the issue of the Tranche 2 Placement Shares will aggregated with the proceeds from the issue of the Tranche 1 Placement Shares and be used to invest in product and business development activities focused on serving US school districts and their parent communities.

A summary of Listing Rule 7.1 is provided in Section 3.2

Listing Rule 7.2 sets out various types of equity issues that are excluded from the operation of Listing Rule 7.1 and 7.1A. The issue of the Tranche 2 Placement Shares does not fall within any of the exceptions to Listing Rule 7.1 and exceeds the 15% limit in Listing Rule 7.1. It therefore requires Shareholder approval under Listing Rule 7.1.

Resolution 3 seeks the required Shareholder approval to the issue of the Tranche 2 Placement Shares under and for the purposes of Listing Rule 7.1.

If Resolution 3 is passed, the Company will be able to proceed with the issue of the Tranche 2 Placement Shares and will raise up to \$3.7 million to be used to invest in product and business development activities focused on serving US school districts and their parent communities. In addition the issue of the Tranche 2 Placement Shares will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed the Company will not be able proceed with issue the Tranche 2 Placement Shares and will therefore raise the \$3.7 million under the second tranche of the Placement which will result in a scale back of the product and business development activities planned in the US education market.

Resolution 3 is an ordinary resolution.

4.2 Information required by Listing Rule 7.3

The following information is provided for the purposes of Listing Rule 7.3:

- (a) The maximum number of Shares the Company may issue under Resolution 3 is 30,833,333.
- (b) The Tranche 2 Placement Shares are intended to be issued as soon as possible after receiving Shareholder approval and will be issued no later than three months after

the date of the Meeting (or such later date to the extent permitted by an ASX waiver or modification of the Listing Rules). It is expected the Tranche 2 Placement Shares will be issued on the one date.

- (c) Other than as contemplated by Resolution 4 (refer to Section 5 below) the Tranche 2 Placement Shares will be issued to Samurai Ventures LLC or their nominee (a US based strategic investor) and Regal Funds Management Pty Ltd (a substantial Shareholder in the Company) neither of whom are a related party of the Company
- (d) The Tranche 2 Placement Shares will be fully paid ordinary shares in the capital of the Company and will rank equally in all respects with the Company's existing Shares on issue.
- (e) The Tranche 2 Placement Shares will each be issued at \$0.12 and will raise \$3.7 million (before costs).
- (f) The funds raised from the issue of the Tranche 2 Placement Shares will be used to invest in product and business development activities focused on serving US school districts and their parent communities as outlined further in Section 3.1 above.
- (g) A voting exclusion statement is included in the Notice.

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- (a) a related party
- (b) a person who is, or was at any time in the six months prior to the issue or agreement, a substantial (30%+) holder in the company;
- (c) a person who is, or was at any time in the six months prior to the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them the right or expectation to do so;
- (d) an associate of a person referred to in paragraphs (a) to (c) above; or
- (e) a person whose relationship with the company or a person referred to in a Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of the Director Placement Shares to Peter Pawlowitsch falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires Shareholder approval under Listing Rule 10.11.

Resolution 4 seeks the required Shareholder approval to the issue of the Director Placement Shares under and for the purposes of Listing Rule 10.11.

If Resolution 4 is passed, Peter Pawlowitsch will subscribe for the Director Placement Shares, and the Company will issue the Director Placement Shares to Peter Pawlowitsch or his nominee, pursuant to the Placement.

If Resolution 4 is not passed, Peter Pawlowitsch will not participate in the Placement and the Company will not issue the Director Placement Shares to Peter Pawlowitsch.

Resolution 4 is an ordinary resolution.

5.2 Information required by Listing Rule 10.13

The following information is provided for the purposes of Listing Rule 10.13:

- (a) The Director Placement Shares will be issued to Peter Pawlowitsch (or his nominees).
- (b) Peter Pawlowitsch is a related party of the Company within the category of LR 10.11.1 by virtue of being a Director.

- (d) The Placement Shares may be issued no later than one month after the date of the Meeting (or such later date to the extent permitted by an ASX waiver or modification of the Listing Rules).
- (e) The Director Placement Shares will each be issued at \$0.12.
- (f) The issue of the Director Placement Shares will raise \$500,000. The funds raised from the issue of the Director Placement Shares will be aggregated with and used for the same purpose as the funds raised from Placement Shares as set out in Section 3.1.
- (g) A voting exclusion statement is included in the Notice.

6. Resolution 5 – Approval to grant Broker Options to Bell Potter

6.1 General

The Company appointed Bell Potter to act as lead manager to the Placement.

In consideration for its services provided as lead manager and bookrunner to the Placement, the Company agreed to pay Bell Potter a management fee of 3% of funds raised under the Placement (excluding funds raised from US investors), a selling fee of 3% of funds raised under the Placement (excluding funds raised from US investors, the Board or investors on the Chairman's list) and an option fee through the issue of 2,000,000 Broker Options (subject to Shareholder approval).

The Broker Options will be exercisable at \$0.18 within three years of the issue date. Full terms and conditions of the Broker Options are set out in Schedule 1.

A summary of Listing Rule 7.1 is provided in Section 3.2.

Listing Rule 7.2 set out various types of equity issues that are excluded from the operation of Listing Rule 7.1 and 7.1A. The issue of the Broker Options does not fall within any of the exceptions to Listing Rule 7.1. While the issue of the Broker Options does not exceed the Company's 15% limit in Listing Rule 7.1 and therefore could be issued without breaching this rule, the Company agreed to grant the Broker Options to Bell Potter subject to Shareholder approval to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval under Listing Rule 7.1.

To this end, Resolution 5 seeks the required Shareholder approval to issue the Broker Options under and for the purposes of Listing Rule 7.1.

If Resolution 5 is passed, the Company will be able to proceed with the grant of the Broker Options. In addition the grant of the Broker Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 5 is not passed then the Company will not be able to proceed with the grant of the Broker Options and the option fee will be payable in cash at an amount equivalent to the value of these Broker Options calculated using the B&S option valuation methodology.

Resolution 5 is an ordinary resolution.

6.2 Information required by Listing Rule 7.3

The following information is provided for the purposes of Listing Rule 7.3:

- (a) The Broker Options will be granted to Bell Potter (or their nominees).
- (b) The maximum number of Broker Options the Company may grant under Resolution 5 is 2,000,000.
- (c) The Broker Options are each exercisable at \$0.18 on or before the date that is 3 years from the date of grant. Full terms and conditions of the Broker Options are set out in Schedule 1. Shares issued on exercise of the Broker Options will be fully paid ordinary shares in the capital of the Company and will rank equally in all respects with the Company's existing Shares on issue.
- (d) The Broker Options may be granted no later than three months after the date of the Meeting (or such later date to the extent permitted by an ASX waiver or modification of the Listing Rules).
- (e) The Broker Options will be granted for nil consideration as they are being granted in recognition of lead management and selling fees provided in respect to the Placement. Accordingly, no funds will be raised from the grant of the Broker Options.
- (f) The material terms (being the fees and services provided) of the lead manager agreement with Bell Potter are outlined in Section 6.1 above. The lead manager agreement includes other standard indemnities, warranties, representations and termination clauses which are not considered material terms so have not been included.

- (g) A voting exclusion statement is included in the Notice.

7. Resolutions 6 – Approval to issue Performance Rights to Matthew Stepka

7.1 General

As announced on 29 April 2020, Mr Stepka was appointed as a Director effective 1 May 2020.

The Company and Mr Stepka have agreed that, subject to Shareholder approval, Mr Stepka will be issued:

- (a) 5,000,000 SP Performance Rights (comprising 1,000,000 Class A SP Performance Rights, 1,000,000 Class B SP Performance Rights, 1,000,000 Class C SP Performance Rights, 1,000,000 Class D SP Performance Rights and 1,000,000 Class E SP Performance Rights) in connection with his appointment as a Director; and
- (b) 500,000 Remuneration Performance Rights in lieu of 100% of his annual cash remuneration (being a total of \$60,000) for the next 12 months.

(together the **MS Performance Rights**).

The MS Performance Rights will be issued under the Company's Performance Rights Plan and subject to the Vesting Conditions outlined below. It is noted that the VWAP from 1 May 2020 (being the date of Mr Stepka's appointment) until 25 May 2020 was \$0.152 and the closing Share price on 25 May 2020 was \$0.165, which is higher than the Vesting Condition for the Class A SP Performance Rights. The assessment of the SP Performance Rights Vesting Conditions will however be from the date of issue of the SP Performance Rights and be based on a 30 day VWAP.

Performance Rights	Vesting Condition	Milestone Date	Expiry Date
Remuneration Performance Rights	Continued employment with the Company in existing role from issue date until the Milestone Date	6 months from issue date	3 years from issue date
Class A SP Performance Rights	The 30 day VWAP of the Company's Shares being greater than the Placement issue price being \$0.12 prior to the Milestone Date	1 years from issue date	3 years from issue date
Class B SP Performance Rights	The 30 day VWAP of the Company's Shares increases by 50% above the Placement issue price being \$0.18 prior to the Milestone Date	1 years from issue date	3 years from issue date
Class C SP Performance Rights	The 30 day VWAP of the Company's Shares increases by 100% above the Placement issue price being \$0.24 prior to the Milestone Date	1 years from issue date	3 years from issue date

Class E SP Performance Rights	The 30 day VWAP of the Company's Shares increases by 400% above the Placement issue price being \$0.60 prior to the Milestone Date	2 years from issue date	3 years from issue date

The above Performance Rights will each convert into a Share for no consideration on exercise by the holder once vested.

If a Vesting Condition of a Performance Right is not achieved by the applicable Milestone Date, then the Performance Right will lapse. If a vested Performance Right is not exercised on or before the Expiry Date, then the Performance Right will lapse.

If a Change of Control Event (as defined in Schedule 2) occurs prior to the expiry or conversion of a Performance Right, then the Performance Right will convert.

The principle terms of the Performance Rights are summarised in Schedule 2. Further terms and conditions of the Performance Rights are set out in the Performance Rights Plan a summary of which is provided in Schedule 3.

7.2 Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- (a) a director of the company;
- (b) an associate of a director of the company; or
- (c) a person whose relationship with the company or a person referred to in a Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of the MS Performance Rights falls within Listing Rule 10.14.1 as Mr Stepka is a Director and therefore the issue requires Shareholder approval under Listing Rule 10.14.

Resolutions 6 seek Shareholder approval to issue the MS Performance Rights to Mr Stepka (or his nominees) under and for the purposes of Listing Rule 10.14.

If Resolution 6 is passed, the Company will issue the MS Performance Rights to Mr Stepka (or his nominees).

If Resolution 6 is not passed, the Company will not issue the MS Performance Rights to Mr Stepka (or his nominees) and the Company will be required to pay Mr Stepka's Directors fees in cash.

Resolution 6 is an ordinary resolution.

7.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Performance Rights to Mr Stepka (or his nominees) pursuant to Resolution 6 constitutes the giving of a financial benefit and Mr Stepka is a related party of the Company by virtue of being a Director.

The Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Performance Rights to Mr Stepka because the proposed issue of these Performance Rights are considered reasonable in the circumstances and were negotiated and agreed with Mr Stepka, prior to his appointment as a Director (when he was not in a position of influence), with the dealing being at arm's length. The Performance Rights formed part of Mr Stepka's remuneration package in agreeing to be appointed as a Director.

7.4 Information required by Listing Rule 10.15

The following information is provided for the purposes of Listing Rule 10.15 in respect to Resolution 6:

- (a) The maximum number of securities the Company may issue to Mr Stepka (or his nominee) under Resolution 6 is:
 - (i) 5,000,000 SP Performance Rights (comprising 1,000,000 Class A SP Performance Rights, 1,000,000 Class B SP Performance Rights, 1,000,000 Class C SP Performance Rights, 1,000,000 Class D SP Performance Rights and 1,000,000 Class E SP Performance Rights); and
 - (ii) 500,000 Remuneration Performance Rights.
- (b) Approval is required to issue the MS Performance Rights to Mr Stepka under the Performance Rights Plan as he falls within Listing Rule 10.14.1 by virtue of being a Director.
- (c) The value attributed to each of the MS Performance Rights is outlined below. These values are based on an independent valuation by Stantons International Securities Pty Ltd (**Stantons**) at a deemed grant date of 12 May 2020.

	Value per Performance Right
Remuneration Performance Right	\$0.145
Class A SP Performance Right	\$0.138
Class B SP Performance Right	\$0.115
Class C SP Performance Right	\$0.091
Class D SP Performance Right	\$0.096
Class E SP Performance Right	\$0.068

Independent accountants, Stantons have determined the value attributed to the Remuneration Performance Rights (which have non-market based vesting conditions) using the Black & Scholes valuation methodology. For valuation purposes these Performance Right are considered zero priced options given they will be issued for nil consideration and no consideration is payable on their conversion into Shares. The non-market based vesting conditions have not been taken into account in assessing the fair value of the Remuneration Performance Rights.

Key input assumptions to the Black & Scholes valuation include, the Company's Share price on the deemed grant date of 12 May 2020, the exercise price, the term of the

Performance Right, the expected volatility of the underlying Shares (based on 12 month historic volatility of the Shares), the expected dividend yield and the risk-free interest rate for the term of the Performance Rights.

The SP Performance Rights (which are subject to market based vesting conditions) have been valued using the Monte Carlo simulation methodology which incorporates the effect of the market based vesting conditions directly into the Monte Carlo simulation. Under this model, the SP Performance Rights value has been estimated using the average present value of the payoff of 100,000 simulated outcomes.

Based on these valuations, the implied total value of the MS Performance Rights to be issued to Mr Stepka under Resolution 6 is \$580,500.

Refer to Section 7.4(d) below for further details in regard to Mr Stepka's remuneration.

- (d) Mr Stepka's total remuneration package based on the indicative values attributed to the MS Performance Rights outlined in Section 7.4(c) is outlined in the table below

Cash remuneration	Security based remuneration		Total
	Remuneration Performance Rights ¹	SP Performance Rights	
-	\$72,500	\$508,000	\$580,500

1. To be issued in lieu of Mr Stepka's cash salary of \$60,000

In accordance with Accounting Standards the total value of the Performance Rights will be expensed over the vesting period of the Performance Rights. Mr Stepka's effective 12 month remuneration package, based on the indicative values attributed to the MS Performance Rights outlined in Section 7.4(c) and expensing the total security based remuneration over a 12 month period, is outlined in the table below.

Cash remuneration	Security based remuneration		Total
	Remuneration Performance Rights ¹	SP Performance Rights	
-	\$72,500	\$426,500	\$498,500

1. To be issued in lieu of Mr Stepka's cash salary of \$60,000

- (e) No securities have previously been issued to Mr Stepka under the Performance Rights Plan.
- (f) The MS Performance Rights will be granted with the vesting conditions, milestone dates and expiry dates as set out in Section 7.1. The principle terms of the MS Performance Rights are set out in Schedule 2. Shares issued on exercise of the MS Performance Rights will be fully paid ordinary shares in the capital of the Company ranking equally in all respects with the Company's existing Shares on issue.
- (g) The Remuneration Performance Rights proposed to be issued to Mr Stepka are in lieu of cash remuneration of \$60,000 for the next 12 months. As the Company continues to manage its cash costs to progress towards a more sustainable cash flow position

this form of remuneration represent a cash cost saving and also highlights Mr Stepka's commitment to the Company having chosen to receive the Remuneration Performance Rights in lieu of 100% of his annual cash salary.

The SP Performance Rights proposed to be issued to Mr Stepka reflect his strategic role in guiding and mentoring the Company's US team and helping to shape Family Zone AI and wellbeing strategy and products. The SP Performance Rights are designed to encourage and align his remuneration and to reward the growth in Shareholder value with share price based vesting targets. Whilst Mr Stepka is a Non-executive Director, the Board (excluding Mr Stepka) considered it appropriate to include performance based remuneration targets to reflect his strategically important role in key growth areas for the Company. The issue of the SP Performance Rights is not considered to impact Mr Stepka's independence.

- (h) The MS Performance Rights will be issued no later than three years after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
- (i) The MS Performance Rights will be issued for nil cash consideration as below:
 - (i) The Remuneration Performance Rights will be issued in lieu of Director's cash remuneration of \$60,000. The Company has determined the number of Remuneration Performance Rights to be issued to Mr Stepka based on the issue price of the last capital raising being \$0.12 each.
 - (ii) The SP Performance Rights will be issued as security based incentive remuneration in connection with Mr Stepka's appointment as a Director.

Accordingly, no funds will be raised from the issue of the MS Performance Rights.

- (j) A summary of the terms of the Performance Rights Plan is set out in Schedule 3.
- (k) The Company has not made any loans to Mr Stepka in relation to the issue of the MS Performance Rights.
- (l) Details of any securities issued under the Performance Rights Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the Performance Rights Plan after Resolution 6 is approved and who were not named in the Notice will not participate until approval is obtained under that rule.

- (m) A voting exclusion statement is included in this Notice.

8. Resolutions 7 – Approval to issue Director Options to Phil Warren

8.1 General

The Company has agreed that, subject to Shareholder approval, Mr Warren will be issued 1,000,000 Director Options (each exercisable at \$0.21 within three years of issue) as a long term incentive in connection with his role as a Non-executive Director.

The Director Options will be issued under the Company's Employee Option Plan and will be subject to the following vesting conditions.

Tranche	Vesting Condition	Number
1	None	500,000
2	The 30 day VWAP of the Company's Shares being greater than \$0.25	500,000

The principle terms of the Director Options are summarised in Schedule 4. Further terms and conditions of the Director Options are set out in the summary of Company's Employee Share Option Plan in Schedule 5.

8.2 Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- (a) a director of the company;
- (b) an associate of a director of the company; or
- (c) a person whose relationship with the company or a person referred to in a Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of the Director Options falls within Listing Rule 10.14.1 as Mr Warren is a Director and therefore the issue requires Shareholder approval under Listing Rule 10.14.

Resolutions 7 seek Shareholder approval to issue the Director Option to Mr Warren (or his nominees) under and for the purposes of Listing Rule 10.14.

If Resolution 7 is passed, the Company will issue the Director Options to Mr Warren (or his nominees).

If Resolution 7 is not passed, the Company will not issue the Director Options to Mr Warren (or his nominees).

Resolution 7 is an ordinary resolution.

8.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Director Options to Mr Warren (or his nominees) pursuant to Resolution 7 constitutes the giving of a financial benefit and Mr Warren is a related party of the Company by virtue of being a Director.

After a review of publicly available information relating to the remuneration structures of several of the Company's peers listed on the ASX, the Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of issue of the issue of the Director Options to Mr Warren because the issue of these Director Options is considered reasonable remuneration in the circumstances.

8.4 Information required by Listing Rule 10.15

The following information is provided for the purposes of Listing Rule 10.15 in respect to Resolution 7:

- (a) The maximum number of securities the Company may issue to Mr Warren (or his nominee) under Resolution 7 is 1,000,000 Director Options (each exercisable at \$0.21 within three years from the issue date).
- (b) Approval is required to issue the Director Options to Mr Warren under the Company's Employee Share Option Plan as he falls within Listing Rule 10.14.1 by virtue of being a Director.
- (c) The value attributed to each of the Director Options is outlined below. These values are based on an independent valuation by Bentleys Chartered Accountants of the Options issued on similar terms and conditions to the Company's Chairman, Peter Pawlowitsch in November 2019 and which were outlined in the Company's Half Year Financial Report. These values were also considered in determining the number of Director Options to be issued to Mr Warren.

Director Options	Value per Director Option
Tranche 1	\$0.0923
Tranche 2	\$0.0917

The Bentleys valuation used a Monte Carlo simulation methodology which incorporates the effect of the market based vesting conditions directly into the Monte Carlo simulation and key input assumptions in regard to stock price, exercise price, terms, time vesting period share price target and volatility. Under this model, the Director Options value has been estimated using the average present value of the payoff of 50,000 iterations.

Based on these valuations, the implied total value of the Director Option to be issued to Mr Warren under Resolution 7 is approximately \$92,000.

Refer to Section 8.4(d) below for further details in regard to Mr Warren's remuneration.

- (d) Mr Warren's total remuneration package based on the indicative values attributed to the Director Options outlined in Section 8.4(c) is outlined in the table below

Cash remuneration	Security based remuneration	Total
\$40,000	\$92,000	\$132,000

In accordance with Accounting Standards the total value of the Tranche 2 Director Options will be expensed over the vesting period of the Tranche 2 Director Options. Mr Warren's effective 12 month remuneration package, based on the indicative values attributed to the Director Options outlined in Section 8.4(c) and expensing the total security based remuneration over a 12 month period, is outlined in the table below.

Cash remuneration	Security based remuneration	Total
\$40,000	\$61,433	\$101,433

- (a) No options have previously been issued to Mr Warren under the Employee Share Option Plan.
- (b) The Director Options are exercisable at \$0.21 per Director Option within three years from the issue date and subject to the vesting conditions set out in Section 8.1. The principle terms of the Director Options are set out in Schedule 4. Shares issued on exercise of the Director Options will be fully paid ordinary shares in the capital of the Company ranking equally in all respects with the Company's existing Shares on issue.
- (c) The Directors Options are proposed to be issued Mr Warren as a security based incentive in connection with his role as Non-executive Director and are on the similar terms as the options issued to the Company's Non-executive Chairman in November 2019.
- (d) The Director Options will be issued no later than three years after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
- (e) The Director will be issued for nil cash consideration as they are being issued as a security incentive based remuneration. Accordingly, no funds will be raised from the issue of the Director Options.
- (f) A summary of the terms of the Company's Employee Share Options Plan is set out in Schedule 5.
- (g) The Company has not made any loans to Mr Warren in relation to the issue of the Director Options.
- (h) Details of any securities issued under the Company's Employee Options Plan will be published in the annual report of the Company relating to the period in which they

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the Performance Rights Plan after Resolution 7 is approved and who were not named in the Notice will not participate until approval is obtained under that rule.

- (i) A voting exclusion statement is included in this Notice.

9. Resolution 8 – Approval to grant Advisor Options to Focus Capital Partners LLC

9.1 General

As outlined in recent announcements, the Company has identified the US education market as a key growth sector for the Company and is currently investing in product and business development activities focused on US schools districts and their parent communities.

As part of this US expansion strategy, the Company engaged Focus Capital Markets LLC, a US based corporate advisory firm, to provide advisory services in relation to the Company's expansion into the US including the introduction to potential new US based Board appointees and US based funds to the recent capital raising, business development opportunities and strategic advice. In consideration for the advisory services provided (and to be provided), the Company agreed to issue 4,000,000 Advisor Options comprising 2,000,000 Tranche 1 Advisor Options (\$0.18, 3 years) and 2,000,000 Tranche 2 Advisor Options (\$0.24, 3 years) to Focus Capital Markets LLC. Full terms and conditions of the Advisor Options are set out in Schedule 1.

A summary of Listing Rule 7.1 is provided in Section 3.2.

Listing Rule 7.2 set out various types of equity issues that are excluded from the operation of Listing Rule 7.1 and 7.1A. The issue of the Advisor Options does not fall within any of the exceptions to Listing Rule 7.1. While the issue of the Advisor Options does not exceed the Company's 15% limit in Listing Rule 7.1 and therefore could be issued without breaching this rule, the Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval under Listing Rule 7.1. To do this the Company is asking Shareholders to approve the issue under Listing Rule 7.1 so it does not use up any of its 15% limit on issuing securities without Shareholder approval under Listing Rule 7.1.

To this end, Resolution 8 seeks the required Shareholder approval to issue the Advisor Options under and for the purposes of Listing Rule 7.1.

If Resolution 8 is passed, the Company will be able to proceed with the issue of the Advisor Options. In addition the grant of the Advisor Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 8 is not passed then the Company will still proceed with the grant of the Advisor Options but it will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for 12 months following the issue of the Advisor Options.

Resolution 5 is an ordinary resolution.

- r) Where there is a transaction, event or state of affairs that, in the Board's opinion, is likely to result in a change of control of the Company (**Change of Control Event**), the Board may in its discretion determine that all or a specified number of the holder's Performance Rights vest and become exercisable or cease to be subject to restrictions (as applicable), although the Board may specify in an offer to a Participant that any additional or different treatment will apply if a Change of Control Event occurs.
