## **WINEDEPOT overview**

**WINEDEPOT** is a cloud-based platform that uses technology to connect wine industry; unlocking the value, time and resources trapped the existing supply chain. It consists of three key components:

- **B2B Marketplace**
- **Order Management System**
- **Smart Logistics Solution**

Catering for **wine producers, distributors, importers and retailers** of all sizes, the integrated platform provides an end-to-end supply chain solution capable of servicing a wide variety of sales channels including the rapidly growing direct-to-consumer and online market segments.

Key benefits for suppliers include:

- Reduced operating and freight costs
- Reduced shipping times;
- Reduced administration and resources;
- Increased margins, customer reach and incremental sales.

**WINEDEPOT** launched the Smart Logistics Solution and Order Manager System in November 2019, and expects the B2B Marketplace to go live later this year. The business plans to solidify its presence in Australia before expanding the platform into other key wine markets such as China, USA, UK, Canada, Hong Kong, Singapore and New Zealand.
