Dear Shareholder,

Invitation to Participate in Red Mountain Mining Limited's Share Purchase Plan

On 29 May 2020, Red Mountain Mining Limited (ASX: RMX) (**Company**) announced that it received firm commitments to raise \$240,000 through the issue of 60,000,000 fully paid ordinary shares in the Company (**Placement Shares**) to sophisticated and professional investors at an issue price of \$0.004 per Placement Share, together with one (1) free attaching option (exercisable at \$0.008 and expiring 12 months from the date of issue) (**Placement Options**) for every two (2) Placement Shares issued (**Placement**). On 29 May 2020, the Company also announced its intention to offer eligible shareholders the chance to participate in a share purchase plan (**Plan**) to subscribe for fully paid ordinary shares in the capital of the Company (**Shares**). The offer of the Placement Options and the SPP Options to eligible shareholders will be made separately, after close of the Plan following lodgement of a prospectus by the Company (**Prospectus**).

The Company's Board of Directors is now pleased to make that offer to eligible shareholders on the Terms and Conditions enclosed with this letter.

Purchase Price and acceptance of risk factors

The purchase price of Shares under the Offer will be \$0.004 (**Offer Price**). On the trading day immediately prior to the announcement date of the Offer (**Announcement Date**), the closing price of the Company traded on the ASX was \$0.005. The Offer Price represents a 20% discount to the closing price of the Company Shares on the Announcement Date.

The market price of the Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you as a result of your acceptance of this Offer.

By applying for Shares under the Plan, each Eligible Shareholder acknowledges that, although the Issue Price is at a discount to the closing price on the Announcement Date, Shares are a speculative investment and the price of Shares on the ASX may change between the date of the Company announcing its intention to make an Offer and the date of issue of Shares under that Offer, and that the value of the Shares received under the Plan may rise or fall accordingly.

In accordance with ASX Listing Rule 7.2 Exception 5, the Issue Price is equal to or greater than 80% of the volume weighted average price for the 5 days in which trading in Shares occurred before the Announcement Date.

The Board recommends that you obtain your own financial advice in relation to the Offer and consider price movements of Shares in the Company prior to accepting this Offer.

Shareholder Approval

The Offer is limited to 30% of the Company's ordinary shares on issue as at the date of this document and the Company will issue the Shares pursuant to ASX Listing Rule 7.2 Exception 15. Accordingly, Shareholder approval is not required for the issue of the Shares under the Offer.

The SPP Options will be issued pursuant to the Prospectus and utilising the Company's placement capacity (unless prior shareholder approval is obtained). The maximum number of SPP Options to be issued will be equal to 50% of the number of Shares issued under the Plan.

Shortfall Placement

If less than the total amount of Shares under the Offer (being less than \$300,000 worth of Shares) are applied for pursuant to the Offer, subject to obtaining any necessary shareholder or regulatory approvals (if any), any shortfall Shares (and free attaching SPP Options) will be placed by the Company at the Director's discretion in consultation with the Lead Manager.

Lead Manager

The Company has engaged the services of Xcel Capital Pty Ltd (**Lead Manager**) and entered into a lead manager mandate in respect of the Plan whereby it will act as Lead Manager to the Plan and assist the Company through the provision of corporate advisory, capital raising services and assistance in placing any shortfall under the Plan. In consideration for the services provided in respect of the Plan, the Lead Manager will be paid fees a fee of 6% (exclusive of GST) of the gross proceeds of all funds raised under the Plan.

Additional Information and Important Dates

The Offer cannot be transferred (it is non-renounceable) and the Board reserves the right to reject any application. Shares allotted under the Plan will be issued as soon as practicable after the Closing Date of the Offer. Application for quotation on ASX of the new Shares will be made immediately following the issue of those Shares.

Subject to compliance with the ASX Listing Rules, the Company intends to seek quotation of the SPP Options (and Placement Options). In the event that quotation of the SPP Options (and Placement Options) cannot be obtained, they will remain as unlisted options.

In the event of an oversubscription by the Closing Date, the Directors may, in their absolute discretion, scale-back all applications on any basis they deem fit and/or determine to raise an amount higher than \$300,000. The Directors may also elect to accept less than the maximum number of Shares that may be issued under the Offer.

As set out in section 5 of the Plan, if the Company rejects or scales-back an application or purported application, the Company will promptly return to the shareholder the relevant application monies, without interest.

The offer of Shares under the Plan is made in accordance with *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547* and therefore does not require a prospectus for the purposes of Chapter 6D of the *Corporations Act 2001* (Cth).

As mentioned previously, the SPP Options are not being issued under the Plan, rather, they are being issued pursuant to the Prospectus.

Share Purchase Plan – Terms and Conditions

1. Purpose

The purpose of the Shareholder Share Purchase Plan (**Plan**) is to offer existing shareholders of Red Mountain Mining Limited (ACN 119 568 106) (**Company**) the opportunity to acquire additional fully paid ordinary shares in the Company (**Shares**) up to a maximum of \$15,000 (when combined with any Shares issued under any share purchase plan in the 12 months preceding the date of the Plan) at an issue price of \$0.004 per Share (without the need to pay brokerage costs and without the need for the Company to issue a prospectus).

Shareholders who participate in the Plan will also be entitled to free attaching options (exercisable at \$0.008 and expiring 12 months from the date of issue) (**SPP Options**) on the basis of one (1) SPP Option for every two (2) Shares issued under the Plan. The SPP Options will be issued separately, after close of the Plan, following lodgement of a prospectus by the Company (**Prospectus**). Accordingly, the SPP Options are not being issued pursuant to the Plan. The proposed terms of the SPP Options are set out in Schedule 1 of this Plan.

The Plan Terms and Conditions have been determined by the Board of Directors of the Company.

2. Shareholders eligible to participate

The right to participate in the Plan is optional and is only available to shareholders who are registered as holders of fully paid ordinary shares in the capital of the Company at 5.00pm (WST) on the Record Date of Thursday, 28 May 2020 with a registered address in Australia or New Zealand (**Eligible Shareholders**).

Participation in the Plan is optional and is subject to these Terms and Conditions. Offers made under the Plan are non-renounceable (that is, Eligible Shareholders may not transfer their rights to any Shares or SPP Options offered under the Plan).

The maximum amount, which any Eligible Shareholder may subscribe for in any consecutive 12 month period under the Plan, is \$15,000. The Board may also determine in its discretion, the minimum amount for participation, the multiple of Shares to be offered under the Plan and the period the Offer is available to Eligible Shareholders.

Due to foreign securities laws, it is not practical for shareholders resident in other countries to be offered the opportunity to participate in the Plan.

This document may not be released or distributed in any country other than Australia and New Zealand. This document does not constitute an offer to sell, or a solicitation of an offer to buy, securities in any other country. In particular, any securities described in this document have not been, and will not be, registered under the US Securities Act of 1933 (as amended) and may not be offered or sold in the United States except in transactions exempt from, or not subject to, registration under the US Securities Act and applicable US state securities laws.

Shareholders resident in Australia or New Zealand holding Shares on behalf of persons who are resident overseas are responsible for ensuring that making an application under the Offer does not breach regulations in the relevant overseas jurisdiction. Return of a duly completed Application Form will be taken by the Company to constitute a representation that there has been no breach of those regulations.

3. Custodians, trustees and nominees

If you are an Eligible Shareholder and hold Shares as a custodian (as defined in *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547*) (refer below) (**Custodian**) or in any more specific ASIC relief granted to the Company in relation to the Plan), you may apply for up to the maximum number of new Shares for each beneficiary for

whom you act as custodian, provided you annexe to your Application Form a certificate to the Company (**Custodian Certificate**) confirming the following:

- (i) that you held Shares on behalf of:
 - (i) one or more other persons that are not custodians; and/or
 - (ii) Another custodian (**Downstream Custodian**) that holds beneficial interests in Shares on behalf of one or more other persons to which those beneficial interests relate,

(each a **Participating Beneficiary**) at 5.00pm (WST) on the Record Date of Thursday, 28 May 2020 who have subsequently instructed you, and/or the Downstream Custodian, to apply for Shares under the Plan on their behalf;
- (ii) the number of Participating Beneficiaries and their names and addresses;
- (iii) the number of Shares that you hold on behalf of each Participating Beneficiary;
- (iv) the number or dollar amount of Shares that each Participating Beneficiary has instructed you, either directly or indirectly through a Downstream Custodian, to apply for on their behalf;
- (v) that the application price for Shares applied for under the Plan for each Participating Beneficiary for whom you act in addition to the application price for any other Shares issued to you as custodian (as a result of instruction given to you as a Custodian or a Downstream Custodian) for that Participating Beneficiary under any arrangement similar to the Plan in the prior 12 months does not exceed \$30,000;
- (vi) that a copy of the written offer document was given to each Participating Beneficiary; and
- (vii) where you hold Shares on behalf of a Participating Beneficiary indirectly, through one or more Downstream Custodians, the name and address of each Downstream Custodian.

For the purposes of *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547*, you are a 'custodian' if you are a registered holder that provides custodial or depository services in relation to shares of a body or interests in a registered scheme and who:

- (a) holds an Australian financial services licence covering the provision of a custodial or depository service;
- (b) is exempt from the requirement to hold an Australian financial services licence covering the provision of a custodial or depository service;
- (c) holds an Australian financial services licence covering the operation an IDPS or is a responsible entity of an IDPS-like scheme, (as defined in ASIC Class Order [CO 13/763] and [CO 13/762] respectively);
- (d) is a trustee of a self-managed superannuation fund or a superannuation master trust; or
- (e) is a registered holder of shares or interests in the class and is noted on the register of members of the body or scheme as holding the shares or interests on account of another person.

If you hold Shares as a trustee or nominee for another person or persons but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings (above) apply.

Custodians should request a Custodian Certificate from the Company's share registry when making an application on behalf of Participating Beneficiaries.

The Company reserves the right to reject any application for Shares to the extent it considers that the application (whether alone or in conjunction with other applications) does not comply

with these requirements. The Company reserves the right to reject applications in accordance with these Terms and Conditions.

4. Price of Shares

The price of Shares to be issued under the Plan is \$0.004 per Share. This price represents a discount of 16.7% of the volume weighted average market price for the Shares over the last 5 trading days on which sales in the Shares were recorded prior to announcement of the Plan (on 29 May 2020).

In accordance with ASX Listing Rule 7.2 Exception 5, the Issue Price is equal to or greater than 80% of the volume weighted average price for the 5 days in which trading in Shares occurred before the Announcement Date.

5. Applications, notices and certification

The Company will send Eligible Shareholders a letter of offer and acceptance procedures, inviting them to subscribe for Shares under the Plan, and accompanied by the Terms and Conditions of the Plan and an Application Form. Applications will not be accepted after the Closing Date of the Offer. Oversubscriptions to the Offer may be refunded without interest.

Notices and statements made by the Company to participants may be given in any manner prescribed by its Constitution.

As an Eligible Shareholder, you may participate by accepting one of the seven designated parcels of Shares (with free attaching SPP Options offered pursuant to the Prospectus) as follows:

By returning an Application Form or by paying by BPAY, an applicant:

- (a) acknowledges that the application is irrevocable;
- (b) irrevocably and unconditionally agree to these terms and conditions and the terms of the Application Form;
- (c) acknowledges and warrants they are an Eligible Shareholder; and
- (d) certifies that the aggregate of the application price for the following does not exceed \$15,000:
 - (iii) the Shares that are the subject of the application; and
 - (iv) any other Shares applied for by the applicant under the Plan (or any similar arrangement in the 12 months prior to the application), whether:
 - (A) in the applicant's own right; or
 - (B) jointly with one or more persons; or
 - (C) in the applicant's capacity as a beneficiary (as defined below),

but not including in the applicant's capacity as a trustee or nominee where it is expressly noted on the Company's register of members that the shareholding is held on account of another person.

If 2 or more persons are recorded in the register of members as jointly holding the Shares to which an applicant's application relates, they are taken to be a single registered holder and these statements are taken to be given by all of them.

If a trustee or nominee is expressly noted on the Company's register of members as holding the shares to which an application relates on account of another person (the "**beneficiary**"), these statements and confirmations are taken to be given by the beneficiary in respect of him/her/itself (and not the trustee or nominee).

The Company is targeting to raise \$300,000 under the Plan. The Company reserves its right, in its absolute discretion, to:

- (a) issue fewer Shares than an Eligible Shareholder applies for under the Offer or none at all and its right to scale back applications in such manner as the Directors see fit at their sole discretion; and/or
- (b) raise a higher total amount, being an amount over and above \$300,000, at the Company's sole discretion depending on the total subscription under the Plan subject to regulatory restrictions.

Any determination by the Directors in respect of any scaling back or refusal of any application for Shares will be final subject to regulatory restrictions. If a scale back occurs or the Company refuses an application for Shares, the Company will refund any excess Application Monies to the relevant Eligible Shareholders in full (without interest).

Applications for the SPP Options will only be accepted on an application form attached to or provided by the Company with a copy of the Prospectus.

6. Placement of Shortfall

Any Shares offered under the Plan (along with the entitlement to the SPP Options) that are not taken up by eligible Shareholders will make up a shortfall which will be placed by the Company subject to regulatory requirements. Subject to any regulatory requirements and approval necessary (if any), any shortfall Shares (and SPP Options) will be placed at the Director's discretion in consultation with the Lead Manager.

7. Issue of Shares and SPP Options

Shares to be issued under the Plan will be issued as soon as reasonably practicable after the Closing Date. The SPP Options will be issued, after close of the Plan, pursuant to a separate Prospectus.

Shares issued under the Plan will rank equally in all respects with all other fully paid ordinary shares in the Company from the date of issue. The SPP Options are exercisable at \$0.008 on or before the date that is 12 months from the date of issue.

Holding statements or CHESS notification will be issued in respect of all Shares issued under the Plan. The Company will, promptly after the issue of Shares under the Plan, make application for those Shares to be listed for quotation on the Official List of ASX. In respect of the SPP Options, applicants should consider the Prospectus when deciding whether to apply for the SPP Options. Subject to compliance with the ASX Listing Rules, the Company intends to seek quotation of the SPP Options on the Official List of ASX. In the event that quotation of the SPP Options cannot be obtained, the SPP Options will remain as unlisted options.

8. Modification and termination of the Plan

The Company may modify or terminate the Plan at any time. The Company will notify the ASX of any modification to, or termination of, the Plan. The omission to give notice of any modification to, or termination of, the Plan or the failure of ASX to receive such notice will not

invalidate the modification or termination.

Without limiting the above, the Company may issue to any Eligible Shareholder fewer Shares than the Eligible Shareholder applied for under the Plan if the issue of the Shares applied for would contravene any applicable law or the Listing Rules of the ASX.

9. Dispute resolution

The Company may, in any manner it thinks fit, settle any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the Plan, whether generally or in relation to any participant, application or Shares. The Company's decision in this respect will be conclusive and binding on all shareholders and other persons to whom that determination relates.

The Company reserves the right to waive strict compliance with any provision of these Terms and Conditions. The Company's powers under these Terms and Conditions may be exercised by the Directors of the Company or any delegate of the directors of the Company.

10. Queries

If you have any questions regarding the Plan or how to deal with this Offer, please contact your stockbroker or professional adviser in the first instance, or the Company.
