About Quantify Technology

Quantify Technology is an Australian-based company, focused on making lives better in homes, workplaces, and communities with their Internet of Things (IoT) smart home technology. Their qDevices replace standard power outlets and light switches and can be controlled by voice, app and touch. Quantify has the opportunity to be the first truly mass-market smart home product because of its simplicity, the innovative nature of its technology, and its limitless platform. Its strategic priorities are to maximise sales domestically, secure distribution internationally and strengthen its platform.
