Australian Family Lawyers expands to Queensland's Sunshine Coast

The board of AF Legal Group Ltd (**ASX: AFL**) (**Company**) is pleased to announce that it will enter the Sunshine Coast of Queensland with the opening of two new offices in Maroochydore and Caloundra in June 2020.

The Sunshine Coast has a population of over 350,000 and is Queensland's 3rd and Australia's 9th most populated area respectively. Its growth is outpacing many regional economies in Australia and the region's family law jurisdiction is also serviced by a full time Federal Circuit Court.

Executive Chairman Grant Dearlove commented, "Our expansion to the Sunshine Coast is the next logical step as the largest national family law firm in Australia. We have been able to secure traction quickly in recent new jurisdictions through a combination of successful lateral hires and our client acquisition model. We will again be seeking to replicate this success and formula on the Sunshine Coast".

The offices will be led by lateral hire and highly respected Sunshine Coast specialist family law practitioner Charlotte Monaghan. Executive Chairman, Grant Dearlove welcomed Ms Monaghan to the AFL team, "Charlotte is a great addition having carved out a strong client following and referral network through her success in providing holistic and outcome driven results for Sunshine Coast family law clients".

AFL continues to assess organic, lateral hire and acquisition growth opportunities and will update the market as and when these opportunities progress.

This announcement has been authorised by the AFL board.

Yours faithfully
