To support this acquisition the Company has entered into an unsecured loan facility agreement with AsiaPacific Businesslink Sdn Bhd, a company related to Datuk Low Siak Wei, totalling A\$1.3 million. The term of the loan is up to 31 December 2021, subject to the ability of the Company to repay at that date or any extension period mutually agreed upon between the parties before the expiration of the initial term of 31 December 2021.

Syngas' Chairman Datuk Low Siak Wei (Chris) commented: "We are looking forward to completing the acquisition of the Jumbuck Gold Project to start the next chapter of Syngas as a gold explorer. Furthermore, we are looking forward to putting more money into the ground to further increase the Jumbuck Gold Project's resources."

Tyranna's Director Joe Graziano commented: "We are very pleased to have executed the SASA and will now put the sale of the Jumbuck Gold Project to our shareholders for approval. The sale of the Jumbuck Gold Project will provide necessary funds for the Company to progress its exploration strategy at the Dragon & Knight Nickel project."
