8.8 If Item 8.7 is less than 2 quarters, please provide answers to the following questions:

- Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?

Answer: No

- The exploration drilling campaign at Yuinmery was largely completed in the June 20 quarter, with the balance of outstanding expenditure to be paid in the July 20 quarter. Minimal exploration expenditure is budgeted for the next quarter with priority drill targets identified for the Penny's Gold Project, but not yet committed.

- Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?

Answer: No

It is still expected that the Company will source funding from recovery of the EGMS debt and ongoing liquidation of its financial assets.

- Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer: Yes

On an ongoing basis Company continues to cut back on overheads, with overheads in the June 20 quarter reducing by 62% when compared to the previous quarter.
The Company also retains a number of high value investments that it expects will provide adequate cashflows as, and when required.
