As previously announced, Advent has submitted to the National Offshore Petroleum Titles Administrator (NOPTA) an application to enable the drilling of the Baleen drill target in the PEP11 permit. Advent, through wholly owned subsidiary Asset Energy Pty Ltd, holds an 85% interest and is operator of the PEP11 permit. Bounty Oil and Gas NL (ASX: BUY) holds the remaining 15% (JV).

As announced previously, the JV had made an application to NOPTA to change the current PEP11 permit conditions in order for it to proceed with the drilling. The Company is pleased to advise that NOPTA has confirmed that this application is in the final decision phase and expects to have a final decision shortly.

The JV is also currently evaluating rig availability for the drilling of the Baleen drill target.
