Dear Sir,

### TRADING HALT REQUEST

In accordance with ASX Listing Rule 17.1, Zelira Therapeutics Limited ('the Company', ASX: **ZLD**) requests the granting of a trading halt in ZLD's ordinary securities listed on the Australian Securities Exchange (ASX).

The Company provides the following information in relation to the request:

1. The trading halt is requested pending an announcement by the Company in relation to a capital raising;
2. The Company requests an immediate trading halt and anticipates that the trading halt remain in place until the earlier of the commencement of trading on Monday, 3 August 2020 or the making of an announcement in respect to the capital raising; and
3. ZLD confirms that it is not aware of any reason why a trading halt should not be granted or any other information necessary to inform the market about the trading halt.

Yours sincerely

Tim Slate  
**Company Secretary**

**About Zelira Therapeutics ([www.zeliratx.com](http://www.zeliratx.com))**

Zelira Therapeutics Ltd is a leading global therapeutic medical cannabis company with access to the world's largest and fastest growing cannabis markets. Zelira owns a portfolio of proprietary revenue generating products and a pipeline of candidates undergoing clinical development that are positioned to enter global markets from 2020. The Company is focused on developing branded cannabis products for the treatment of a variety of medical conditions.

The Company is undertaking product development programs targeting specific conditions (e.g. HOPE™) and human clinical trial programs focused on insomnia, autism and opioid reduction in patients with chronic non-cancer pain.

The Company conducts this work in partnership with world-leading researchers and organizations including Curtin University in Perth, Western Australia; the Telethon Kids Institute in Perth; the University of Western Australia, in Perth; St. Vincent's Hospital in Melbourne, Australia; and the Children's Hospital of Philadelphia (CHOP) in the United States.

The Company has developed two proprietary formulations (HOPE™) already launched and generating revenues in Pennsylvania, has laboratory capabilities to develop formulations in Pennsylvania and Louisiana with ability to conduct clinical trials and is establishing a national footprint across the US for the licensing of its products.
