

ASX RELEASE

Quarterly Update and Appendix 4C Quarterly Cash Flow – June 2020

SYDNEY, 31 July 2020, Flamingo Ai Limited (“Flamingo Ai” or “the Company”) (ASX: FGO), is pleased to provide the following Quarterly update and lodgement of its Appendix 4C.

Key Developments

R&D Rebate

As announced on 14th April, The Company received an amount of \$551,121 from the Australian Government Research and Development program in relation to eligible R&D activities conducted by the Company during the calendar year to 31 December 2019.

Sale of Flamingo business unit

On 21 May 2020, the Company announced that it had entered into an exclusive, binding conditional terms sheet with an unrelated party, Rymamay Investments (as trustee for the Craig Neil Investment Trust) for the sale of all assets of Flamingo Ai. However as announced 15 June, while due diligence was successfully completed, the Company and Rymamay Investments were not able to agree on suitable terms of a share sale agreement, hence the transaction did not proceed.

Since this time Flamingo has significantly reduced operational expenses, including retrenchment of all full-time staff and executive management. The Company continues to provide the Knowledge Sharing Hub service to existing clients utilising contractor services. The Company is continuing to assess all options to sell the Flamingo business operations and / or its assets and intellectual property.

The Company continues to look for additional assets to acquire. Depending on the timing and size of transaction, the Company may need to re-comply with Chapters 1 and 2 of the Listing Rules.

Related Party Transactions

The aggregate amount of payments of \$87,000 to directors and their associates during the quarter ended 30 June 2020 is related to executive director fees, non-executive director fees, and fees paid to director related entities for legal, transaction advisory and company secretary services.

Cash on Hand

The Company held \$1,549,000 cash as at 30 June 2020 and anticipates making final employee entitlement payments of approximately \$210,000 this quarter.
