RIG UTILISATION UPDATE

Vysarn Limited (ASX: VYS) (Company) provides the following rig utilisation update.

The Company advises that its wholly owned subsidiary Pentium Hydro Pty Ltd's (Pentium's) seventh rig has completed its contract with Iluka Resources Limited. The rig has returned to Pentium's Wangara premises for programmed repairs and maintenance.

Additionally, Pentium is pleased to announce that the seventh rig will be redeployed in September.

This ASX announcement has been authorised for release by the Board of Vysarn Limited.
