Lynas Corporation Limited (ASX:LYC) (“**Lynas**”) is pleased to announce the successful completion of its institutional placement (“**Placement**”) and the institutional component of its 1-for-7.7 fully underwritten² pro rata accelerated non-renounceable entitlement offer (“**Institutional Entitlement Offer**”, and together with the Placement, the “**Institutional Offer**”) of new ordinary shares in Lynas (“**New Shares**”) as announced on Monday, 17 August 2020.

Lynas received significant demand during the Institutional Offer bookbuild from high-quality, eligible existing and new institutional investors located in Australia and offshore.

The Institutional Offer closed on Tuesday, 18 August 2020, raising approximately A\$311 million. The Offer Price was A\$2.30 per New Share.

Lynas Chief Executive Officer and Managing Director, Amanda Lacaze, said:

“We are delighted by the level of demand for the Institutional Offer from eligible existing and new institutional investors, both in Australia and overseas. This is a clear indication of institutional support for our Lynas 2025 growth vision and our strengthened balance sheet will enable Lynas to mitigate global economic uncertainties and continue to progress with our Lynas 2025 foundation projects.”

“We look forward to the participation of our retail shareholders when the Retail Entitlement Offer opens on Monday, 24 August.”

¹ Excluding the circumstances described in Footnote 1 on page 2 of LYC’s investor presentation released to the ASX on 17 August 2020 (“**Investor Presentation**”). Refer to “Equity raising risk” in the Key Risks in the Investor Presentation for a description of the terms and conditions of the underwriting arrangements.

² Please refer to Footnote 1.

Completion of the Institutional Offer

The Institutional Offer comprised the issue of 92 million New Shares under the Placement to raise approximately A\$212 million, and approximately 44 million New Shares under the Institutional Entitlement Offer to raise approximately A\$100 million.

The New Shares subscribed for under the Institutional Offer are expected to settle on Tuesday, 25 August 2020, with allotment and normal trading on the ASX to commence on Wednesday, 26 August 2020. New Shares issued under the Institutional Offer will rank equally with existing Lynas shares on issue.

New Shares in respect of institutional entitlements not taken up under the Institutional Entitlement Offer and New Shares that would have represented the entitlements of ineligible institutional shareholders were offered and placed to institutional investors.

Lynas expects the ASX to lift the trading halt and for Lynas' ordinary shares to recommence trading on the ASX on an ex-entitlement basis from market open today.

Proceeds of the Institutional Offer, in conjunction with the retail component of the entitlement offer ("**Retail Entitlement Offer**", together with the Institutional Offer, the "**Offer**"), will fund the *Lynas 2025* foundation projects expected to be delivered in 2023, being:

- The planned **Kalgoorlie Rare Earth Processing Facility** to produce mixed Rare Earths carbonate for shipment to the Lynas Malaysia Plant, and
- **Associated upgrades at the Lynas Malaysia Plant.**

In addition to providing timely funding for the *Lynas 2025* foundation projects during this critical transformation period, the Offer proceeds mitigate the potential effects of current global economic uncertainties due to the COVID-19 pandemic.

As announced previously, Canaccord Genuity and Merrill Lynch Equities (Australia) Limited are acting as joint lead managers, underwriters and bookrunners to the Offer. Ord Minnett is acting as co-lead manager to the Offer.
