- **Post completion of the deal XTD will be well capitalised to expand its product offerings and expedite growth both organically and inorganically through potential acquisition opportunities**

Cross Track Digital (XTD) is pleased to announce that it is undertaking a non-renounceable rights issue offered on the basis of one new share for every five shares held (**Rights Issue**) at \$0.039 per share together with (1) free attaching option for every two new Shares subscribed for, to raise up to approximately \$1.22 million (before costs). In addition, the Company has received firm commitments to raise \$1,035,014 by way of a two-tranche placement on the same terms as the Rights Issue (**Placement**).

Taylor Collison Ltd (**Taylor Collison**) has been appointed as the Lead Manager of the Placement and Underwriter to the Rights Issue (which is fully underwritten). Directors Adam Cadwallader, Jason Byrne and Justus Wilde will seek shareholder approval to subscribe for up to a total of \$170,000 of shares on the same terms as the Placement.

Funds raised will be used to take advantage of opportunities emerging from the COVID-19 pandemic, to expand the Company's product offerings including the doubling of screens within the Healius Medical Centres, accelerating the growth of Motio's media sales team, for working capital and to meet the costs of the Rights Issue.

XTD Managing Director Adam Cadwallader said "We are pleased to give shareholders the opportunity to participate in the Company's growth plans through this issue. Since August last year, XTD has been relentlessly focussed on diversifying our business, pursuing our move beyond the rail contracts and we remain on track and on task. XTD continues to evaluate and pursue possible acquisitions and organic based propositions. Our emphasis on this continues to be vigorous with the current market conditions presenting quality options worthy of consideration."

The issue price represents a discount of 23.8% to the Company's 30-day VWAP of \$0.051.

The Rights Issue is open to all eligible shareholders who have a registered address within Australia and New Zealand and who hold Shares on the Record Date. The Rights Issue will close on Friday 18 September 2020 (unless extended).

All New Shares issued will rank equally with existing shares on issue and the Company will apply for quotation of the New Shares and New Options. Subscribers to the Rights Issue will also receive a 1-for-2 attaching option exercisable at \$0.08 each expiring 30 September 2023. A prospectus in relation to the Rights Issue will be lodged with ASIC shortly and, together with a personalised entitlement acceptance form, will be sent to eligible shareholders shortly after the Record Date.
