Kore Potash Plc
("Kore Potash" or the "Company")

Results of Proposed Fundraise

Kore Potash plc, the potash exploration and development company whose flagship asset is the 97%-owned Sintoukola Potash Project ("**Kola**" or the "**Kola Project**"), located within the Republic of Congo ("**RoC**"), is pleased to announce the successful completion of the conditional Proposed Fundraise. A total of 946,106,375¹ new Ordinary Shares will be issued at the Placing Price of 0.65p for a total value of approximately US\$8 million¹.

Canaccord Genuity Limited ("**Canaccord**") and Shore Capital Stockbrokers ("**Shore Capital**") have acted as Joint Bookrunners to the Company in the Proposed Fundraise. Rencap Securities (Pty) Limited acted as the Company's settlement agent and JSE sponsor in South Africa.

Highlights

- The Company has conditionally raised, in aggregate, approximately US\$8 million¹ at a price of 0.65p per new Ordinary Share (the "**Placing Price**").

Kore Potash plc

- 589,661,865¹ new Ordinary Shares have been conditionally placed with new and existing institutional investors at the Placing Price (the “**Placing Shares**”).
- In addition, certain new and existing shareholders have subscribed directly with the Company for a total of 293,027,011 new Ordinary Shares at the Placing Price (the “**Subscription Shares**”).
- The Company also intends to issue, within 8 months of the Technical Services Agreement being entered into and becoming unconditional, 63,417,499 new Ordinary Shares at the Placing Price to Sociedad Quimica y Minera de Chile S.A. (“**SQM**”) in lieu of the fees payable under the Technical Services Agreement (the “**Deferred Technical Services Shares**”). The Technical Services Agreement can only be entered into when the Company is out of the “closed period”.
- Certain Substantial Shareholders (as defined under the AIM Rules) and the Company’s Chairman have indicated their participating in the Proposed Fundraise for a total of 584,753,846 new Ordinary Shares and a total value of approximately US\$5 million. Such participation is to be confirmed once the Company has released its interim results for the half year period ended 30 June 2020 (expected to be released on or around 10 September 2020) and is therefore out of the “closed period” for trading.
- Conditionally, in aggregate, a total of 946,106,375¹ new Ordinary Shares will therefore be issued pursuant to the Proposed Fundraise representing 37.8% per cent. of the Enlarged Share capital.

Completion of the Proposed Fundraise is subject to, inter alia, a minimum fundraise of US\$7 million, the Company’s interim results for the half year period ended 30 June 2020 being released on or around 10 September 2020 and Shareholder approval of certain resolutions to authorise the issue of new Ordinary Shares which will be sought at a general meeting of the Company, details of which can be found below.

¹Assumes the completion of the subscription by the Company’s Substantial Shareholders (as defined under the AIM Rules) and the Company’s Chairman as referred to above

Capitalised terms used in this announcement have the meanings given to them in the announcement made earlier today regarding the Fundraising (the “Fundraising Announcement”), unless the context provides otherwise.

Circular and notice of general meeting

A circular containing further details of the Proposed Fundraise and notice of a general meeting of the Company to, inter alia, pass the resolutions required to enable the Company to implement the Proposed Fundraise, is expected to be published and despatched to Shareholders as soon as practicable. Following its publication, the circular will be available on the Company’s website at www.korepotash.com.

Normal trading in the Company’s securities on the ASX is expected to resume following the release of this announcement to ASX. For ASX purposes, an Appendix 3B is attached reflecting the update to the “Proposed Issue of Securities” form as it relates to Ordinary Shares to be issued for cash consideration.

Directors and related parties’ intention to participate

Subject to the publication of the Company’s interim results, the passing of the Shareholder resolutions and on completion of the Placing and the Subscription, as well as the issue of the Deferred Technical Services Shares, the following are expected to be the shareholdings of the Company’s existing significant shareholders:

<i>Shareholder</i>	<i>Number of existing Ordinary Shares</i>	<i>Number of New Ordinary Shares</i>	<i>Total Number of Ordinary Shares upon completion of the Proposed Fundraise</i>	<i>Percentage of enlarged share capital</i>
Princess Aurora Company Pte Ltd (“SGRF”)	304,223,209	265,435,349	569,658,558	22.76%
Sociedad Quimica y Minera (“SQM”) ¹	296,896,737	260,598,591	557,495,328	22.28%
David Stevens	109,100,000	-	109,100,000	4.36%
Harlequin Investments Ltd	103,500,000	199,075,161	302,575,161	12.09%
David Hathorn	54,457,146	58,719,906	113,177,052	4.52%

Note: 1) SQM’s total number of ordinary shares upon completion of the Proposed Fundraise includes the Deferred Technical Services Agreement Shares. The full allotment of the Deferred Technical Services Agreement Shares is conditional on the completion of works pursuant to the Technical Services Agreement.

By virtue of SQM and SGRF being Substantial Shareholders and David Hathorn being a director of the Company their indicated participation in the Proposed Fundraise, once confirmed, would be deemed to be a related party transaction for the purposes of AIM Rule 13.

The directors of the Company, other than David Hathorn, Timothy Keating and Jose Antonio Merino who are not deemed independent, having consulted with the Company’s nominated adviser, Canaccord Genuity, consider that the terms of the aforementioned potential related party transactions are fair and reasonable insofar as Shareholders are concerned.

In addition, the Company’s intention to enter into the Technical Services Agreement with SQM for SQM to provide certain services to the Company (as described in the announcement on 25 August 2020) would be considered a related party transaction for the purposes of AIM Rule 13 once the agreement is entered into.

The directors of the Company, other than Jose Antonio Merino who is not deemed independent, having consulted with the Company's nominated adviser, Canaccord Genuity, consider that the terms of the Technical Services Agreement are fair and reasonable insofar as Shareholders are concerned.

Brad Sampson, CEO of Kore Potash, commented:

"This fundraise will allow the Company to deliver the first phase of the DFS for DX, and so further demonstrate the extremely high quality of the asset.

"The location of DX, very close to both the coast and the surface, and the high grade of the mineral resource mean that DX will be one of the very lowest cost producers of potash anywhere in the world.

"The results of the first phase of the DFS will catalyse value for shareholders, as improved understanding of the asset de-risks the project and the Company gets closer to first production.

"We are committed to delivering the best possible results for our shareholders, local communities, and all of our stakeholders."

Authorised for release by the Board of Directors.

Target Market Assessment

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended from time to time ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the new Ordinary Shares have been subject to a product approval process, which has determined that they each are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**Target Market Assessment**"). Notwithstanding the Target Market Assessment, distributors should note that: (a) the price of the new Ordinary Shares may decline and investors could lose all or part of their investment; (b) the new Ordinary Shares offer no guaranteed income and no capital protection; and (c) an investment in the new Ordinary Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding

the Target Market Assessment, Canaccord and Shore Capital will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the new Ordinary Shares.

Each distributor is responsible for undertaking its own Target Market Assessment in respect of the new Ordinary Shares and determining appropriate distribution channels.

Proposed issue of +securities

Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are proposing to issue a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. For offers where the +securities proposed to be issued are in an existing class of security, and the event timetable includes rights (or entitlement for non-renounceable issues), and deferred settlement trading or a representation of such, ASX requires the issuer to advise ASX of the ISIN code for the rights (or entitlement), and deferred settlement trading. This code will be different to the existing class. If the securities do not rank equally with the existing class, the same ISIN code will be used for that security to continue to be quoted while it does not rank.

Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

*Denotes minimum information required for first lodgement of this form, with exceptions provided in specific notes for certain questions. The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.
