### 7F.2 Any other information the entity wishes to provide about the proposed issue

Number of shares to be issued is dependent on certain specified milestones and the issue price of the shares will be equal to the 20-day VWAP prior to the date on which milestone is achieved.

As the issue price of the shares is variable dependent on the date of achievement of the relevant milestone, it is not possible to determine the actual number that may be issued. However, based on a 1 cent per share issue price (which was the 25 August 2020 ASX closing price of Nvoi shares), the maximum number of shares (assuming all milestones are achieved) that may be issued will be 25,000,000. See ASX announcement of 27 August 2020 for further information.
