ASX ANNOUNCEMENT – ORCODA LIMITED (ASX:ODA)

Updated SaaS Contract with Holy Cross Laundry

Orcoda Limited (ASX: ODA) ('Orcoda' or 'the Company'), the resources, healthcare, and transport logistics optimisation company, is pleased to announce that its wholly owned subsidiary Orcoda Transport Logistics has signed a SaaS contract with Holy Cross Laundry in Brisbane.

Holy Cross Laundry, founded in 1889 by Mother Mary Vincent Whitty and her Sisters of Mercy, is a world leading commercial hire linen and laundry service for medical, surgical, health and aged care organisations. Their delivery services are scheduled to meet mutually agreed time frames. In determining the transport arrangements a number of logistical issues are taken into consideration:

- Loading dock storage capacity for soiled and clean linen
- Location storage where the linen is actually used
- Linen delivery and collection methodology

Orcoda's extensive software-as-a-service (SaaS) scheduling and monitoring system, gives Holy Cross Laundry the tools to optimize and streamline their transport and field services workforce, which in-turn boosts efficiency, compliance, visibility, customer service and profits.

The contract is for three years and revenue is made up of an establishment fee of \$5,500 (inc GST) plus a monthly fee annualised at \$11,600 (inc GST) which is expected to grow as Holy Cross Laundry expand their fleet.

Troy McDowell, CEO of Holy Cross Services said "Holy Cross Laundry is excited to be working with Orcoda on this initiative and are looking forward to the improvements it will deliver to our business."

Geoff Jamieson, Orcoda Managing Director said; "We see this contract as a strategic position within the Laundry Services market place, where we can support Holy Cross Laundry in their growth, whilst growing our market share for our SaaS platform within the sector."

We thank our shareholders for continuing to support us and we also acknowledge the support of our other key business stakeholders; our employees, our clients and our suppliers.

This ASX release was authorised by the Board of Directors.
