HARTSHEAD RESOURCES LIMITED
UK 32ND OFFSHORE LICENSING ROUND – PROVISIONAL AWARD OF FIVE SOUTHERN NORTH SEA BLOCKS

Ansila Energy NL (**Ansila**, **ANA** or the **Company**) notes the announcement made by the UK Oil & Gas Authority (**OGA**) on 3 September 2020 with respect to the provisional award of five contiguous blocks in the Southern North Sea (SNS), offshore United Kingdom, that Hartshead Resources Limited (**Hartshead** or **HRL**), in which ANA holds a 21.6% equity interest, applied for in the recent UK 32nd Offshore Licensing Round.

The blocks under provisional award to HRL are 48/15c, 49/6c, 49/11c, 49/12d and 49/17b and contain multiple fields and undeveloped gas resources, together with a number of drill-ready exploration prospects.

Chris Lewis, Technical Director of Ansila and CEO of Hartshead commented: "We are pleased that the OGA have announced the results of the 32nd Offshore Licensing Round and look forward to taking up the offer for the blocks and providing investors with a full update in the near future."

-Ends-

The Board of Directors of Ansila Energy NL authorised this announcement to be given to ASX.

Forward Looking Statements

This document has been prepared by Ansila Energy NL (ANA). This document contains certain statements which may constitute "forward-looking statements". It is believed that the expectations reflected in these statements are reasonable but they may be affected by a variety of variables and changes in underlying assumptions which could cause actual results or trends to differ materially, including, but not limited to: price fluctuations, actual demand, currency fluctuations, drilling and production results, reserve and resource estimates, loss of market, industry competition, environmental risks, physical risks, legislative, fiscal and regulatory developments, economic and financial market conditions in various countries and regions, political risks, project delays or advancements, approvals and cost estimates.

ANA's operations and activities are subject to regulatory and other approvals and their timing and order may also be affected by weather, availability of equipment and materials and land access arrangements. Although ANA believes that the expectations raised in this document are reasonable there can be no certainty that the events or operations described in this document will occur in the timeframe or order presented or at all.

No representation or warranty, expressed or implied, is made by ANA or any other person that the material contained in this document will be achieved or prove to be correct. Except for statutory liability which cannot be excluded, each of ANA, its officers, employees and advisers expressly disclaims any responsibility for the accuracy or completeness of the material contained in this document and excludes all liability whatsoever (including in negligence) for any loss or damage which may be suffered by any person as a consequence of any information in this document or any error or omission there from. Neither ANA nor any other person accepts any responsibility to update any person regarding any inaccuracy, omission or change in information in this document or any other information made available to a person nor any obligation to furnish the person with any further information.
