## Grant of Mining Lease for Paulsens East Iron Ore Project

### KEY HIGHLIGHTS

- Strike achieves further significant milestone with the grant of the Mining Lease for the Paulsens East Iron Ore Project
- Strike will now finalise and submit its formal Mining Proposal to DMIRS for approval to undertake mine development and operations

Strike Resources Limited (ASX:SRK) (**Strike**) is pleased to advise that the Mining Lease (M47/1583) for its Paulsens East Iron Ore Project has been formally granted by the Western Australian Department of Mines, Industry Regulation and Safety (**DMIRS**) for an initial term of 21 years.

This achieves another key milestone for the Project and follows the recent execution of a Native Title Mining Agreement (**Native Title Agreement**) with the Puutu Kuntj Kurrama and Pinikura People (**PKKP**) Traditional Owners on 14 August 2020.<sup>1</sup>

The grant of M47/1583 will pave the way for Strike to lodge its Mining Proposal to DMIRS for formal approval to carry out mining operations on the mining lease.

Strike is currently finalising the documentation for its Mining Proposal and access agreements with various stakeholders to facilitate the grant of Miscellaneous Licences required for haulage and access roads and other infrastructure to support mining operations.

Strike Managing Director, William Johnson:

*“The granting of our Mining Lease is another key milestone for Company as we continue to make rapid progress in advancing the Paulsens East Iron Ore Project.”*
