### NOTICE UNDER SECTION 708AA(2)(f) OF THE CORPORATIONS ACT

The Company hereby notifies ASX under the Corporations Act that:

1. The Company will offer the New Shares under the Offers for issue without disclosure to investors under Part 6D.2 of the Corporations Act.
2. The Company is providing this notice under paragraph (2)(f) of section 708AA of the Corporations Act.
3. As at the date of this notice, the Company has complied with the provisions of Chapter 2M of the Corporations Act as they apply to the Company.
4. As at the date of this notice, the Company has complied with section 674 of the Corporations Act as they apply to the Company.

5. As at the date of this notice, there is no information:
  - a. that has been excluded from a continuous disclosure notice in accordance with the ASX Listing Rules; and
  - b. that investors and their professional advisers would reasonably require for the purpose of making an informed assessment of:
    - i. the assets and liabilities, financial position and performance, profits and losses and prospects of the Company; or
    - ii. the rights and liabilities attaching to the New Shares.
6. The potential effect that the issue of the New Shares will have on the control of the Company is as follows:
  - a. No existing options were exercised prior to the Record Date, hence the maximum number of New Shares which will be issued pursuant to the Rights Issue is 16,604,185. This equates to approximately 14.29% of all the issued Shares in the Company following completion of the Rights Offer.
  - b. If all shareholders as at the Record Date are Eligible Shareholders and take up their full entitlements, the Rights Offer will have no effect on the control of the Company.
  - c. If some shareholders do not participate in the Rights Offer (whether because they are ineligible shareholders or otherwise), their shareholding interest in the Company will be diluted. The interest of shareholders who only take up part of their entitlement will also be diluted but to a lesser extent.
  - d. In the event that there are shortfall New Shares, the Company will only issue the New Shares to an applicant where the Directors are satisfied, in their sole discretion, that the issue of New Shares will not result in a person's voting power increasing above 20%.
