

ASX ANNOUNCEMENT AND MEDIA RELEASE

11 September 2020

## **Maiden Drilling Program Commences at Jundee South**

## **Highlights**

- Challenge Drilling crew have mobilised to site at Jundee South
- Drilling has commenced on priority 1 targets identified through historic drill results and geophysics
- Maiden drilling program designed to enhance the Company's understanding of the large regional opportunity at Jundee South

Avenira Limited (ASX:AEV) (**Avenira** or **the Company**) is pleased to announce the commencement of its maiden aircore drilling program at its Jundee South Project following the mobilisation to site of a Challenge Drilling aircore rig.

All logistical preparation and inductions have been completed and drilling commenced in early September 2020.

The initial aircore program at Jundee South has been designed to test priority 1 targets identified through historic drill results and geophysics and will enhance the Company's understanding of the large regional opportunity at Jundee South.

The Company will update the market as the program progresses.

Avenira's Executive Chairman, Mr. Brett Clark commented, "We are excited to be commencing our maiden program to begin realising the potential of the Jundee South Project. We are also grateful to Challenge Drilling for meeting a tight deadline in a time of high demand in WA for both drilling equipment and personnel and look forward to a successful drilling campaign".

This announcement has been authorised by Brett Clark on behalf of the Board of Avenira.
