Dear Mr Nicholson

archTIS Limited (Company) General – Aware Query

We refer to your letter dated 10 September 2020 in relation to the pause in trade of AR9's securities on ASX's Market Announcements Platform at 11:14am AEST and the trading halt request released at 11:48 am AEST pending release of an announcement regarding a material customer contract win.

In relation to the questions outlined in that letter, and utilizing the numbering and defined terms outlined in your letter, the Company responds to each of your questions as follows:

1. Yes, the Company considers the Information to be information that a reasonable person would expect to have a material effect on the price or value of its securities.
2. Not applicable
3. The Company first became aware of the Austender Information shortly after 11am on 10 September 2020 when a shareholder telephoned the Company to advise that they had seen a listing on the Australian Government's Austender website which showed a computer services contract had been awarded by the Department of Defence to AR9 in the value of \$4.2m.

At that time, AR9 had previously submitted a proposal for this body of work, but was yet to receive a signed purchase order from the Department of Defence. In that regard, the Company considers - at that time - that the contract had clearly not been secured as there was no signed contract in place.

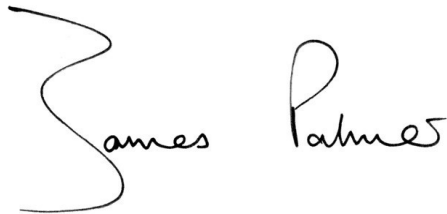

The Company is not aware why the contract was announced on Austender as having been awarded with an effective date of 1 September 2020. For completeness, we note that only Australian Government personnel can post information on AusTender. We have no control on what or when they post such information.

As soon as the Company had verified the information posted on Austender, it requested a pause in trading from the ASX and then formally requested a trading halt pending

release of an announcement regarding the customer contract win. The Company then made immediate contact with the Department of Defence to advise on the situation and obtain a signed purchase order. The relevant approvals were sought and obtained, thus securing the contract win and allowing AR9 to make the formal announcement at 1.59pm AEST on 10 September 2020.

4. Not applicable – see above.
5. The Company confirms it is complying with the Listing Rules and, in particular, Listing Rule 3.1.
6. The Company confirms its responses above have been authorised and approved by its Board of Directors.

Yours faithfully

James Palmer

Company Secretary

"an entity becomes aware of information if, and as soon as, an officer of the entity (or, in the case of a trust, an officer of the responsible entity) has, or ought reasonably to have, come into possession of the information in the course of the performance of their duties as an officer of that entity" and section 4.4 in Guidance Note 8 Continuous Disclosure: Listing Rules 3.1 – 3.1B "When does an entity become aware of information."

“Whether information has the quality of being confidential is a question of fact, not one of the intention or desire of the listed entity. Accordingly, even though an entity may consider information to be confidential and its disclosure to be a breach of confidence, if it is in fact disclosed by those who know it, then it ceases to be confidential information for the purposes of this rule.”

Request for information

Having regard to the above, ASX asks AR9 to respond separately to each of the following questions and requests for information:

1. Does AR9 consider the Information to be information that a reasonable person would expect to have a material effect on the price or value of its securities?
2. If the answer to question 1 is “no”, please advise the basis for that view.
3. When did AR9 first become aware of the Information? In responding to this question, please specifically comment on the Aus Tender Information which includes a published date of 1 September 2020.

If not, please explain why this information was not released to the market at an earlier time, commenting specifically on when you believe AR9 was obliged to release the information under Listing Rules 3.1 and 3.1A and what steps AR9 took to ensure that the information was released promptly and without delay.
5. Please confirm that AR9 is complying with the Listing Rules and, in particular, Listing Rule 3.1.
6. Please confirm that AR9’s responses to the questions above have been authorised and approved in accordance with its published continuous disclosure policy or otherwise by its board or an officer of AR9 with delegated authority from the board to respond to ASX on disclosure matters.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted.
