Dear Mali Lithium Shareholder

## **MALI LITHIUM LIMITED - SHARE PURCHASE PLAN OFFER DOCUMENT AND TERMS AND CONDITIONS**

### **1. Introduction**

On behalf of the Directors of Mali Lithium Limited (ABN 11 113 931 105) (**Company** or **Mali Lithium**), I am pleased to offer Eligible Shareholders (as defined in paragraph 3 of the enclosed Terms and Conditions) the opportunity to participate in the Mali Lithium Limited Share Purchase Plan (**Plan**).

Under the Plan, Eligible Shareholders may apply to purchase up to \$30,000 worth of new fully paid ordinary shares in the Company (**New Shares**) (subject to any discretionary scale back) at an issue price of \$0.16 per New Share (**Issue Price**) without paying brokerage or other transaction costs. The Issue Price represents a discount of 11.9% to the volume weighted average price of fully paid ordinary shares (**Shares**), calculated over the last 5 trading days on which sales of Shares were recorded before the day on which the Plan was announced.

The Plan will allow all Eligible Shareholders to subscribe for New Shares at the same price as the placement of approximately 402 million shares to professional and sophisticated investors to raise up to \$64 million (before costs), as announced by the Company on 9 September 2020 (**Placement**).

As fellow shareholders, your Directors have indicated that they intend to take up their maximum entitlement under the Plan (subject to scale-back if oversubscribed).

Full details in relation to the Plan are set out in the enclosed Terms and Conditions and Application Form.

### **2. Purpose of the Plan and Use of Funds**

As announced on 9 September 2020, the Company is targeting to raise up to \$6 million under the Plan, which, along with the funds raised pursuant to the Placement will be used for:

- the acquisition of an 80% interest in the Morila Gold Mine in Mali, exploration and evaluation, and the working capital needs of the Company.
- completion of a new mine plan (Resources, Ore Reserves, schedules and costs);
- drilling to infill and extend resources;
- the re-start of open pit mining, initially at the N'Tiola and Domba satellite pits;
- plant and infrastructure works, principally tailings dam and power station;
- preparation for a re-start of mining at the Morila pit (dewatering and earthworks);
- preparation of a mining permit for the Company's Koting discovery; and
- general working capital.

### **3. Summary of the Offer**

The following is a summary of the key details in relation to the offer of New Shares under the Plan (**Offer**). Please carefully read the full terms and conditions of the Offer, as you will be bound by them.

- (a) **Offer to Eligible Shareholders only:** You are eligible to apply for New Shares under the Offer if:
- (i) your registered address, as recorded in the Company's register of members, is in Australia or New Zealand;
  - (ii) you were registered as a holder of fully paid ordinary shares (**Shares**) in the Company as at 5.00pm (WST) on 8 September 2020 (being the **Record Date** for the Offer, (**Eligible Shareholder**); and
  - (iii) you are not in the United States and are not acting for the account or benefit of a person in the United States.
- (b) **Optional, but not transferable:** Participation in the Plan is optional, but the right of Eligible Shareholders to participate in the Plan is not transferable.
- (c) **Issue Price:** The Issue Price of New Shares under the Offer is \$0.16 per New Share. The Issue Price represents a discount of 11.9% to the volume weighted average price of Shares, calculated over the last 5 trading days on which sales of Shares were recorded before the day on which the Plan was announced.

In accordance with the requirements of Australian Securities and Investments Commission (ASIC) Corporations (Share and Interest Purchase Plans) Instrument 2019/547, the Company notes that:

- (i) On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on the Australian Securities Exchange (ASX) was A\$0.195 per Share. The Issue Price is a 17.9% discount to that closing price.
- (ii) The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued under the Offer.
- (iii) By making an application under this Offer, each Eligible Shareholder will be acknowledging that although the Issue Price is at a discount to the closing price specified above, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make the Offer and the date of issue of Shares under that Offer and that the value of the Shares received under the Offer may rise or fall accordingly.
- (iv) The Issue Price is less than the market price of Shares during a 'specified period' in the 30 days before the date of the Offer (such specified period being the 5 days in which trading in Shares occurred before the date of the announcement of the Offer).

In accordance with ASX Listing Rule 7.2 Exception 5, the Issue Price is equal to or greater than 80% of the volume weighted average price for the 5 days in which trading in the Shares occurred before the date of the announcement of the Offer.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an application under this Offer.

The Issue Price is the same as the subscription price for the Placement.

- (d) **Maximum/minimum amounts and increments:** If you are an Eligible Shareholder, you may apply to purchase a parcel of New Shares for a minimum price of \$2,000 and up to a maximum price of \$30,000. Eligible Shareholders have the ability to subscribe for seven different parcels of New Shares as follows:

	Subscription Amount (\$A)	New Shares to be issued calculated at the Issue Price
Option A	\$2,000 (minimum)	12,500
Option B	\$5,000	31,250
Option C	\$10,000	62,500
Option D	\$15,000	93,750
Option E	\$20,000	125,000
Option F	\$25,000	156,250
Option G	\$30,000 (maximum)	187,500

If you have two or more registered holdings of Shares, the total value of all your applications must not exceed \$30,000. The Company reserves the right to decline applications from multiple registered holdings if the total exceeds \$30,000, including where those registered holdings are in similar, but not identical names, are held directly or indirectly, or are held alone or with others.

- (e) **Scale back and oversubscriptions:** The Company is targeting to raise up to \$6 million under the Plan, and in the circumstance that \$6 million is received before the closure of subscriptions, the Directors reserve the right to close the Offer early by announcement of a revised timetable to ASX. However, should total demand exceed this amount, the Directors reserve the right to accept oversubscriptions or to scale back applications in their absolute discretion on a pro-rata basis, at its discretion, by announcement to ASX (subject to the maximum permitted under the ASX Listing Rules). In accordance with ASX Listing Rule 7.2 Exception 5, the total number of New Shares under the Offer must not exceed 30% of the number of Shares currently on issue.

If a scale back is applied, it is Mali Lithium's intention that the scale back will be applied having regard to the pro rata shareholding of Eligible Shareholders (as at the Record Date) who apply for New Shares. However, Mali Lithium is not required to conduct a scale back in this way and may scale back the number of New Shares in any manner in its absolute discretion.

If a scale back is applied, you may be issued New Shares to a value that is less than the application amount you applied for. The balance of any application monies that is not applied to acquire New Shares will be returned to you without interest.

Pursuant to the ASX Listing Rules, the maximum number of New Shares that could be issued under the Plan is 30% of the number of Shares already on issue, namely 95,204,433 New Shares. If the Company raises \$6 million under the Plan, 37,500,000 New Shares will be issued.

The allocation of New Shares will be at the absolute discretion of the Directors from time to time – the Company reserves the right to issue fewer New Shares than an Eligible Shareholder applies for under the Plan, or no New Shares, in its absolute discretion or if the Company believes it is not permitted to issue the New Shares as a result of any law or ASX Listing Rule.

Any determination by the Directors in respect of any oversubscriptions or scaling back will be final.

- (f) **Return of excess application monies:** If there is a rejection or Scale back, your application monies may be greater than the value of New Shares issued to you under the Offer, in which case the excess application monies will be refunded to you, without interest, by direct credit deposit to your nominated bank account (where you have given your nomination to the Company's Share Registry) or by cheque paid in Australian dollars.

#### 4. Application procedure

The Offer opens at 9.00am (WST) on 21 September 2020 and closes at 5.00pm (WST) on 21 October 2020. No late applications will be accepted; however, the Directors reserve the right to extend the closing date at their discretion or close the Offer early in their sole and absolute discretion.

To apply for New Shares under the Plan:

- (a) Eligible Australian Shareholders **must pay** directly via BPAY®<sup>1</sup> on the internet or by telephone, in accordance with the **instructions** on the enclosed Application Form (for shareholders with an eligible Australian bank account only).
- (b) a New Zealand shareholder that is unable to pay by BPay®, please contact the Share Registry on +61 3 9415 4000 at any time from 8.30am to 5.00pm (Melbourne time) Monday to Friday during the Offer period, for alternative electronic funds transfer payment arrangements for the number of New Shares you wish to apply for.

BPAY® payment must be received by no later than 5.00pm (WST) on 21 October 2020.

Full details of how to apply for New Shares under the Plan are set out in the enclosed Terms and Conditions and Application Form.

The Company encourages Shareholders who wish to participate to act promptly in submitting their Application Form.

#### 5. Additional information

You should be aware that the market price of Shares on ASX may rise and fall between the date of the Offer and the date that the New Shares are issued under the Plan. This means that the price you pay per New Share under this Offer may be either higher or lower than the price of Shares at the date of this Offer.

The New Shares are a speculative investment and there can be no certainty that New Shares will trade at or above the Issue Price following completion of the Offer.

The Plan does not take into account the individual investment objectives, financial situation, tax position or particular needs of each Eligible Shareholder. You should consider seeking independent legal, financial and taxation advice before making a decision whether or not to accept the Offer.

The Plan may be changed, suspended or terminated by the Company at any time.

Please carefully read the accompanying Terms and Conditions relating to the Offer, as you will be bound by them if you accept the Offer.

The rights and obligations of the New Shares are contained in the Constitution of the Company (which is available for inspection at the registered office of the Company during the period of the Offer). The New Shares will be issued on the same terms as all other ordinary shares in the Company.

If you have any queries, please contact Computershare Investor Services Pty Limited on 1300 850 505 (within Australia or +61 3 9415 4000 (outside Australia)),

Yours sincerely

**5. Is the Offer optional?**

The Offer is entirely optional and is subject to these Terms and Conditions. You do not have to participate if you do not want to.

**6. How was the Issue Price determined?**

The issue price of New Shares under the Offer is \$0.16 per New Share (**Issue Price**). The Issue Price represents a discount of 11.9% to the volume weighted average price of Shares, calculated over the last five trading days on which sales of fully paid ordinary shares in the Company (**Shares**) were recorded before the day on which the Plan was announced. This is the same price as that offered under the recent placement to professional and sophisticated investors announced on 9 September 2020.

**7. Important information on price risk to consider**

Before deciding whether to accept the Offer, you should refer to the current market price of shares in the Company, which can be obtained from the financial pages of your daily newspaper, your stockbroker, your financial adviser, or ASX by searching the Company's code/ticker; MLL. Please note that the market price of Shares in the Company may rise or fall between the date of this Offer and the date when the New Shares are issued to you under the Plan. This means that the price you pay per New Share under this Offer may be either higher or lower than the price of Shares at the date of this Offer.

The New Shares are a speculative investment and there can be no certainty that New Shares will trade at or above the Issue Price following completion of the Offer.

In determining whether you wish to participate in this Offer and the extent to which you participate, you should seek your own personal legal, financial and/or taxation advice referable to your own circumstances.

**8. How much can you invest in the Offer?**

Subject to paragraph 9, if you are an Eligible Shareholder under the Plan, you can subscribe for New Shares as follows:

	<b>Subscription Amount (\$A)</b>	<b>New Shares to be issued calculated at the Issue Price</b>
Option A	\$2,000 (minimum)	12,500
Option B	\$5,000	31,250
Option C	\$10,000	62,500
Option D	\$15,000	93,750
Option E	\$20,000	125,000
Option F	\$25,000	156,250
Option G	\$30,000 (maximum)	187,500

Please note that the maximum limit of \$30,000 applies to you even if you receive more than one Offer from the Company.

If you are the only registered holder of a holding of Shares, but you receive more than one offer under the Plan (for example, due to multiple registered holdings), you may only apply in aggregate for a maximum of \$30,000 worth of New Shares.

If you are registered with one or more persons as the joint shareholders of a holding of Shares, that joint holding is considered to be a single registered holding for the purposes of the Plan and the joint holders are entitled to participate in the Plan in respect of that single holding only. If the same joint holders receive more than one offer under the Plan due to multiple identical holdings, the joint holders may only apply in aggregate for a maximum of \$30,000 worth of Shares.

**By applying to purchase Shares under the Plan, you certify you have not exceeded this \$30,000 limit and**

- (a) if you are a Custodian – you make the certifications set out in paragraph 12 of the Terms and Conditions; and**

- (b) **if you are not a Custodian – you make the certifications set out in paragraph 13 of the Terms and Conditions.**

## 9. Scale back and oversubscriptions

The Company is targeting to raise up to \$6 million under the Plan, however, should total demand exceed this amount, the Directors reserve the right to accept oversubscriptions or to scale back applications in their absolute discretion. In the circumstance that \$6 million is received before the closure of subscriptions, the Directors reserve the right to close the Offer early by announcement of a revised timetable to ASX.

Without limiting the above, the Company reserves the right to issue fewer New Shares than an Eligible Shareholder applies for under the Plan, or no New Shares and any determination by the Directors in respect of any scaling back will be final.

Pursuant to the ASX Listing Rules, the maximum number of New Shares that could be issued under the Plan is 30% of the number of fully paid ordinary shares already on issue, namely 95,204,433 New Shares. If the Company raises \$6 million under the Plan, 37,500,000 New Shares will be issued.

In the event the Company wishes to allot fewer New Shares than an Eligible Shareholder applies for or is not permitted to issue all the New Shares offered as a result of any law or ASX Listing Rule, the allocation of New Shares will be at the absolute discretion of the Directors from time to time.

If a scale back occurs, the Company will refund any excess application money to Eligible Shareholders (without interest).

## 10. Issue of New Shares

The New Shares will be allotted within 7 business days after the closing date of the Offer.

The Company's share registry, Computershare Investor Services Pty Limited, will send to you a holding statement for the New Shares in due course.

- (a) your BPAY payment is not received, is late, dishonoured, incorrectly completed, incomplete or otherwise determined by the Company to be invalid;
- (b) the Company is not satisfied with your certification for any reason, or if you have not provided certification;
- (c) the amount of BPAY payment is not equal to the amount indicated on the Application Form, in which event the Company will:
  - (i) refund in full your application monies and not allot any New Shares to you; or
  - (ii) allot to you the number of New Shares that would have been allotted had you applied for the highest parcel that is less than the amount of your payment and refund to you the excess of your application monies by direct credit deposit to your nominated bank account or by cheque; or
- (d) the Company has reason to believe that you are not an Eligible Shareholder (subject to compliance with any applicable ASIC or ASX requirements).

The Company must reject applications if required to do so under ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547.

## HOW DO YOU APPLY FOR NEW SHARES UNDER THE OFFER

1. If you want to participate in this Offer, please carefully read the Terms and Conditions relating to the Offer.
2. Once an application has been made it cannot be revoked. All valid applications shall be deemed accepted if received before the closing date of the Offer, being 5.00pm (WST) on 21 October 2020.

### Payment made using BPAY®

3. As you are making a BPAY payment, you do not need to return the Application Form. You can simply make a payment using BPAY® in accordance with the instructions on the Application Form. If paying via BPAY®, Eligible Shareholders should be aware that their own financial institution may implement earlier cut off times with regards to electronic payment and it is the responsibility of the Eligible Shareholder to ensure that funds are submitted through BPAY® by the date and time mentioned above. If you elect to pay via BPAY®, you must follow the instructions for BPAY® set out in the Application Form (which includes the Biller Code and your unique Customer Reference Number) and **you will not need to return the Application Form**. Ensure that your BPAY® payment reaches the Company by the closing date of the Offer being no later than 5.00pm (WST) on 21 October 2020. No late payments will be accepted, although the Directors reserve the right to extend the closing date.

If paying by BPAY®, please make sure you use the specific Biller Code and unique Customer Reference Number on your Application Form. If you receive more than one personalised Application Form, you

will need to complete individual BPAY® transactions using the Customer Reference Number specific to each individual personalised Application Form that you receive. The maximum investment any Eligible Shareholder may apply for will remain \$30,000 (please refer to the parcel options set out in paragraph 8 of the Terms and Conditions) even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account).

Any New Zealand shareholder that is unable to pay by BPay®, please contact the Share Registry on +61 3 9415 4000 at any time from 8.30am to 5.00pm (Melbourne time) Monday to Friday during the Offer period, for alternative electronic funds transfer payment arrangements for the number of New Shares you wish to apply for.

**By using the BPAY facility, you certify you have not exceeded this \$30,000 limit and:**

- (a) **if you are a Custodian – you make the certifications set out in paragraph 12 of the Terms and Conditions; and**
- (b) **if you are not a Custodian – you make the certifications set out in paragraph 13 of the Terms and Conditions.**

In determining whether you wish to participate in this Offer, you should seek personal financial and/or taxation advice referable to your own circumstances.
