## AUSTRALIAN SECURITIES EXCHANGE ANNOUNCEMENT

**29 SEPTEMBER 2020**

### **Pernatty IOCG\* Project – Drilling UPDATE**

(\* IOCG – Iron/Oxide-Copper-Gold)

Tasman wishes to advise that the planned drilling program at its 100% owned Pernatty project in South Australia has been further delayed until early next week due to heavy rain and road closures in the region. Program commencement next week is contingent on favourable weather and road conditions.

Tasman proposes to drill up to 8 targets on the Pernatty project area as detailed in Tasman's ASX announcement dated 27 July 2020 (ASX: TAS). Proposed drill hole locations are also shown in Figure 1.

A handwritten signature in black ink, appearing to read "Greg Solomon", is placed on a light yellow rectangular background.

Greg Solomon  
Executive Chairman

This announcement was authorised by the above signatory.
