TRANSFER OF INSTALLATION LICENCE

6 OCTOBER 2020

HIGHLIGHTS

- **Environmental Installation License (LI) successfully transferred to Tombador Iron Mineracao Ltda.**
- **Environmental programs towards the Operating Licence (LO) have commenced at site.**

Tombador Iron Limited (T11.ASX, the “Company”) is pleased to announce that the environmental Installation Licence (“LI”) for the Tombador Project in Sento Se has been transferred from Colomi Iron Mineracao Ltda to Tombador Iron Mineracao Ltda as authorised by the Department for the Environment (“INEMA”) and published in the Official State Gazette on the 3rd of October 2020.

All further applications to INEMA that would be required to develop the operation will be completed by Tombador Iron Mineracao Ltda, the Company’s Brazilian subsidiary.

The Company has commenced clearing vegetation at site and other environmental programs required to obtain the environmental Operating Licence (“LO”).

Authorised for release by the board.
