Dear James,

Hammer Metals Limited (ASX:HMX) ("Hammer") – Request for Trading Halt

In accordance with Listing Rule 17.1 Hammer requests that an immediate trading halt be placed on its securities pending the release of an announcement regarding the results of exploration work being carried out at its Mt Isa Projects.

Hammer expects the trading halt will be required for a period not exceeding the commencement of trading on the second day following the date of this request, in accordance with ASX Listing Rule 17.1.1 and ASX Operating Rule 16.4.2, and that an announcement regarding the results of the latest field work and particularly exploration drilling will likely be made before the commencement of normal trade on 20 November 2014.

Hammer is not aware of any reason why the trading halt should not be granted, nor of any other information relevant to this request.

Yours sincerely
