xTV NETWORKS LIMITED LODGES PROSPECTUS

Intercept Minerals Limited, to be renamed TV Networks Limited (xTV), is pleased to announce that it has lodged its Prospectus to raise up to AU\$6M.

About xTV

xTV is the Next Generation Media Network which delivers the platform to build your online TV.

Founded in 2011, the company's vision is to deliver any organisation with the capability to lower the cost of content production and multiply the consumption of their media by delivering a true, real-time, lean-back TV experience without the need to install new devices or applications.

Click on the screen or go to www.xtv.net for further information on xTV Networks Limited.
