About Covata

[Covata](#) enables true ownership and control over your data in the cloud and over mobile services. Delivering data-centric security solutions without comprising simple usability; providing true end-to-end security. Your data is always protected wherever it may travel – inside your network, beyond the domain, to mobile devices and to the cloud – with granular access controls that extend to external ad hoc users, view only restrictions, real time revocation and complete visibility and audibility.

[Own Your Data](#), control your data and choose where it is stored – with complete assurance that it is protected and secure. For further information please visit covata.com
