Newzulu Platform

Connect through content

Newzulu Platform

Newzulu Platform is web-based software for gathering, organising, and broadcasting user-generated content.

Newzulu Platform enables clients to gather, curate and publish rich media at scale.

Used by the world's leading media companies and brands to boost content inventory and reach more customers.

Delivers exceptional reach and engagement compared to traditional paid media content.

How Our Platform Works

Sourcing and curating audience-generated content to connect companies and their customers

Gather

Media Factory sources and collects fresh, relevant photos, videos and other social content that engages your audience.

Curate

Use smart-filtering tools to moderate, group, channel and tag content into meaningful collections.

Publish

Get broader value from your curated content by publishing content to websites, social networks, mobile, broadcast and print.

Amplify

Engage your audience with social activities that increase page views and time spent on site.

Platform Solutions

Newzulu's software as a service (SaaS) products provide website visitors with real-time, curated content, contests and promotions that drive results and drastically increase consumer engagement.

Widget Suite: an all-in-one social media marketing software that allows for instant UGC campaign deployment.

Contests: cultivate viral sharing of content associated with any brand; create positive brand affinity in the market.

UGC News: alert audiences when news breaks, so they can capture and share photos or videos as the story unfolds.

Community Application: cultivate and manage a community to promote and source quality content.

Rich Media Workflow: gather content in the field or at your desk, curate or publish directly to any downstream systems.

Mobile: customisable mobile app, GPS locator, in-app push notifications, and Instagram feed extraction.

Newzulu Prime

Video production meets the hive mind

Newzulu Prime

Today's brands need a simplified way to commission, manage and optimise high-end video productions.

Newzulu Prime provides access to thousands of producers, filmmakers and creative minds, all primed to provide exceptional ideas and content that resonates.

Newzulu Prime: hi-octane content production

- **Creative diversity:** hundreds of pitched ideas, story boards, creative concepts and videos for clients to choose.
- **Time saver:** production turnaround as short as three weeks from brief to completion
- **Control:** Iterate before you produce. Managed production process, no surprises.
- **Cost-effective:** removing production intermediaries results in significant cost savings.
- **Scale:** our platform allows to scale and plan multiple productions at once.

Tap into the hive mind of the world's leading video producers, film directors and creative minds.

Newzulu Prime helps its clients to commission and produce first-class stories, from video ads or web series, to robust documentary shorts and long-form video journalism. Prime is Newzulu's content production hub for today's fast-paced content marketing and brand storytelling world.

Newzulu Prime: How It Works

Boost your storytelling by iterating with the global filmmaker community. Tap into unprecedented creative diversity.

Get the Story

Find the best story by working with our ideation crowd or engage your community with an idea contest by deploying our contest widget.

Choose Concepts

Film directors pitch creative visions, treatments or story boards for the chosen ideas, no matter what your desired outcome format (e.g. ads, short docs, web series etc.)

Produce

Select the best concepts and commission the chosen filmmaker. Agree on production timeline and feedback rounds.

Engage

Engross your target audience through highly personalised and targeted stories
