Notes to the Financial Statements

For the Half-year Ended 31 December 2013

1. BASIS OF PREPARATION OF HALF-YEAR FINANCIAL REPORT

These general purpose interim financial statements for the half-year ended 31 December 2013 have been prepared in accordance with the requirements of the Corporations Act 2001 and Australian Accounting Standards including AASB 134: Interim Financial Reporting.

The interim financial report is intended to provide users with an update on the latest annual financial statements of CFT Energy Limited (the Company). As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Company. It is therefore recommended that this financial report be read in conjunction with the annual financial statements for the year ended 30 June 2013, together with any public announcements made during the following half-year.

The accounting policies and methods of computation adopted in the preparation of the half-year financial report are consistent with those adopted and disclosed in the company's 2013 annual financial report for the financial year ended 30 June 2013, unless otherwise stated. These accounting policies are consistent with Australian Accounting Standards and with International Financial Reporting Standards.

New accounting standards adopted for these interim financial statements

A number of new standards, amendments to standards and interpretations are effective or available for early adoption and have been applied in preparing these financial statements. None of these had a significant effect on these financial statements.

Contingent liabilities and assets

As at 31 December 2013 there were no contingent assets and liabilities applicable to the Company.

Operating Segment

The Company continued to operate as one segment during the period, being the evaluation of investment opportunities in the Australasia region.

Notes to the Financial Statements For the Half-year Ended 31 December 2013

2. GOING CONCERN BASIS AND SUBSEQUENT EVENTS

The financial statements have been prepared on a going concern basis notwithstanding that the Company recorded a net deficiency of assets as at 31 December 2013 totalling \$204,295. The directors of the Company are continuing to work with its trade creditors to settle or to extend the maturities of outstanding obligations owing to them that have existed at report date and have further accrued to the date of signing this report. In November 2014, the Company granted the issue of 5,000,000 ordinary shares in-respect to the settlement of some of these outstanding obligations. As at the date of this report, these shares have been granted but not yet issued. In addition to this, the following matters have been considered by the directors in determining the appropriateness of the going concern basis of preparation:

A proposed transaction with WolfStrike

On 13 November 2014, the Company announced to the market that it had entered into an agreement to acquire 100% of WolfStrike Rental Services Limited and its associated distribution companies (WolfStrike). WolfStrike is an information technology company with a core focus on renting technological products and services to the SME market, with operations in the Asia Pacific region.

The deal is subject to the following conditions precedent clauses, which are yet to be satisfied as at the date of this report:

- Whether an independent expert's report concludes that the deal is fair and reasonable for both the Company and WolfStrike's shareholders;
- A consolidation of ordinary shares and thereafter the raising of a minimum of \$2,500,000 and up to \$5,000,000 via a prospectus, subject to the necessary shareholder and regulatory approvals, including the satisfaction of the change of business test set out under ASX listing rules;
- A change of name of the Company to WolfStrike Rental Group Limited;
- An issue of ordinary shares by the Company to the shareholders, advisers and promoters of WolfStrike and its transaction with the Company; and
- The requotation of the Company's securities on the ASX within two months of the transactions described above.

In November 2014 the directors signed convertible note loan agreements with various parties to raise a total of \$700,000 (or over subscriptions as the board decide) as an unsecured facility. The purpose of the agreements is to provide working capital to support the Company as it transacts with WolfStrike. The right of conversion into ordinary shares (on both the note and its accrued interest, charged at 12% per annum) is at the hands of the noteholder up until the maturity date of October 2015.

The directors anticipate that the proceeds both from the Prospectus and in the short-term from the convertible note will be sufficient to provide the Company with working capital to meet its operational needs.

Notes to the Financial Statements

For the Half-year Ended 31 December 2013

2. GOING CONCERN BASIS AND SUBSEQUENT EVENTS (CONTINUED)

Letters of financial support

The directors have received letters of financial support from parties associated with the proposed WolfStrike transactions and the third party majority holder of the previously mentioned convertible notes. The letter from the third party convertible note holder confirms that the holder intends and has the financial capacity to not call upon repayment of the note and its accrued interest at its maturity. The letters from the note holder and WolfStrike confirm, subject to the completion of the WolfStrike transaction, that both the noteholder and WolfStrike intend to provide additional financial support, if required, so that the Company has sufficient working capital to continue its operations for a period of at least twelve months from the date of signing this report, or to such point in time that the Company will have sufficient reserves of working capital that such financial support is not necessary.

If the above matters do not eventuate, the Company may not be able to continue as a going concern. This may necessitate a revaluation of its assets and / or a reclassification of its liabilities in the Statement of Financial Position and an adjustment to profit or loss due to these changes.

DIRECTORS' DECLARATION

The Directors of the Company declare that:

1. The accompanying financial statements and notes are in accordance with the *Corporations Act 2001*, including:
 - (a) complying with Australian Accounting Standard AASB 134: Interim Financial Reporting; and
 - (b) giving a true and fair view of the Company's financial position as at 31 December 2013 and of its performance for the half-year ended on that date.
2. In the Directors' opinion there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

The declaration is made in accordance with a resolution of the Board of Directors:

Director

Dated this 8 day of December, 2014

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF CFT ENERGY LIMITED

Report on the Half-Year Financial Report

We were engaged to review the accompanying half-year financial report of CFT Energy Limited (the company), which comprises the statement of financial position as at 31 December 2013, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. As the auditor of CFT Energy Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

We conducted our engagement in accordance with the Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity.

Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate evidence to provide a basis for our conclusion.

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.

Basis for Disclaimer of Conclusion

1. Access to books and records supporting expenditures of the company.

We were unable to access the necessary books, records and documentation supporting expenditures in the financial statements and the disclosures for related party transactions and compensation paid to key management personnel arising as a consequence of such expenditures. Due to this limitation, we are unable to determine what adjustments would be necessary, if any at all, to the expenditures represented in the financial statements and the disclosures in the notes to the financial statements of related party transactions and key management personnel compensation, were we able to access sufficient and appropriate evidence supporting these expenditures. Our review conclusion on the comparative results was also disclaimed on this basis.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF CFT ENERGY LIMITED (CONT)

2. Evidence supporting the existence of a material uncertainty over the going concern assumption.

As disclosed in the Note 2 to the financial report, the Directors state that the Company's financial report has been prepared on a going concern basis. In assessing the going concern basis of preparation, the Company has made a number of assumptions including that:

- A party associated with the WolfStrike transaction has the intention and ability to provide working capital funding to the Company as necessary and for a period of at least 12 months from the date of this report or until such time as the Company can pay its debts as and when they fall due without jeopardising its available working capital position. As disclosed in Note 2 to the financial statements this letter of support is however contingent upon the successful execution of the WolfStrike acquisition.
- A convertible note issued subsequent to year end will not be repayable for a period of at least 12 months from the date of this report or until such time as time as the Company can repay the debt without jeopardising its available working capital position. As disclosed in Note 2 to the financial statements the convertible note matures in October 2015, however the company has received written representations from the note holder that it does not intend to call upon repayment of the notes and accrued interest subject to the successful execution of the WolfStrike acquisition. Our review conclusion on the comparative results was also disclaimed on this basis.

As the WolfStrike acquisition is contingent upon a number of events, we have been unable to obtain sufficient appropriate evidence to support an assessment as to whether or not the transaction will proceed.

As a result of our inability to obtain sufficient appropriate evidence in relation to these matters, we have therefore been unable to obtain sufficient appropriate evidence to determine whether a material uncertainty exists and accordingly whether the Company's has the ability to continue as a going concern for a period of at least 12 months from the date of this report.

Disclaimer of Conclusion

Because of the significance of the matter described in the Basis for Disclaimer of Conclusion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit conclusion or audit opinion. Accordingly, we do not express a conclusion or opinion on the financial report.
