Extension of Prospectus Closing Date

The directors of Q have resolved to extend the closing date of the Prospectus issued on 20 November 2014 to 24 December 2014.

As advised on 11 December 2014, the Company has received acceptances for the minimum \$500,000 capital raising required under the Prospectus. As applications are continuing to be received, the directors have decided that it is appropriate to extend the closing date to maximise the participation of new shareholders in the offer.
