## Questions & Answers

### 1. What is the Share Purchase Plan?

The Share Purchase Plan (**Plan**) is an opportunity for eligible shareholders to purchase additional ordinary shares in the Company up to a maximum of \$15,000 (669,643 shares) at a discount to the market price without brokerage and commission costs.

All shares issued to you under the Plan will rank equally with your existing shares and will carry the same voting rights and other entitlements.

### 2. Who is eligible to participate in the Plan?

Participation in the Plan is open to each person registered as a holder of ordinary shares in the Company on the record date, who has a registered address in Australia or New Zealand.

Custodians or nominees who hold shares on behalf of one or more beneficiaries are also eligible to participate in the Plan in respect of each beneficiary, subject to compliance with ASIC Class Order 09/425.

### 3. What is the issue price of the Plan shares?

The issue price of each share issued under the Plan is \$0.022, which represents a 20% discount to the average market price of the Company's shares on the ASX calculated over the five trading days prior to and including the Record Date.

The market price of shares in the Company may rise or fall between the date of this offer and the date that shares are issued to you under the Plan. This means that the issue price you pay for the shares may be greater than or less than the market price of the shares at the date of issue of the shares under the Plan.

### 4. How many Shares can I apply for under the Plan?

Regardless of the shares you currently own, you are entitled to apply for a parcel of shares in the Company valued at \$500 (22,321 shares), \$1,000 (44,643 shares), \$1,500 (66,964 shares), \$2,000 (89,286 shares), \$2,500 (111,607 shares), \$5,000 (223,214 shares), \$7,500 (334,821 shares), \$10,000 (446,429 shares) or \$15,000 (669,643 shares). You may only apply for one of these parcels.

If you hold shares in more than one capacity (for example you are both a joint holder and a sole holder), the maximum amount you can apply for under the Plan in all capacities is \$15,000 (669,643 shares). Fractional entitlements will be rounded up to the nearest whole share.

**By applying to purchase shares under the Plan, you will have agreed to be bound by the terms and conditions of the Plan as set out in this offer document.**

The Directors will consider placing additional shares at the same issue price of the Plan to any eligible shareholder who wishes to invest more than \$15,000 to the extent permitted by the Corporations Act and the ASX Listing Rules or to non-qualifying foreign shareholders to the extent permitted by the laws of their country. These shares would be issued outside the Plan under the Company's available ASX Listing Rule placement capacity. Shareholders are encouraged to contact the Company should they wish to participate in such a placement. Please refer to section 8 below for contact details.

# MEC Resources Ltd – Share Purchase Plan

## Terms and Conditions

**This document sets out the terms and conditions of the offer under the Share Purchase Plan**

### **Description of the Plan**

Pursuant to the Share Purchase Plan (**Plan**) MEC Resources Ltd (**Company**) is offering its shareholders the opportunity to acquire additional fully paid ordinary shares in the Company up to a maximum value of \$15,000 at a discount to the market price of the Company's shares as traded on the Australian Securities Exchange (**ASX**) without the need to pay brokerage or commission costs and without the need for the Company to issue a Prospectus, upon such terms and conditions as the Board of the Company in its absolute discretion sees fit.

### **Shareholders' eligibility to participate**

Participation in the Plan is open to each person registered as a holder of ordinary shares in the Company on Thursday 22<sup>nd</sup> January 2015 (**Record Date**), with a registered address in Australia or New Zealand (**Eligible Shareholders**).

Due to foreign securities laws, it is not practical for shareholders who are resident in other countries to participate under the Plan.

Participation in the Plan is optional and is subject to these terms and conditions. Offers made under the Plan are non-renounceable and the directors of the Company reserve the right in their absolute discretion to reject, or scale back, on an equitable basis, any application.

Joint shareholders are taken to be a single registered holder for the purpose of the Plan, and the joint holders are entitled to participate in the Plan in respect of that single holding only. If the same holder or joint holders receive more than one offer under the Plan (for example if a holder has more than one holding under separate accounts), that holder or those joint holders may only apply for an aggregate maximum parcel of shares between any joint or individual holdings.

Trustees and nominees are able to apply for one maximum parcel of shares under the Plan for each beneficiary that is expressly noted on the Company's share register, as a trustee or nominee for a named beneficiary. If the Company's share register does not record a named beneficiary in respect of the trustee or nominee holding, or the shares are held by a custodian, the trustee, nominee or custodian must give the Company a certification which complies with Class Order 09/455 if it wishes to apply for shares on behalf of multiple beneficiaries under the Plan. Please contact the Company to obtain a copy of this certification required.

By electing to participate in the Plan, the shareholder shall be deemed to have certified to the Company that in respect of that shareholder, at the time of the application, the total price does not exceed \$15,000 for:

- shares the subject of the application under the Plan;
- any other shares applied for under the Plan or any other shares issued under any similar arrangement in the 12 months before the application under the Plan; and
- any other shares that the shareholder has instructed a custodian to acquire on their behalf under the Plan or that have been issued to a custodian under an arrangement similar to the Plan in the 12 months before the application under the Plan on the instruction of the shareholder and that are held beneficially by the shareholder.

Furthermore, shareholders will be deemed to have confirmed, in relation to all shares applied for by them under the Plan, that they do not make application for any other person in circumstances which might involve any breach of securities law of any jurisdiction other than Australia and New Zealand and have agreed to be bound by the Company's Constitution in respect of all the shares issued to them under the Plan.

### **Issue Price**

The issue price of each share issued under the Plan is \$0.022 which represents a 20% discount to the average market price of the Company's shares on the ASX calculated over the five trading days prior to and including the Record Date.

The market price of shares in the Company may rise or fall between the date of this offer and the date that new shares are issued to you. This means that the issue price that you pay for the shares may be greater than or less than the market price of the shares at the date of issue of the shares under the Plan. Accordingly, you should seek your own financial advice in relation to this offer.

### **Application and notices**

At the discretion of the Company's directors, Eligible Shareholders will be sent a letter of offer, terms and conditions and an application form inviting them to subscribe for shares under the Plan.

Eligible Shareholders may apply to purchase a parcel of shares under the Plan valued at any one of: \$500 (22,321 shares), \$1,000 (44,643 shares), \$1,500 (66,964 shares), \$2,000 (89,286 shares), \$2,500 (111,607 shares), \$5,000 (223,214 shares), \$7,500 (334,821 shares), \$10,000 (446,429 shares) or \$15,000 (669,643 shares).

If you wish to participate in the Plan, you must complete the attached personalised application form and provide payment in accordance with the instructions set out on the application form. Alternatively, you may pay electronically using BPAY® and quote your reference number that has been provided on the personalised application form, in which case you do not need to return the application form.

**Applications will not be accepted after 5:00pm Friday 20<sup>th</sup> February 2015.**

The Company reserves the right to reject any application where it believes there is non-compliance with this rule or any other terms or conditions of the Plan.

Applications and payments may not be withdrawn once the Company has received them. Oversubscriptions or refunds of other application monies in any circumstances will be without interest.

By returning the application form or by making the BPAY® payment you are giving the Company the certifications in the application form.

**Oversubscriptions and scale-back**

The Company does not intend to issue more than 46,743,945 ordinary shares under the Plan. If applications for more than 46,743,945 shares are received, the Company may, in its absolute discretion, undertake a scaleback to the extent and in the manner it sees fit and a shareholder may be issued a lesser number of Shares than the number applied for. Any scaleback will be announced on Wednesday 25<sup>th</sup> February 2015 (**Issue Date**). If the Company scales back an application or purported application, the Company will promptly return to the shareholder, the relevant application monies, without interest.

**Underwriting**

The Plan is not underwritten and no fees are payable to brokers in respect of shares issued under the Plan.

**Shares issued under the Plan**

Shares issued under the Plan will rank equally in all respects with all other ordinary fully paid shares in the Company from the date of issue.

Shareholder holding statements and/or CHESS notification will be issued in respect of all shares. If you trade any shares before you receive your holding statement, then you do so at your own risk.

After the issue of shares under the Plan, the Company will make application for these shares to be listed for quotation on the official list of the ASX.

**Modification and termination of the Plan**

The Company may modify or terminate the Plan at any time.

The Company will notify ASX of any modification to, or termination of, the Plan. The omission to give notice of any modification to, or termination of, the Plan or the failure of ASX to receive such notice will not invalidate the modification or termination.

Without limiting the above, the Company may issue to any person fewer shares than the person applied for under the Plan if the issue of the shares applied for would contravene any applicable law or the ASX Listing Rules.

**Taxation and financial implications**

Participants may be subject to taxation upon the sale of shares purchased under the Plan. Participants should consult their taxation or investment advisers to clarify the financial and taxation implications for them of applying for Plan shares.

## **Representations**

Returning a completed application form or paying the issue price for Plan shares by BPAY®, will be taken to constitute a representation by the applicant that:

- (a) they are an eligible shareholder, have read and understand these Terms and Conditions and subscribe for Plan shares in accordance with these Terms and Conditions;
- (b) they authorise the Company to correct minor errors in the application form if required, and to complete the application form by inserting any minor missing details;
- (c) they are aware the Plan shares have not been, and will not be, registered under the US Securities Act of 1933 (as amended) or the securities laws of any state or other jurisdiction in the US, or in any other jurisdiction outside Australia or New Zealand, and may not be offered, sold, transferred or otherwise disposed of except in accordance with an available exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act and any other applicable securities laws;
- (d) they are eligible under all applicable securities laws to receive an offer under the Plan;
- (e) they are not in the United States, are not US Persons (within the meaning given to that term in Regulation S under the US Securities Act) and are not acting for the account or benefit of US Persons;
- (f) they have not and will not send the Plan or the application form to any person in the United States or that is, or is acting for the account or benefit of, a US Person; and
- (g) if in the future they decide to sell or otherwise transfer their Plan shares, they will only do so in regular way transactions on ASX where neither they nor any person acting on their behalf knows, or has reason to know, that the sale has been pre-arranged with, or that the purchaser is in the United States or is a US Person.

## **Dispute resolution**

The Company may settle in any manner it thinks fit, any difficulties, anomalies or disputes which may arise in connection with, or by reason of, the operation of the Plan, whether generally or in relation to any participant or application, and the Company's decision will be conclusive and binding on all participants and other persons to whom the determination relates.

The Company reserves the right to waive strict compliance with any provision of these terms and conditions. The Company's powers under these conditions may be exercised by its directors or any delegate of the directors.
